ANNUAL MEETING POLK COUNTY FAIR ASSOCIATION

The annual meeting of the Polk County Fair Association was held in the office of Mr. J. R. Sams on Friday October 11 at 12:30 P. M. about twenty five members being present.

Dr. Edwards not being present no treasurers report could be made.

Mr. Lindsey, the President made a short address explaining that the officers than holding office would hold over until January 1st 1920 in order to wind up the affairs of the association and he urged all members to pay their \$1.00 in dues either to Dr. Edwards or to the Director from their district in order that the premiums might be paid soon as possible. Mr. Lindsey spoke especially of the interest shown in the exhibit of grass in the Juvenile Department and also in the Live Stock, and hoped that everyone who owned stock would exhibit next year.

Mr. Sams made a short talk urging that the community Fairs be continued both in order to stir up interest in the County Fair and because there are people who have no way of getting to the County Fair who need the inspiration of them. He declared that it was a reflexion on Polk County and created a wrong impression among visitors that only three pens of full bred poultry were exhibited when there might just as well have been one hundred. He also urged that Polk try to establish for herself the reputation of having the best bred live stock in the country. He maintained that if one was to have the best stock it would mean the best crops and that in turn would mean the best soil.

Officers for 1920 were elected as follows

President W. T. Lindsey
Vice President G. H. Holmes
Secy. Mae Irene Flentyne
Treas. C. E. Shore

It was moved, seconded and carried that there should be a director and alternate from each township so that in case of sickness or other unavoidable circumstances there would always be a representative. It was also voted that the Director for the County Fair should be the Chairman of the Community Fairs if that could possibly be arranged. The Directors were elected as follows.

Columbus Township—E. W. S. Cobb, Director; L. H. Cloud, Alternate.
White Oak Township—J. M. Lewis, Director; J. T. Waldrop, Alternate.

Coopers Gap Township—Mr. T. F. Mills, Director; J. W. Biddy, Alternate.

Greens Creek Township—Mrs. J. M. Walker, Director; John Weaver, Alternate.

Saluda Township—G. R. Thompson, Director; Albert Sally, Alternate.

Tryon Township—J. F. Black, Director; C. M. House, Alternate

Mr. G. H. Holmes moved that the names of exhibitors together with their townships be placed on exhibits if not before as soon after they had been judged as possible so that visitors might know who owned the creditable exhibits. The motion was carried.

It was the sentiment of the meeting that a one day Fair was the most satisfactory, with some provision in case of rain.

The election of a Director at Large was left to the Board of Directors themselves.

On motion of E. W. S. Cobb it was unanimously ordered that the Polk County Fair Association, in regular

session, tender to Mr. Geo. B. Cobb, Chairman at Large of the said Association, its sincere appreciation for the very earnest, painstaking and excellent services rendered in behalf of the fair for the year 1919.

Resolved further, that the Polk County Fair Association hereby expresses its deep and sincere regret that the illness of Mr. Cobb prevented him from witnessing, in person, the splendid exhibits which were made possible, largely, through his untiring efforts.

Resolved lastly, that the Polk County Fair Association express the unfeigned hope that Mr. Cobb personal health may be speedily and perfectly restored.

There being no further business, on motion the meeting adjourned.

Respectfully submitted
MAE IRENE FLENTYNE

This was one of the cases in which there was a still found by the officers some where in Mr. Jones community and some person other than the officers conceived the idea that it was Mr. Jones, still. Herbert Arledge was convicted of making liquor and released on payment of the cost, on account of his unhealthy condition.

There was a number of cases of different natures that was carried over to the next term of court.

FIELD DIRECTOR AT TRYON.

A very well attended meeting of the Red Cross was held at the Tryon Graded School last Sunday afternoon. The meeting was called on short notice, in order that our people might have the opportunity of hearing something of the peace time program of the National organization.

After the invocation by the Rev. Dr. Daniels, Mr. Dwight S. Bayley Director of the Bureau of Camp Service, Department of Military Relief, of the American Red Cross, was introduced and in a very illuminating address made it perfectly clear that the time for retirement of activities on the part of the Red Cross is not arrived; but that more than ever there is now need for keeping the organization together, and preparing for relief work which is even now demanded, and for the demands which are bound to come before the country settles down to normal conditions. The speaker also sounded a note of warning as to the necessity of being prepared for such an emergency as the return of the Influenza epidemic, and the making sanitary conditions better; any constructive work in the matter of preventing sickness and contagion being within the compass of the Red Cross work.
