

**"I ALWAYS Pay My Debts!"**

Of all the Liberty Loans, this is the most important. We went in to win and to win

quickly. We won. Now we have got to pay our bills.

It means we must see the thing through—Uncle Sam's debt is your debt and my debt. Let's put over the Victory Liberty Loan with a bang and square things up—buy for cash and buy on installments—and do it today?

**PRICE OF PEACE REVEALS SECRETS**

Treasury Presents Film of Events in Great Conflict Showing What Victory Liberty Loan Bonds Pay For.

Secrets of the war recorded by the motion picture camera and only now released by the censors are revealed in "The Price of Peace," an official film issued in behalf of the Victory Liberty Loan, and being shown all over the country.

"The Price of Peace" is the only official picture ever assembled which purports to cover the war from the day it was declared down to date.

The purpose of the picture as announced by the Department of the Treasury through Frank R. Wilson, director of publicity, is to put before the public a graphic accounting and to make clear why there is now a Victory Liberty Loan.

The picture opens with a scene in President Wilson's office and a reference to that momentous April 6, when war was declared. It concludes with a remarkable view of the Statue of Liberty, in New York harbor, and the homecoming of our army.

But there is a vast deal between, including the embarkation of troops, their landing in France, final training over there, then the desperate realities of the front line trenches, gas attacks, army railroading under fire, the great attack from Soissons to Chateau Thierry, infantry and artillery under heavy bombardment, a battle between aeroplanes, and the downing of an enemy airman, the observation balloons under fire, then the battle dead, the prisoners, captured guns, our troops marching over the Rhine into Germany. General Pershing and his men in Prussia. Christmas with the Army of Occupation in Germany, and the homecoming.

Probably the greatest thrill of the picture is in the scenes where our troops are seen going "over the top" and into the wheatfields at 4:35 o'clock on that famous July 18, 1918. There is a dim, misty light, that gives these scenes a peculiar intensity. Other scenes of desperate fighting show an American battery under heavy fire from enemy guns in the Argonne. In yet other scenes American soldiers are shown bravely advancing under shrapnel fire across an open glade. Two are shot down near the camera.

The activities of the American navy furnish another important chapter of the picture. A number of impressive scenes show the German fleet steaming to surrender.

**AIR SERVICE HELPS VICTORY LOAN—LET'S HELP AIR SERVICE.**

When the appeal was sent to the air service by the Liberty Loan Organization for using the airplanes in helping the drive, the response was immediate, and Liberty Loan committees all over the country are now co-operating with the air service to encourage enlistments.

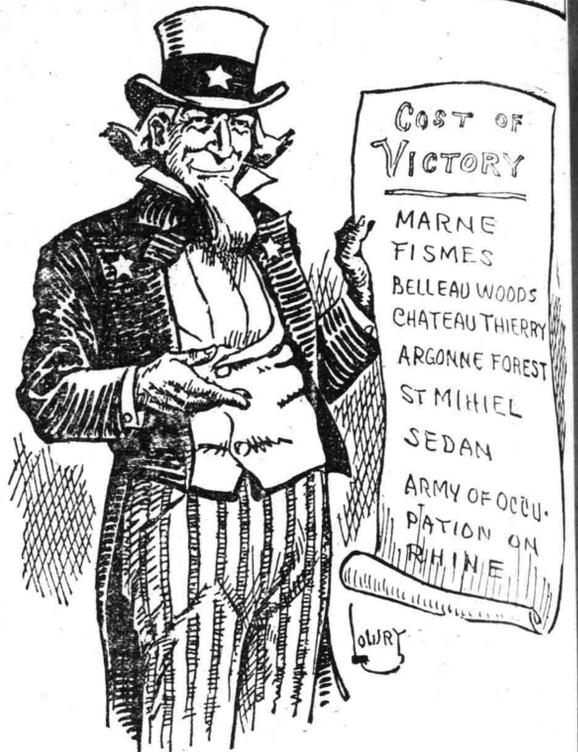

The air service needs men and offers a number of attractive inducements to those who enlist. Those who have had experience and re-enlist are offered the following privileges:

- One month's vacation at once.
- Bonus of \$60.
- Furlough fare certificate entitling you to ride to your home at one cent a mile, with an additional five cents a mile for traveling expenses.
- Month's pay and ration money on return from furlough.
- Free clothing, medical attention and quarters and board.
- Furloughs with pay.
- Insurance at low rates.
- Pay ranging from \$30 to \$121.50 a month.
- Langley Field, Hampton, Va., is a recruiting center and Lieutenant Joseph MacLean is in charge.

Your Victory Liberty Bond Subscriptions Will Help Pay for Saving of Hundreds of Thousands of "Doughboys"

One of the features of the coming Victory Liberty Loan is that it will, in part, pay the cost of saving the lives of more than 500,000 Yanks and thousands of our allies, according to Lewis B. Franklin, Director of the U. S. War Loan Organization.

"The speed and bravery of the American doughboy affected the Germans on the front line more than it

did the men at German general headquarters," states Mr. Franklin, "but the fact that America was preparing for a drive on Berlin struck terror to the general staff.

"And those millions and billions of dollars spent were far from being wasted in an unnecessary preparation. I feel that the fact that money was spent and that an enormous output of munitions was ready was the controlling factor in the weakening of the German general staff, and that it caused their message to the kaiser that they were beaten and that he must sue for peace. And the way I see it is that this money, instead of being wasted, can be written down as having saved the lives of hundred of thousands of American men who would have been sacrificed had the war continued another year.

"That is the money we are going to ask the American people for in the Liberty Loan. We are going to ask them for the money to bring our boys home safe and sound, instead of leaving them buried in France. And when the people of America realize what this money did, we are not going to find that they are lacking in patriotism to 'come across.'"

**FINISH THE JOB**

Success of the Victory Liberty Loan, the fifth government war loan, will depend largely on the savings of the people of the nation.

To insure its success, we must now—NOW—to practice anew the great lessons of the war, thrift and economy. Aside from the loss of respect for ourselves as a nation, every family will be unpleasantly affected, if the coming loan is not fully subscribed. Uncle Sam's war exchequer is compelled to spend money to maintain the army of occupation, to rehabilitate the wounded, to bring home the victors and to carry out the program of reconstruction.

This money is being borrowed from the banks of the country, and Uncle Sam is issuing short-term certificates of indebtedness in anticipation of the coming Liberty Loan and of the Federal income taxes. If the banks were not speedily paid back, their resources would be gone, and as they could make no loans, credit operations would be hampered and business stagnate.

How about it? Will we finish our job—that of paying the war bills, as our immortal heroes finished theirs of vanquishing the Hun? They were not quitters, even when called on to make the supreme sacrifice. Will we be quitters, when there is all to gain and nothing to lose?

A little saving now is all it will cost and this saving will mean a stronger grip on the future. The Victory Liberty Loan will soon be offered. Will you be ready to do your part?

**VICTORY CROPS GOOD**

When you have a chance to lay a few more government bonds as a good investment for your family, do not meanly neglect the opportunity.

There cannot be a better investment than a Victory Liberty Bond with first call on all the resources of the United States. The crops of "Victory Year," as reported by the government, added about \$17,000,000,000 to our wealth. Here are just a few of the principal items:

- Corn—2,552,514,000 bushels, \$3,552,313,000.
- Wheat—917,100,000 bushels, \$1,574,623,000.
- Oats—1,524,359,000 bushels, \$1,024,423,000.
- Barley—256,375,000 bushels, \$256,269,000.
- Rye—89,103,000 bushels, \$134,947,000.
- Potatoes—397,676,000 bushels, \$47,731,000.
- Hay—75,459,000 tons, \$1,522,473,000.
- Tobacco—1,340,019,000 pounds, \$374,318,000.
- Apples—173,632,000 barrels, \$229,990,000.
