**Veterinary Science.**  
The veterinary science was not systematically studied until the Eighteenth century, although it is said to have originated in 300 A. D., in Rome.

**Cling to Old-Fashioned Ideas.**  
The vast majority of Spanish women still believe that it is degrading for a woman to take up any work for which she is paid.

**"Adam's Apple."**  
"Adam's apple" received its name from the belief of the ancients that a piece of apple given to Adam by Eve stuck in his throat.

**"Pig Iron."**  
Pig iron is so called because the molten metal is run into a long mass with shorter pieces attached to it at right angles. The long pieces are called the sow and the shorter are called the pigs.
