Tryon's Horse Show Begins April 8th

IN THE WORLD OF SPORT

A Famous All Set to Go

Lined up on the mark we have Tony Plansky, Georgetown University and Interscholastic Penn relay champ; Emerson Norton, Indoor College High Jump champ and Charlie Holt, Norwegian Pole Vault, ready for a trial run at Georgetown University, where Hoff and Norton trained for the N. Y. meeting with Harold Osborn for the world decathlon championship.

Edie Fernandez, University of Hawaii, has been selected captain of the 1926 Hawaii football team.

Port Bohan, former Philadelphia National pitcher, has been signed by the Mobile club of the Southern league.

The New Haven club of the Eastern league has sold Bill McKenty to the Chattanooga club of the Southern league.

William (Bud) Brandle, semi-pro outfielder of St. Louis, has signed a contract with Springfield of the Western association.

Tommy Hitchcock, Doreaux Millburn and Watson Webb, American players, are ranked at the top of the British handicaps.

The Mobile club of the Southern league has obtained Catcher Pete Rittelle from San Francisco of the Pacific Coast league.

In addition to the rowing machines Coach Dick Glendon has introduced a scow type of boat in the pool for indoor practice by Columbia University crewmen.

The Babe

Last year Ruth was handicapped by too much weight, but this year is going to be different he says. Here's the Babe, in a rubber shirt sweating himself into condition for the coming season.

Sport Notes

New Orleans has bought Catcher C. Lingle from Des Moines.

Babe Ruth says he will have a smashing come-back. He may mean his derby.

The Yankees, around the American league circuit, are being taken seriously as a pennant possibility.

Indianapolis is going to train at Hot Springs this year, deserting Florida, where it did its work last season.

Apparently Carpenter's object in coming to the United States is to join the Dempsey disarmament conference.

Princeton has 140 candidates for rowing, a list of 20 per cent larger than in any other year in the university's history.

Emerson G. Welk, former shortstop of the West Virginia university baseball team, has been released under option by Pittsburgh to Wilson, N. C., of the Virginia league.

Houston of the Texas league has sold Pitcher Hal Diviney, a spitball hurler, to Beaumont of the same league. He was loaned to Beaumont by Houston last season.

Newark of the International league has announced the purchase of Leslie McCullough, third baseman from the Bloomington club of the Three-I league. His home is in Brooklyn, N. Y.

Babe Ruth rowed a boat as a training stunt. It probably won't help the morale of the opposing pitcher any when Babe approaches the plate the coming season swinging a pair of oars.

Outfielder Harvey Hendrick has been sold by the Cleveland American league baseball club to the New York Yankees. Last spring Hendrick was sent to the Providence club of the International league.

Three clubs, the Giants, Cardinals and Phillies, had a great battle for home-run honors this season. McGraw's team finally won out with 114 circuit blows. The Cards had 109 and the Phils an even 100.

Earl Hamilton formerly on the pitching staffs of the St. Louis and Detroit American league and the Pittsburgh National league clubs, who retired from baseball last season, has signed to return to the Los Angeles team.

Plan Foreign Tour for Two Young Tennis Stars

Two schoolboy and schoolgirl players will be sent to England next year to play against British champions if plans being considered by several progressive leaders of the United States Lawn Tennis association are looked upon favorably on the other side.

No official mention of this plan to encourage scholastic tennis has been made, but it is likely that it will be mentioned at the annual meeting of the association on February 6.

The association has been very successful in making tennis a universal game among senior players by fostering the Davis cup competitions and by sending older players to foreign countries.

Leaders of the association feel that tennis has been established as a senior international game and that it is now time to give more attention to the juniors and novices.
