TEACHERS' READING CIRCLE
WORK FOR POLK COUNTY.

The State Board of Examiners and
Institute Conductors, Raleigh, require
that all teachers in the state shall
avail themselves of the opportunity offered,
in the respective counties, for
professional training and growth in
service. The Polk County Teachers,
Association will at once begin in
earnest the study of the Reading Circle
Book for teachers' selected for 1919
1920, Davis, "The Work of the
Teacher". The leaders for the respective
townships have been selected and
they are ready to lead in the work.
I truly hope every teacher in Polk
County will avail himself of this opportunity
of securing extra state credit,
and at the same time better prepare
himself for the high calling in which
he is engaged.

It is suggested that the chapters
in the book be taken up as follows:

- Lesson 1. Chapter, 12 and 1—The
Teacher.—Ways of Regarding Education.
- Lesson 1. chapter 6 and 8—The Assignment.
The Study Period.
- Lesson 3. Chapter 7—The Recitation.
- Lesson 4 chapter 2.—The Pupil
as an Object of Study.
- Lesson 5. Chapter 5.—Governing
and Maintaining Morale.
- Lesson 6. Chapter 3.—The Teacher's
Relation to the Curriculum.
- Lesson 7. Chapter 4.—The Teacher
in Relation to External Elements.
- Lesson 8. Chapter 10—Attendance,
Records and Reports.
- Lesson 9. Chapter 9.—Measuring
the Work of the School.
- Lesson 10. Chapter 11.—The Teacher
and the Educational Statistics.

It is more desirable for, respective
groups to hold five meetings of
90 minutes each rather than ten meetings
of 45 minutes each they have the
privilege of doing so.

The first meetings will be held as
follows, with the leaders whose name
appears with the group: Tryon Township
will meet at the Tryon School
Sat. Jan. 24th. Prof. C. Y. Milton
conductor.

Saluda Township will meet at Saluda
School, Saturday, Jan. 24th at 11
a. m. Prof. Z. A. Nicholson conductor.
Greens Creek Township will meet
G. H. S. Jan. 24 at 11 a. m. Prof.
R. C. Cannon conductor.

Columbus Township will meet at
the Stearns School Friday Jan. 23rd,
at 1 p. m. Miss Clara McNinch
conductor.

White Oak Township will meet at
Mill Spring school Friday Jan. 23rd,
at 1 p. m. Prof. N. B. Aridge
conductor.

Cooper Gap Township will meet at
Sunny View school Friday Jan. 23rd,
at 1 p. m. Miss Clara Peagan
conductor.

The time and place of each succeeding
meeting will be fixed by the
respective groups to suit their own
convenience.

I shall be in all groups as often as
possible while the course is being
carried on, if for any reason my
presence is specially desirable in any
group it will be necessary for the
conductor to notify me some time in
advance of the meeting.

With very sincere good wishes,
E. W. S. Cobb County Supt.

SALUDA

Law and order day was observed in
the churches here last Sunday Rev.
Mason at the Baptist Church gave

some splendid advice. We wish every
one could have heard his discourse, if
the directions laid down, were observed
and followed, there would be a
great change for the good in this
vicinity, and it is now up to the
people who wish to live for the right,
and not be afraid of doing their duty
in putting up a fight that will eventually
put the demon Rum, where it will
do no harm, that the future generation
may be released from its baleful
influence. Take away the temptation
while the boy is young, and when
grown, he can see for himself also
we will have the satisfaction of knowing
that we have done our duty.

Dr. J. O. Hooper of this place had
the misfortune of having his automobile
stolen one day last week. also had
the good fortune of finding it
again after the thief had wrecked it
several miles away. The Dr. with
some friends were following him in a
borrowed car, when they discovered it
on the roadside where the thief had
left had left it after he found he
could ride no further, so taking an
overcoat and pair of gloves from car,
he continued on his way. But the trail
was warm and the pursuers finally
began to close in on him so the he
took to the woods to throw them off,
making a wide detour he came back
to the road and caught a passing car,
on its way to Greenville S. C. and
attempted to make his escape. But was
finally overtaken, and carried to
Hendersonville where he was given a
perilous trial, and confined in jail.
Car stealing seems to be very popular
now. But all of them takes a chance
at it, are not caught, as quick as this
one was.

Mr. J. B. Constant wishes to express
his thanks to his many friends who
stood by him and family, with their
sympathy and help, in their recent
bereavement, in the loss of their
daughter Bertha.

Miss Hallie Singleton has gone to
Washington D. C., to spend some
time with her sister. Her friends will
be glad to know that she is doing
nicely after an operation for
appendicitis.

The Ladies Aid of M. E. Church
gave a dinner Friday evening at the
Saluda Pharmacy, consisting of
various good things to eat. They
report a profitable, as well as a pleasant
time. Clearing about twenty dollars.

Mr. R. M. Hall is attending the
133rd. Annual Communication of the
Grand Lodge of Masons of North
Carolina that will convene in Raleigh,
beginning Tuesday night, Jan. 20th,
and lasting until Thursday, as
representative of Saluda Lodge No.
482. The members not able to
attend, will be able to get much useful
information, on Mr. Hall's return as
he is a very bright and active Mason
and does not readily forget what he
sees, and hears.

Mr. Frantz Bishop, and his sister
Mrs. Heatherly left here Sunday
Miss Alma, with their grandmother
morning for a trip to Richmond Va.,
where they will be with relatives.

Tench Edwards, son of A. A. Edwards,
of Mill Spring was married in
Louisville, Kentucky, January 1.

BULKY FEED FOR BROOD SOW

Clover Chaff When Scalded and Soaked
for Twelve Hours is Palatable
and Suitable.

In reply to frequent inquiries for a
bulky feed for wintering brood sows,
it may be said that clover chaff, such
as accumulates on a barn floor, when
scalded and soaked for 12 hours, makes
a palatable and suitable feed of this
kind. It is desirable to add a little
olmeal or other millfeed to make it
"go." Sows will eat a good deal of
clover and alfalfa even when fed dry.
When they have access to it, sows will
also eat a little corn fodder.

SYSTEM OF SHEEP FARMING

One That is Continuously Successful
Must Not Ignore Either Mutton
or Wool.

A system of sheep farming that is
to be continuously successful can not
ignore either wool or mutton. In many
cases the two products will be worthy
of equal consideration. In others
either one may be emphasized according
to the peculiarities of conditions,
management, and marketing.

BARLEY IS GOOD SWINE FEED

When Fed With Tankage It is Efficient
and Almost Equal to Corn
for Fattening.

Barley is an efficient feed for hogs
when fed with tankage, and is almost
equal to corn in fattening hogs for
market, according to results obtained
in two feeding trials, the second of
which has just been completed at the
Purdue experiment station in Indiana.

WHAT QUARTERS WILL DO.

Just one Thrift Stamp after
another will build a fortune or a
hospital, and the humble Thrift Stamp
is helping to develop a nation of
fortune-builders. The government stands
back of these builders and has
declared its intention to continue the
sale of Thrift Stamps. War Savings
Stamps and Treasury Savings Certificates
as a permanent part of the national
financial policy.

BOY SCOUTS OF TRYON.

The Boy Scouts of Tryon met at the
school house, Friday, January 16th.
Robert Reich was admitted to the
organization. Morgan Morris and
Gentworth Crawley have joined the
troop and will get their transfers from
the Landrum South Carolina troop.

John Steelman passed the tenderfoot
test Friday night. There are
now only eight boys in the troop who
have not passed the Tenderfoot test
and they all hope to pass soon. Over
twenty boys were present Friday
night although a bad rainy night. It
is hoped that more will come out next
week.

Stanley Ballenger who has been in
the hospital in Asheville, has returned
home. Theodore Ballenger has
returned from a visit in Atlanta.

We hope the people of Tryon will
take an interest in the Scouts and give
them any necessary aid.

Why is A Headache?

VARIOUS CAUSES FOR THIS COMMON AFFLICTION

ANEMIA OR BLOODLESSNESS A VERY COMMON CAUSE

PEPTO-MANGAN OVERCOMES ANEMIA AND TENDS TO PREVENT HEADACHES

When one has an occasional headache
it is usually due to some transient
or passing cause, such as indigestion,
however, over-tiredness, etc. When,
however, one suffers from frequent
periodic headaches there is always
some special reason for it. Among
the most common of such reasons is
Anemia or Bloodlessness. This condition
is especially frequent among girls
and young women and those whose
occupations or habits of life keep them
too much indoors. The one important
necessity in such cases is to build up
the quantity and quality of the weak
and watery blood. Gude's Pepto-Mangan
is exceptionally valuable for this
purpose. It increases the number
and improves the quality of the red
blood cells, those vital little bodies
which carry nutrition to all parts
of the body. It improves the appetite,
imparts color to the face, and restores
health and strength to the body generally.
After a short course of Pepto-Mangan
the headaches decrease in frequency
and severity, and finally disappear,
if they are due to Anemia. Pepto-Mangan
may be had either in liquid or tablet
form, as preferred. When buying
Pepto-Mangan be sure the name "Gude's"
is on the package. Without "Gude's"
it is not Pepto-Mangan.
