Fruitless Cause of Worry.
We understand that it is unhealthy to eat between meals, but we are not going to worry about that until we get some meals to eat between.—Dallas News.

Agreed.
"We want more honest men in politics," exclaimed the reformer. "That's right," agreed the practical politician. "The more honest men we have in politics the less politics will cost."

Will The Influenza Return?

Public Health Authorities Predict its Recurrence

Guard Against it by Building Up the Blood

Pepto-Mangan Creates Rich Red Blood and Increases Strength

Surgeon General Blue, of the United States Public Health Service, in a recent statement from Washington, warns the public that the much-dreaded influenza epidemic will probably return this fall and winter. All medical authorities agree that the weak, bloodless, run-down individual is more likely to contract this (as well as any other infectious disease) than is the strong, robust, red-blooded man or woman. In view of these facts, it is wise to use every effort to build up the blood and thus increase the bodily resistance to the invasion of the germs of the disease. Gude's Pepto-Mangan is an absolutely dependable red-blood builder in all conditions of lower vitality not due to serious disease of the vital organs. It improves the appetite, imparts color to the cheeks, and creates new hope and ambition in those who become pale, weak, and listless. Physicians recommend Gude's Pepto-Mangan. When you order, be sure the word "Gude's" is on the package. Without "Gude's," it is not Pepto-Mangan. Furnished in both liquid and tablet form. For sale by all druggists.—Advertisement.

Home of Mocha Coffee.

All the genuine Mocha coffee and the skins known to the trade as mochas come from the Yemen plateau, in Arabia. From Sana, the center and capital of this rich and fertile district, to Aden on the coast is about 200 miles, and to Hedaida about 150 miles. Everything is transported on the backs of camels, though a railroad thirty miles long, running from Aden to Lahay, has been opened.

Stork Welcomed in Holland.

A stork is treated with great respect in Holland. The house selected by the stork for a resting place is considered fortunate, and special facilities are provided by the householders to enable it to build a nest comfortably. At The Hague many of these birds are maintained at public expense.

Mr. P. LaDuke, Farmer, Says, "You Bet Rats can Bite Through Metal."

"I had feed bins lined with zinc last year, rats got through pretty soon. Was out \$18. A \$1 pkg. of RAT-SNAP killed so many rats, that I've never been without it since. Our collie dog never touched RAT-SNAP. You try it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by The Ballenger Co. and The Carolina Hardware Co.

Well, Why?

Why is it that the man who has his picture taken standing beside a vase of flowers set on a table covered with a lace doily is always the man who is reported to the police and the newspapers by his wife as among those missing?

Brought Down to Date.

"Man wants but little here below, nor wants that little long," is what they sang some years ago—but it's now another song. The words we use are different quite, though fully as sublime. "Man wants everything in sight, and wants it all the time."

A Lady in Chicago Telegraphs for Rat-Snap.

Read Mrs. Phillips' wire: "Youell's Exterminator Co., Westfield, N. J. Rush \$3 worth of RAT-SNAP." Later rec'd following letter. "RAT SNAP arrived. It rid our house of rats in no time. Just moved here from Pa., where I used RAT-SNAP with great results." Three sizes, 25c, 50c, \$1.00 Sold and guaranteed by The Ballenger Co. and The Carolina Hardware Co.

Got Him Guessing.

"I got my troubles," replied the new waiter. "When men have a friendly scrap about paying the check I can spot the right man to hand it to every time. But with women I make all kinds of fool mistakes."—Louisville Courier-Journal.

Torchon Laces.

Torchon laces, popular in America, were first made in Chefoo, China, twenty-five years ago when missionaries taught the Chinese lace-making. Chinese now compete with Belgians in making laces.

A Rat That Didn't Smell After Being Dead For 3 Months.

"I swear it was dead at least 3 months," said James Sykes, Butcher, Westfield, N. J. "We saw this rat every day. Put a cake of RAT-SNAP behind a barrel. Months later my wife asked about the rat. Remembered the barrel, looked behind it. There was the rat—dead, not the slightest odor." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by The Ballenger Co. and Carolina Hardware Co.
