Mother Goose Down to Date!

Jack and Jill, and Tom and Bill
 Went motoring up the steep!
 They set out to reach the topmost top
 To take a "lofty" peep!
 They went to the top as slick as an eel,
 Without a hitch or a jumble:
 They had "GREEN FLAG" OIL in the motor, you see,
 So there wasn't a chance to grumble!

While climbing mountain peaks in a motor is more the exception than the rule, it's mighty good to have the satisfaction of knowing the brand of motor oil that will keep your engine running the smoothest, and with the least possible deflection in efficiency, and power, when you want to "take a shine" up the mountain. Remember, the oil for power is

GREEN FLAG MOTOR OIL.

Whether you're running on the level, or up and down the hill, you'll find for satisfaction, "GREEN FLAG" will "fill the bill!"

DON'T FORGET THAT OIL IS THE LIFE OF YOUR MOTOR. More than that—it requires the best grade of oil to keep it "living" longest.

There are some "live" dealers in this County who are exclusive agents in their town for "GREEN FLAG" MOTOR OIL. It will pay you well to hunt around town till you find him. Because he sells "GREEN FLAG" MOTOR OIL, the best you can buy. "GREEN FLAG" MOTOR OIL is for sale in this County by the following well-known and reliable dealers:
