Attempts to conceal complexion blemishes usually fail, and only serve to draw attention to the defects.

Underneath most unattractive skins is a clear, pleasing complexion—all that is needed is the proper treatment! It is surprising how often a brief use of Resinol Ointment and Resinol Soap will clear away blotches, redness and roughness and give the skin its natural freshness and charm.

#### LESSON FOR OCTOBER 21

ISRAEL IN THE MIDST OF THE NATIONS

LESSON TEXT-Josh. 1:1-4; Isa. 2:2-4; Isa. 19:23-25; Ezek. 5:5. GOLDEN TEXT-"Look unto me and be ye saved, all the ends of the earth.

PRIMARY TOPIC-The Beautiful Land of Israel.

JUNIOR TOPIC-The Land God Chose for His People.

INTERMEDIATE AND SENIOR TOP-IC-Israel in the Midst of the Nations. YOUNG PEOPLE AND ADUL: TOPIC -The Strategic Position of Par-tine.

I. Israel's Geographical

(Josh. 1:1-4, cf. Ezek. 5:5). Israel, God's chosen and most favored nation, the nation to whom He came nearest and gave most in order that it might pass on His goodness to the other nations of the world, was given a most strategic position in the earth. "Palestine was adapted as no other country for God's great purpose of preparing a pure religion and sending it to all the world. To this end a single nation was selected, trained and placed in the center of the world, so that when the time came to publish the true religion all lands could be reached. Palestine was central and isolated, yet accessible, for when the time came for the apostles to go from Palestine by the Mediterranean sea to the lands round about it, and from there to other lands, their way was open."

1. Their Leader (Josh. 1:1). Joshua was Moses' assistant. He led the Israelites to victory over the Amalekites soon after their escape from Egypt. He was with Moses in the Mount when the law was given. He was one of the spies sent into the land of Canaan. When Moses knew that his time of departure was nigh he appointed Joshua his successor.

2. Condition of the Possession of the Land (v. 3). The land was theirs by God's promise, but it became theirs only as their feet advanced to take possession of it. Because of their lack of faith, courage and obedience they never enjoyed the full possession of it. Christians today lack the riches of the Heavenly Father's blessings because of their want of faith and cour-

3. Its Boundaries (v. 4). On the north it was bounded by the rugged mountains of Lebanon; on the east by the Euphrates river; on the south by the "great and terrible" desert, a barren region through which the children of Israel had wandered for forty years; and on the west by the Mediterranean sea. It included all of Mesopotamia. Israel's lack of faith prevented them from possessing fully this land.

11. Israel's Spiritual and National Position (Isa. 2:2-4; 19:23-25).

This pictures the place of influence which shall be exercised by Israel in

a future time. 1. When It Shall Be (v. 2)-"in the

last days." By "last days" is usually meant in Scripture the times of the Messiah, for this is the primary subject of all prophecy.

2. What It Shall Be (v. 2). The restoration of the kingdom of Judah to the place of pre-eminence among the nations of the world. "Mountain" in Scripture symbolizes kingdom (see Dan. 2:35; Rev. 13:1, 17:9-11). This vision of Zion's glory refers to the millennial, age, at which time other nations of the world will learn of the true God through the chosen nation.

3. The Result of (vv. 2-4). The return of God's favor to this chosen people shall be "life from the dead." To the nations of the earth (Rom. 11:15). (1) Nations shall flow unto it (v. 2). This pictures the masses of the people moving toward Jerusalem like streams from all parts of the earth. (2) Nations encouraging each other (v. 3). All jealousies are now taken from nations, and with good will to each other they are moving to Jerusalem, the world's capitol. They are going there to be taught of God the right ways to walk. They go to be instructed out of His holy Word. There is but one way to peace in the world, that is, back to God through His holy Scriptures. (3) Peace in the earth (v. 4). When Isreal shall be in her God-appointed place with Jesus Christ as king, then war will be over. The implements of war will then be destroyed. (4) Friendly communication (Isa. 19:23-25). As soon as wickedness is taken from men's hearts they will establish means of friendly communication.

Good Tidings.

How beautiful upon the mountains are the feet of him that bringeth good tidings .- Isa. 52:7.

Hely Scripture.

Holy Scripture is a stream of running water, where alike the elephant may swim, and the lamb walk without osing its feet.-Gregory the Great.

Cultivated Countries.

Countries are well cultivated, not as they are fertile, but as they are free. - Montesquieu.

Wership. Be not so bigoted to any custom as to worship it at the expense of truth. --Zimmerman.

## Essential to Profitable Farming

Express Truck \$550 Chassis Only f.o.b. Flint, Mich.

Fits any Standard Truck Body

No business can succeed unless its product is profitably sold. Most farms have a fine production department but no sales department. They grow crops and stock bought by buyers who set the price.

One of the chief reasons for this unprofitable situation is the average farmer's poor facilities for moving his crops or stock to the place where he can sell or ship to the best advantage. Because of the time and expense of horse delivery millions of dollars worth of produce spoils annually on American farms, The saving of this waste would, in many cases, change a losing farm to a money-maker.

This low-priced, high-grade, reliable truck was designed as a money-saver and money-maker for farmers and business houses needing fast low-cost haulage of heavy or bulky goods. It fits any standard type of ton truck body. Ask any Chevrolet dealer for price of the style of body you require.

## Why the Doctor asks: "Do you drink coffee?"

IF you are troubled with headaches, insomnia, indigestion, or sluggishness of the liver or bowels, probably one of the first questions your doctor asks is, "Do you drink coffee?"

He knows, better than anyone else, that the drug, caffeine, present in coffee, tends to irritate the nervous system and is a frequent

cause of disturbance to health.

If coffee causes trouble, and you value health, stop coffee and drink Postum.

Postum is a pure cereal beverage - absolutely free from caffeine or any other drug. It has a delicious flavor, that many people prefer to coffee.
