

# Our Saluda Department

## Short Paragraphs.

Mrs. J. L. Park is visiting her sister Mrs. Traylor.

J. R. Sams county demonstrator was here Sunday.

Walter Jones and family, have moved into their new home.

Mrs. O. W. Hooker is visiting her sister Mrs. Walter Jones.

Miss C. Craven of Miami, Fla., is spending her vacation in Saluda. Hurt Jones, spent last week with his brother Walter Jones.

Col. D. O. Herbert and wife, of Orangeburg, are at the Maples. Miss Lola Thompson made a business trip to Brevard Thursday.

Mrs. O. J. Kee spent the weekend with her sister Mrs. Quentin Sonner.

Mrs. Walter Jones and her sister, Mrs. O. W. Hooker visited Tryon Monday.

Mrs. A. M. Salley of Orangeburg, S. C., is visiting her son Dr. E. M. Salley.

Mrs. Layton Capps and daughter spent Thursday in Hendersonville shopping.

Eddie Jay and wife, of Greenwood, S. C., are spending the summer in Saluda.

Harrison Edens, salesman for C. D. Kenny Co. Spartanburg, was in Saluda Saturday.

Little Francis Leonard and James Culton of Winston-Salem are visiting friends here.

Hubbard Thompson, who has been in Akron Ohio, for the past year has returned to Saluda.

Miss Gilliland Charleston, S. C. has charge of the Woman's exchange in Saluda this summer.

The east end of Saluda is improving. A new garage has been built by John Walker Thompson.

Chas. O. Henry editor of Spartanburg Herald, was in Saluda Saturday looking for fried chicken.

Donald Sanders went to Spartanburg for the primary election in South Carolina, on last Tuesday.

Mrs. L. H. Cox has returned to Belmont after a few days visit with her sister Miss Annie Hart.

Master Samuel Sonner has returned from Charleston where he has been visiting his grandfather.

Dr. A. G. Rembert of Wofford College is expected to talk in the Epworth League next Sunday, 7:30 p. m.

"Daddy" Slaughter is working a larger garden than usual, and his laugh is louder and more hearty than ever.

Dan Lyle Jr. of Atlanta, Ga., left Friday after a two weeks visit to his grandmother, Mrs. E. W. Thompson.

M. L. Bagnal and family of Columbia are guests at the Leland Home, also Miss Francis Lofton of McClellanville, S. C.

We build summer homes to suit purchaser in Saluda, that charming summer resort of the Blue Ridge Mountains. See the Pickard Land Company.

There is no better water to be found any where than in the spring near the Southern Railway Station. It has been suggested that an ideal park might be made to enclose this wonderful spring.

Have you noticed the great improvement in Robin Wood and what a little Beaver Board, paint on the outside, plumbing etc. on the inside will do to make a nicer looking house? Saluda needs more improvements. Let's go to it.

The stated fall meeting of the Kings Mountain Presbytery will convene in Saluda Presbyterian church on Tuesday evening Sept. 14. The public is cordially invited to attend the services which will continue through two days.

Brewster, Roper and Rogers, of the Log Cabin recently entertained their friends at an afternoon reception, which was pronounced by all in attendance a very pleasant affair. Their long stay in Saluda gives them a large circle of friends.

The fourth quarterley conference of the Saluda Tryon charge will be held in the Tryon M. E. Church at 3:30 Sunday Sept. 5th. Presiding elder Willis will preach. A cordial invitation is extended to all. Rev. Willis will also preach at Saluda on the same night.

Mrs. Robinson of Robin Wood Cottage, assisted by Miss Howe and Mrs. Brewster of New Orleans, entertained her father and mother Capt. and Mrs. Dinkins of New Orleans, on Thursday evening. This gathering brought together a great many old friends and was one occasion long to be remembered by those who were there.

The Civic League met Tuesday at Mrs. Campbells' to select committees and discuss plans for the parts assigned them in Saluda township fair, to be held in October. Though very few attended the meeting, much was accomplished and everything bids fair to be a great success. It is very important that all should do their part for it is the individuals working together as one that brings the best result.

The Saluda fruit growers association is a live wire, 15 growers had their monthly picnic at Overbrook Orchard Thursday, some got soaked coming in the rain, but a profitable meeting was held. The next meeting will be held at Mr. Davis' beautiful orchard house on September 29, if you are interested in good eats and a good profitable time come. Saluda apple growers are getting ready for the apple show at Asheville October 29th.

Inspiring services were held on last Sunday at the Methodist church. Rev. Pierce Kilgore of The South Carolina Conference delivered an able sermon. Mrs. Walter Jones was at the organ and Mr. Wilder of Sumter S. C. played the cornet. Before the sermon the choir rendered a

beautiful anthem. At the close of the sermon the doors of the church were opened and Misses Bessie Sonner and Edna Mae Capps joined. In closing Donald Sanders sang a very expressive solo. The choir is preparing another anthem for next Sunday. They expect to have special music Sunday night also, at which time Presiding Elder Willis will preach.

## Tax Payer Meeting.

At a recent meeting of the taxpayers of Saluda a good many good points were made by the speakers, on how to have better schools, better roads playgrounds parks, law and order. This meeting was not largely attended although a great many had expressed a desire to discuss how we might better our community. It may be it was the muddy walks or was it the idea that we all knew we need better roads, schools, parks, law and order, but we want the other fellow to do the work and put up the money to get them. A town is never improved by this spirit. A pull altogether for every good thing will build up Saluda. Do your part in paying your taxes and see them well spent by your officials. Saluda is your town. Each resident of Saluda is a stockholder in the affairs and business of the town, if its worth living here its worth making Saluda the best town in the country. God has been very kind to Saluda are we doing our best to keep it clean and build it up? Each citizen has his duty.

Those who made interesting talks were Prof. Rembert, of Wofford College, Dr. Teague of Wofford and Aiken, S. C. Donald M. Frazer, of Spartanburg and Saluda, Dr. E. M. Salley and one more J. R. Sams, who is loved and respected by all in Saluda and Polk Co. Money was offered for park purposes and aid general betterment, Mayor Capps presided and before the meeting adjourned motions were approved appointing committees to look up the sale of school bonds the betterment of roads, playgrounds parks, and better order. If you were not there see that you do not miss the next. The following committees, were appointed by Mr. Capps.

Committees on Parks: P. H. Bailey, Dr. B. H. Teague, J. C. Blocker,

Committees to consider roads: Coopers Gap, to Greenville Highway; dam on Green River; G. L. Thompson, H. P. Corwith, Q. C. Sonner, Donald Fraser. Law and order Rev. J. O. Cox, John C. Thompson, E. B. Guice,

## MICKIE SAYS:

OLD SHERLOCK HOLMES NEVER COULD TELL A LETTERHEAD PRINTED AT THIS OFFICE BY THE INKY FINGER-PRINTS ON IT, FOR OUR LILY FINGERED JOB PRINTER NEVER PUTS ANY ONE NEAT. I'LL SAY WE ARE AN ARTISTICAL BOB! WE SURE DO KNOCK OUT SOME NIFTY PRINTING!

CHARLES SCHWAB

## New Hotel Wanted For Saluda.

While Saluda has many good summer hotels and boarding houses at this moment accommodating thousands of happy tourists it still remains true that the town is greatly in need of a first class all-year-round resort Hotel. Asheville and some of the neighboring towns now possess such hotels, which cater to large number of tourists both winter and summer. This hotel will have to be modern in all its appointments, so as to appeal to the class of tourists who sojourn in the "Land of the Sky" in winter as well as summer that they may enjoy its salubrious climate and its inspiring scenery. A fine new mountain hotel would mean a new departure for Saluda and the town would soon be known far and wide as an all the year round resort.

## Extensive Improvements Planned For Saluda.

At a well attended meeting of the leading business men of Saluda the other evening it was planned to make extensive improvements during the next year in the way of road building, amusement park, swimming pool, etc. Committees are already at work to raise funds and carry out the work. As far as climate, water and natural scenery are concerned Saluda is one of the finest mountain resorts in the "Highlands of the South" and the citizens of this favored spot are waking up to the fact that a few thousand dollars wisely spent in improvements at this time will come back to them ten fold in a material way inside of a few years. This movement is simply a common sense business project.

## FARM STOCK

### DISEASES CARRIED BY DOGS

Animal Should Be Handled in Such Way as Best to Further Welfare of the Community.

Many diseases of man and domestic animals are carried by dogs. Everybody, of course, knows that the dog is responsible for rabies, but it is not so generally known that the dog is equally responsible for other fatal diseases. Among them may be mentioned typhoid and gland in man and stock, tapeworm in man and especially in children, tongue worm in man and stock, "measles" in sheep, cysticercosis of the liver in stock. Some of these parasites depend so absolutely on dogs as carriers that they would become extinct if dogs were not available as hosts. Dogs probably play a part, also, in the spread of diseases due to fungi, such as ringworm and favus, and they certainly play a part in the spread of diseases that may be carried by fleas and ticks. The United States department of agriculture, while recognizing the dog as a useful domestic animal, insists

There Are Three Kinds of Dogs—The Ownerless Dog, The Other Person's Dog and Your Own Dog.

that care must be taken to minimize the danger of diseases spread by them. In a general way, say the specialists of the department, there are three kinds of dogs—the ownerless dog, the other person's dog, and your own dog. The stray dog which recognizes no owner, they say, does not fit into the modern scheme of civilization and must be eliminated. A dog that is allowed by the owner to wander at large will have substantially the same habits of life, the same sort of food, and be practically as dangerous as the

ownerless dog. You have the right to insist, they point out, that such dogs keep off your premises.

Your own dog should be handled in such a way as best to further the welfare of the dog and the community. He should be kept in restraint and not allowed the full freedom of the house or even of the outside premises. He should not be allowed to be familiar with people, and especially with children. The dog should be kept free from external parasites by frequent baths and, if necessary, other appropriate measures, and should be freed from internal parasites by suitable measures and kept free by adequate attention to his food. He should only be allowed to leave the yard or the kennels in company with some person, and wherever conditions call for it should be kept in leash. When away from home the dog should be muzzled with a reliable metal muzzle, not with a strap muzzle that would be cruel to the dog if tight enough to be effective and which is usually so loose as merely to give a false sense of security, since it permits the dog to bite.

## Valuable Spanish Products.

Spain is an important producer of a number of essential oils, including spike, rosemary, thyme, sage, pennyroyal, and geranium. The plants grow wild and distillation is carried on by large steam distilleries as well as by many small direct-fire stills.—The

## Scriptural Quotation.

When you say you have escaped by the skin of your teeth, do you know you are quoting Scripture? Look in the twentieth verse of the nineteenth chapter of Job and you will find the line: "My bone cleaveth to my skin and my flesh, and I am escaped with the skin of my teeth."

## Cathedral Resembles Grass Hill.

Of the world's cathedrals, probably the most curious is that which crowns a hill in Uganda. In appearance it resembles nothing so much as a mountain of grass, although on closer inspection one is able to see that mud and wood have been extensively employed. The structure can accommodate 4,000 people.
