ROUGH AND NOISY

Ford will make just about as good a President as he does an automobile.

The principle business of some birds in this burg seems to be that of trying to get along without work.

A PROMINENT WOMAN'S CLUB—THE ROLLING PIN.

Have you noticed how many limousines pass with poodle dogs in them and how many Fords pass filled with kiddies?

GOOD NIGHT!

I've a letter in my pocket I don't want my wife to see! If she finds it I'll have trouble; she'll spoil the day for me.

I can't burn it, and I wouldn't dare to throw the thing away. What if any one should find it?

There would be the deuce to pay.

Here I am upon the threshold of my happy home, alack! I was told to mail her letter, and I've brought the darned thing back!

One of the mysteries of this world is that, while most newspapers have "Lost and Found" columns, you never see any found ads in them.

Grover Cleveland Bergdoll is said to have left Germany for the United States. So it must be true Germany is getting ready to go to war again.

Why do they say a bride was "led" to the altar? Did you ever see a bride pulling back?

A HOT TOAST

Here's to lovely woman—
The cause of all our woe—
She's fair and sweet,
But her tongue and feet
Are always on the go.

Of all sad words the worst,

without fail, are those of the judge, "Six months in jail."

The best argument we know of for stuffed olives is that your hostess can not count the seeds on you.

In this land of plenty we die of overeating, and call it starvation.

EXPLANATION

That Washington never told a lie, Of course, is very true, But he went into politics When the thing was really new.

No use getting all excited because somebody tells you to go to hell. You don't have to go unless you want to.

IT AIN'T LASTING

True economy on the farm starts with self support of the farm family.

Have you signed the pledge? If not ask your school teacher for one of the blanks recently sent out by the Agricultural Extension Service. It will help every farmer to live at home this year.

A Catawba County Club boy made over \$500 with a small flock of sheep in three years. The money and the sheep are his own.

The Extension workers recommend only three varieties of cotton for best yields under weevil conditions in North Carolina. These are Cleveland Big Boll, Mexican Big Boll and Edgcombe Cook.

Meat potatoes and white bread will never make a boy or girl. There isn't the stuff in them to do it.
