Talk It Over With Him

Since the boy of today is the man of tomorrow, you owe it to him as well as to yourself to talk over the problems of life with him and give him the benefit of your experience. One of the most vital lessons is that taught by the Bank Book. A marked step in your boy's life is recorded when you show him the value of a Savings Account. We invite you to come here and have your talk where surroundings will give added weight to what you say.

Ford Four-Door Sedan

Fully equipped, \$685, f. o. b. Detroit

Inside and out, the new Ford Four-door Sedan shows improvements of far more than usual importance. It is lower and sturdier in appearance. New cowl, hood, radiator and apron add size and finish to the front. Sun visor, and wide, well-finished aluminum doors with bar handles perfect the design of the body. Silk window curtains, deep broad-cloth upholstery; dome light, door lock, window regulators and handles, all finished in nickel, complete a refinement you would expect only at a far higher price.
