Dickinson, who has this win-  
cupied an apartment in Miss

Rockies, and possibly a few days will

## AID TO BEAUTY

Under this young woman's skillful  
hands the front of the Administration  
Building of the Sesqui-Centennial In-  
ternational Exposition Association  
quickly takes on a delightful aspect.  
She directs gardeners where to place  
the small trees and shrubs about the  
great stucco building. She is doing  
her share to make the big celebration  
of the 150th anniversary of the sign-  
ing of the Declaration of Independ-  
ence a success.

Mr. and Mrs. C. T. Price  
To Make Home in Tryon.

Mr. and Mrs. C. T. Price moved  
this week to Tryon, where they will  
make their home.

Mr. and Mrs. C. T. Price moved  
this week to Tryon, where they will  
make their home.

A host of friends regret that these  
good citizens could not see fit to stay  
in town. For a number of years Mr.  
Price has conducted a furniture store  
here, which is still in operation. Not  
only has he been useful and helpful  
through the business he conducted,  
but in charitable affairs Mr. Price al-  
ways came first. Right by his side

came Mrs. Price, who has been a  
very active member of the women's  
societies of the First Baptist Church,  
and also a teacher in the Sunday  
School of that church.

It is with regret that Inmanites  
give up these good people.—Inman,  
S. C., Times.

Mr. Barnes  
Leaves for Connecticut.

Mr. W. B. Barnes left this morning  
for Mystic, Conn., where he will spend  
the summer. He has had a very suc-  
cessful season, having sold a number  
of his paintings to local painters.

Return to  
The North.

Mr. and Mrs. Donald Peattie and  
little daughter have gone North after  
spending a delightful vacation with  
the parents of Mr. Peattie in town.

Peatties Leave Next Week,  
Back in Fall.

Mr. and Mrs. Robert Peattie are

leaving next week for extended visits  
in the North with their family. They  
will be again in Tryon about the  
first of September.

Well Known Artist  
On Visit Here.

Mr. Berrin, a well known artist in  
the North, dropped into Tryon for a  
contemplated and, after spending a  
few days running over the Hills with  
Mr. Mazzanovitch, an old friend of  
his, decided to remain here for an  
indefinite sojourn.

Mr. Adams Leaving  
For the North.

Tryon all winter and departed a few  
weeks ago.

Old-Fashioned Dance  
Planned for Tryon.

The Chamber of Commerce is in  
the very near future contemplating a  
real, old-fashioned Block Dance. Part  
of Melrose avenue is to be roped off,  
and the History of the Dance will be  
elaborately staged by groups under  
the supervision of Miss Pat Hebbert.  
In between numbers there will be  
dancing for all. A first class band  
from Spartanburg will furnish the mu-  
sic.

Mr. Mehaffey Attends  
Meeting in Asheville.

Mr. W. R. Mehaffey attended the  
meeting of the Federated Clubs of  
the Carolinas in Asheville last Tues-  
day. In his absence Lawrence Goe-  
let was left in charge of the Chamber  
of Commerce office.

The Polk County Telephone Com-  
pany is making quite an extension to  
the present central offices. A new  
wing is being added to the present  
building, which will house a new,  
improved switchboard.

This is another step forward by  
the company to facilitate a better  
service. Every possible means is be-  
ing employed to give Tryon the ser-  
vice that it is entitled to.

The increased amount of business  
that has come to this office recently  
has made it necessary to have a larg-  
er quarters. Many new phones have  
recently been installed with appli-  
cation for many more on file. The man-  
agement states that they expect to  
use all efforts possible to give the  
people of Tryon big town telephone  
service.
