MONEY IN YOUR OLD CLOTHES

Our second hand clothes sale has kept up better this summer than any previous summer and we feel that it is largely due to the space which the newspapers of our State so kindly give us in June, but I fear that our people are forgetting us once more and so we are asking you to remind them once more to send us clothes.

We are simply overwhelmed with boarding pupils this term and are having to buy double decker beds in order to house them. We must provide work for each of these boarders, for we take only those who need to be self supporting. It all depends upon the quantity and quality of clothes which you send us this winter, and we urge you to send all you possibly can and as often as you possibly can.

Also will you appeal through your columns for Auto Knitters which were used during the war by the Red Cross and others to knit for the soldiers. We have not the money with which to buy these machines, but if they can be given to us, each one will make it possible for a boy or girl to become self supporting.

Please act promptly for our need is very urgent.
