Come to The Mission At Holy Cross Episcopal Church Beginning Sunday December 12th

A mission in the Episcopal church is not to be confused with a "Revival" or "Protracted meeting," although it has somewhat the same end in view. It is both a series of preaching and teaching services. It is a special time when souls are taken out of the every day rut of living. Come and learn the higher meaning of living. With some this every day life is hardly a living, it's merely existing.

The missioner will be the Rev. Willis G. Clark, rector of Trinity church, Asheville
