The Junior Order will give a reception, next Tuesday evening, at 8 o'clock, to Mr. C. E. Keenan, who was one of the charter members of the Tryon lodge, but has been away from Tryon for the past thirteen years. Every member of the order is earnestly requested to be present and give Mr. Keenan a royal good time.

Wilkins & Co have opened up in the stand formerly occupied by the Carolina Hardware Co., and will soon have a complete line of merchandise again. The grit of Mr. Wilkins in again resuming business is admired by everybody in Tryon. This is his second burn out within about fourteen months, and is calculated to test the nerve of a man. But sometimes adversity is required to perfect the man and we hope the loss of Mr. Wilkins will only add to his business ability and that he will come out the gainer.

Weekly News Letter From Peoples Bank & Trust Co.

Our Savings Department is having a wonderful growth. Many new accounts opened within the past week. Another interest period begins July 1st. Money deposited from now to July 10th will draw interest at 4 per cent, payable every three months. Start a Savings Account with this growing bank and grow with us. One young man puts in a stated sum every week in order to pay his life insurance premium. Wise boy—we will wager a Salvation Army Doughnut that this young man makes a financial success of life. We are taking care of a number of accounts where Liberty Bond coupons are deposited with us as a savings account. Deposit your coupons with us and let us pay you interest on them. Accounts opened in this department for one dollar or a million dollars. Begin today with a dollar. Your dollar will be thankfully received and we will make every possible inducement to help put some of it at stated periods. Just as a helper for the children we have a few Dime Banks left that we will give to each child opening an account for \$1 or more.

A certificate of deposit in this strong bank is a fine investment. Why? We will tell you. First: Your

money is at your command from the very day you deposit it. If you leave it with us three months we pay you four per cent per annum. We have a number of customers who invest surplus this way. Come in and talk it over.

A checking account with this bank identifies you with the progressive men and women of Polk county. A check sent away for the payment of goods gives you a receipt and protects you against loss. You and this bank are losing if you are not carrying your account here. Join our fast increasing list of well pleased depositors and prosper with us. Your very success in life may depend on your being identified with a wide-awake bank such as ours. Many a man's financial success dates from the day he "talked it over with his banker."

Always feel free to come to this bank and talk things over, even if you want to talk about the weather for we are interested in the weather especially as it is related to crops. Anyway when you are in Tryon drop in this friendly bank and be neighborly. We have many facilities for your comfort and if we can serve you in any way we will be glad to do so.

The day will come when you will wish you had your account at this progressive bank.

Our Trust Department has been having a little run of business recently. When folks learn what a Trust Company can do for them we will have a large trust business. Every person with property should have a will. We will gladly talk to you on this important subject and charge you no fee for the advice we give. If you have been thinking of making a will and have been putting it off come in and talk it over and we will tell you how we can serve you.

A Safety Deposit Box is worth more than \$2.00 per year just to store valuable papers. We rent boxes in our solid concrete, vestibule steel door vault for \$2.00 per year.

Make your notes and drafts payable at this bank. Call at the bank for blank notes. We furnish them free. Leave your notes with us for collection. We do not charge our customers for this service. Many of our customers say we give them the best service and perhaps they are right. We try hard enough, to give satisfaction.
