There seems to be let up in Tryon's building program. New houses are being erected in nearly every part of town.

The first lot of machinery for the erection of the dam and power plant of the Blue Ridge Electric Co., was unloaded here this week, and hauled to the site of the new development on Green River in Gooper Gap township. This development should mean a big thing for Polk county, as upwards of a million dollars will be spent before its completion.

MILLIONS of FAMILIES

"I will build a car for the multitude"

Said Henry in 1903-Read how the fulfillment of that prophecy is now made possible through the

Ford Weekly Purchase Plan

For many years it has been Henry Ford's personal ambition to make the Ford the universal family car—to put it within the reach of the millions people who have never been privileged to enjoy the benefits of motor car ownership.

During the past fifteen years over 7,500,000 Ford cars have been placed in the hands of retail customers—more than a million and a half of them within the past twelve months—and yet there are still millions of families who are hopefully looking forward to the day when they can own a Ford.

And now the way is open.

Under the terms of this plan you can select your FordCar, set aside a small amount each week and you will be surprised how soon you will own it. In the meantime your money will be safely deposited to your credit in one of the local banks where it will draw interest.

Think it over. Five Dollars will start an account. The whole family can participate it it-father, mother, sisters and brothers each doing a

Why not start today. Stop in and talk it over with your local Ford Dealer. He will be glad to fully explain the details of the plan and help you get started toward the ownership of a Ford Car.
