UNUSUAL!**

Most merchants reduce the price at the end of the season but we are

to get you to visit our store and see the many attractive things that we have
to offer you in shoes, hosiery, silk sweaters, capes, etc.

This applies on tissues, soiesettes, swisses, ratines, voiles, suitings,
organdies, crepes, plisse, satines, poplins, nainsooks, dimities, pongees, lin-
ens, draperies, silks, satins, messalines, batiste, percales, flaxons, dotted
swisses, permalawns, gingham, chambrays, play cloths, piques, pajama
checks, madras, silk crepes, curtain scrim, cretons.

We are showing the best variety of the above we have ever offered
and having bought early we have both the advantage in price and patterns.

These special reductions, taken with our already attractive prices,
makes it your duty to yourself to visit our store.

who are with us should take advantage of being in the South to buy their
needs in cotton materials of all kinds.

You should watch for our sales from time to time during the Spring.
