"Long May It Wave."

There is a pressing need for a good
number of three, four and five-room
cottages in Tryon. Who will build
them,

Polk county is the land of opportunity
for the young man with brain
enough to grease a gimlet, and energy
enough to put that brain to work.

LOST:—July 27th, between the
home of W. T. Lindsey and the Episcopal
church, a pin, an amethyst, set
in a heart shaped silver setting. A
reward if returned to Mrs. W. T.
Lindsey.

Now that summer is here, it will
not be long before our winter
guests begin to arrive. What is Tryon
going to do to entertain them? Now
is the time to begin planning for
next season.

What is the matter with a good, big
commercial peach orchard just out of
town on the mountain side? It is going
to come, and it rests with our people
whether they or some outsiders make
the money out of a proposition of
this kind.

Mr. Noah M. Hollowell, of the News
of Henderson County has bought a
controlling interest in the French
Broad Hustler, of Hendersonville, and
will consolidate the two papers. Mr.
Hollowell is a good newspaper man
and has been giving Hendersonville a
live local paper. The people of Henderson
county can do no better than
give Mr. Hollowell their undivided
support as he will give them a paper
that will do much to advance the
interests of his people in every way.

TRYON ENTERTAINMENTS

The Lanier Club is planning several
Concert Dances. At the first of these
which will be given next week a soprano
singer, who is well known in
Asheville, will sing, while either the
Doubleday orchestra or well known
players will furnish music for dancing.

Mr. Hudson, who sang in Tryon
just before going overseas is to return
early in August, and he, with Miss
Florence Sweeney, are to furnish the
program for the second concert.

Little Helen Pugh will give a recital
soon thereafter.

BENEFIT SUPPER.

The ice cream and box supper given
at Mill Spring on last Saturday
night for the benefit of the Soldiers
Monument fund netted the neat sum
of \$51.52. The total amount taken in
was \$67.42. Ice cream and lemonade
was sold throughout the evening. The
milk was donated by the people and
the cream frozen by the faithful boys.
Our expenses were:

| | | |
|----------------|-------|--------|
| Lemons | | \$6.00 |
| Sugar | | 4.50 |
| Ice | | 3.50 |
| Eggs | | 80 |
| Extracts | | 60 |
| Junket | | 40 |
| Lemon squeezer | | 10 |

\$15.90
Leaving us the neat little sum of
-51.52 cents clear.

Everyone seemed to have a good
time and good order prevailed. All
honor to our faithful boys who have
returned and to the dear boys who are
not coming home. May the Monument
fund increase by leaps and
bounds, is the wish of the writer.
Beatrice.

TRYON

The play and ice cream social given
by the Columbus Betterment Club
adds \$20.39 to the Soldiers Monument
fund. Why not some other commu-
nities do something like this and let
the necessary amount be raised to finish
the work so well begun?

* Mr. and Mrs. F. P. Bacon, accom-
panied by Mrs. W. T. Lindsey, motor-
ed to Asheville, Sunday. They were

accompanied by Rev. Mr. H. N.
Bowne, of Biltmore who came down
to conduct services at the Episcopal
church in this city.

Burglars entered the store of T. W.
Ballew Saturday night and took
about \$125 worth of groceries. En-
trance was effected through a window
in the rear. It is to be hoped that we
are not in for another epidemic of
burglaries.

The Congregational church has
been most fortunate in its vacation
services. For the month of August
Rev. Charles D. W. Brower, of San-
ford, Florida, is the minister. Mrs.
Brower is with him and they are at
home in the parsonage.

Miss Elsie Walker, who has been a
Y. M. C. A. entertainer in France for
more than a year, returned in full
health and spirits. She hopes to see
France again when peace has worked
her beautiful restorations. She has
been visiting friends in Saluda and
Flat Rock.

A very good way to make an inter-
esting local paper is for every sub-
scriber to devote a few moments each
week to sending in readable notices,
clever recipes or odd happenings.
Much valuable material of this sort
goes to waste in Tryon for lack of a
little enterprise a small piece of paper
and a lead pencil.

Miss Knox and Miss Bradford, of
Tryon, spent Tuesday with their rela-
tives, the Dr. Robt. Wilson's family,
at Saluda. They took with them as
a present to Dr. Wilson from his aunt,
Miss Sue R. Wilcox, of Tryon, a
wonderful old silver tankard which
had been an heirloom in the family
for generations.
