The Occurrences Of Seven Days Given In An Epitomized Form For Quick Reading

Foreign—

Ever-growing excitement marks the election campaign in Germany. Some of the meetings have been marked with near riots.

The treaty of peace with Hungary and the triple entente has been signed at Paris.

White and negro sailors clashed in street fighting recently at Newport, England. Careful handling of the crowd by the police restored order without any serious mishap.

American participation in the coming conference with the Germans at Spa has not been the subject of official instructions from Washington, so far as can be learned here. The United States, however, is likely to be unofficially represented, incidentally, through the presence at Spa during conference with the Germans of a commission, of which Roland W. Boyer, of Boston, is an official member.

Mexican state authorities at Vera Cruz have accepted the offer of the United States government to send a sanitary detachment and supplies to that city for the purpose of combating the spread of bubonic plague.

An encyclical document has been published in Rome, Italy, announcing an arrangement whereby Catholic sovereigns will be permitted by the pope to come to Rome to visit the King of Italy. This is considered one of the most sensational and daring raid yet staged by the Sinn Fein took place in the heart of Dublin, when fifty armed men, without disguise, descended upon King's inn, headquarters of the legal profession in Dublin, Ireland, and seized a quantity of munitions, escaping without leaving any trace.

Gen. Felix Diaz, who has been carrying on a revolutionary movement in the state of Vera Cruz, Mexico, for some time, is willing to return to private life, now that the overthrow of the Carranza regime has been accomplished, is in Mexico City to confer with Huerta anent the provisional government.

Washington—

Describing as utterly false charges contained in a report of a committee of lawyers to the National Popular Government League relative to the treatment of arrested aliens by the department of justice, Attorney General Palmer called on Felix Frankfurter of Cambridge, Mass., one of the signers of the report, to retract them.

Reduction of the Mexican army has been started at the suggestion of General Obregon, according to advices received in Washington from the de facto government. General

Obregon is quoted as saying that the army will be reorganized and reduced to half its present size. The organization of a force of rurales to police the outlying parts of the country also has begun. Negotiations have been opened with Villa, the rebel leader, to head the new rurales, but Villa is reported to have refused.

The resolution to end the present session of congress June 6, already approved by the house, was adopted by the senate after Democratic senators had given assurances that President Wilson had no present intention of calling an extra session during the summer. Republican and Democratic leaders joined forces in bringing the resolution to passage, but a score of senators, thirteen of them Republicans and seven of them Democrats, made a vigorous fight to attach an amendment by which congress would reassemble after the conventions.

The state department has asked the District of Columbia commissioners for a statement of fact as to the burning of a British flag in front of the treasury by women sympathizers with Irish freedom. The department acted on its own initiative. No protests against the action of the women has been made by the British embassy. No arrests were made when the flag was burned and none has been ordered since that time. The women have picketed the treasury frequently and their burning of the flag passed almost unnoticed.

Provisional President de la Huerta of Mexico is reported to be suffering with a slight attack from appendicitis.

Formal request has been filed with the state department for recognition by the United States of the Ukrainian people's republic, Julian Batchinsky, Ukrainian representative in this country announces.

President Wilson's plea for an American mandate over Armenia was rejected in the senate by a vote of more than two to one. Only twelve Democratic senators voted favorably.

Frank L. Polk has resigned as under secretary of state. His resignation has been accepted. Norman Davis, assistant secretary of the treasury, may get his job.

Belmont.—The Census Bureau announces the population of Belmont as 2,491 increase 1,765, or 150.1 per cent.

Spencer.—Good progress is being made in road building through Spencer and the force of men is now working on the national highway on Newlon heights. A fine road is being turned out.

Washington, (Special).—The Southern Railway announces from its general offices here that a new train would be put on the Greensboro-Goldboro division beginning June 20, and that an extra parlor car from Goldboro to Asheville would be operated on these trains which will be known as numbers 111 and 112, through the summer season.

Washington, (Special).—Senator Simmons and Representative Zeb Weaver began efforts to secure from the War Department tentage and sanitation equipment sufficient to enable Asheville to take care of the Thirtieth Division reunion which will be held in the mountain city September 28 and 29.

"Must have them," read the appeals from the entertainment committee.

Mount Airy.—The sequel of an exciting bear hunt across the top of the Blue Ridge created considerable curiosity here when Charles Lowe, a mountain farmer living above the Nancy Gap section brought the skin of an immense black bear to town which he with the aid of a neighbor and five well trained dogs had trailed through the wilderness on top of the mountains, and after an exciting all day chase finally killed.

Monroe.—Governor T. W. Bicket was the guest of the business men of Monroe at a luncheon at the Joffre hotel. Referring to the progress Union county has made during the past few years the governor declared that this county more nearly approached the ideal in its proportion of town and country population and its home owning citizenship than any other county in the state.

Judge Arraigns Motorists.

Raleigh.—"Those who violate the speed laws do not do so because they do not know the law, but act through wilful disrespect for the law and absolutely disregarding the rights of others," declared Judge Daniels in Wake Superior Court.

Judge Daniels sharply arraigned automobile speeders though carefully avoiding reference to any particular case. He declared that laws affecting motorists are so well known that violation of them can only be explained on the ground of wilful disobedience.

Young Child Abandoned

Durham.—A pretty little blue eyed girl, apparently about four months old, was found in the women's waiting room of the Union station. Its crying in the closed room attracted the attention of a few passengers in the station at the time, and they went in to offer their assistance to the mother, as they supposed; but found the room vacant, except for the baby upon the couch. It was neatly dressed in good clothes and had a milk bottle by its side. It was taken to the Watts hospital, no clue being found.
