FUEL OIL
Will Heat Your House Cheaper
Fuel oil costs less per gallon than lighter oils and has
more heat units. There's a difference of about 25%.
Oil-O-Matic is listed as standard by the Underwriters'
Laboratories to burn fuel oil as well as any of the
lighter grades. Compared with some oil burners you
save enough in 4 years to heat your house free for a
whole year. \$50 puts it in your home. Take a year
to pay the balance. See us today.

**SCOUTS PETITION OFFICI-
ALS TO MAKE LAKE LA-
NIER A BIRD AND WILD
LIKE LIFE SANCTUARY
AND PRESERVE**

The Boy Scouts of the Pied-
mont Boy Scout Camp have
petitioned the officers of the
Tryon Development Company
to make Lake Lanier a wild
life preserve, and the appeal
has been answered in part. All
shooting has been stopped, and
it is earnestly hoped that fur-
ther protection will result in
Lake Lanier becoming a wild
life preserve that will attract
State and national interest.

Mr. A. F. Brock
Tryon, N. C.
Dear Sir;

The night I got the car did you give me two switch keys?
If you did I lost one. I like the car fine, she came up Saluda moun-
tain and up Green River mountain in high at the rate of ten miles
an hour. She sure pulls good to be new.

Say by the way I went off and didn't get my Masonic Em-
blem if you find it I would thank you very much if you will mail
it to me at box 742 Biltmore, N. C., the key to Ford inclosed.

Yours truly
J. F. Bishop
