mittee of the National Convention.

A special program will be arranged for the reception of Commander of American For-Commander of American For-Centennial Exposition. He will be accorded a full col. General Pershing at the Sesquibattery of cannon at Camp An-Blackwell and Hall. The largest lenge please notify J. D. Weacamp in the Exposition grounds and will be escorted on his tour of inspection by the highest ary and navy officials stationed in Philadelphia.

Many of the delegates to the convention are planning to reprober S as main in the "Sesqui City" aftitary Order er the conclusion of the meeting to take part in the annual convention of the American Legion which will be the largest mmander-in gathering of men ever to assemble in Philadelphia or any other city.

The business sessions of the Military Order of the World War have been cut to four in order to give the delegates time to take part in the extensive progra to be held at the Exposition. A tour of the his-

torical places in the city will aslo be a part of the scheduled events. Railroads have made a special nationally knews steares in the rate of on eand one-half times

# PLEASURABLE COOKERY 15 ped hard-cooked eggs, pimiento, and ripe olives have been added. Do you shudder at the mention of a beef sandwich? I know of one with a real kick. Its keeping quali-

ties compensate for the trouble in-volved in preparation. Place in a covered baking dish a top round of beef, which has been pierced at intervals with cloves, add a bit of cayenne, a bayleaf, and a bit of sage. Dissolve 2 tablespoons brown sugar in 1-4 cup vinegar, add 1-2 cup water,

An Indian Summer Picnic and pour over the meat. Cover dish and bake in a slow oven until tender. By Josephine Jessup

Add butter liberally to the resulting When the falling leaves are flecked gravy. Run the cooked meat through with red and gold, and the bared a food chopper, add salt, and pound twigs begin to weave a pattern of to a paste, moistening with the gravy. This makes a sandwich that appeals black lace against the sky, the open particularly to men, particularly if the bread is coated lightly with a tart road lures you for one last out-ofgoors meal ere winter comes. You'll have to carry a coat, and even a jelly. blanket wouldn't be amiss, if yours You

You may say, A lot of work for a is an open car. sandwich filler-even one that will keep indefinitely when put up in jars. Only the young things, or the seasoned folks who feel that they must Yes, it is a good deal; but when you maintain a reputation for pep, will consider that cold sandwiches are the venture into the water. But there hardest foods to down, you won't are diversions even for us who have grudge an extra bit of trouble, if it increases the palatability of the pronot owned a bathing-suit in years. Nutting's a deal of iun-if your duct. Just think of Tommy's pleasback's limber; and horseshoe is reure over it in a school lunch, and of turning to its own. For many of us, how delighted Hubby, who is working ten miles out of town, will be quiet companionship about a campre is pleasurable. with this change from the inevitable

Of course, you'll be hungry. The cheese or bone-dry meat. out-of-doors and sluggish appetites are irreconcilable. While ready-made But to return to the picnic. Of course, you'll want pickles, and a sandwiches are good enough, the most tomate or two. And fruit. Most palatable are prepared immediately likely, you'll include associed cookies before being served. Any one of the in the lunch haraper. I almost fornew quick breads makes a delightful got to mention hot coffee-but then, andwich foundation. Peanut butter I'm sure you'd fill your vacuum botbread is in high favor with picnickers. Ite, without a remind 7.

(Here's , a timely admonition: sharpen your bread knife before you The part time you go a-pienicking in Indian Summer, take along a loaf leave the house. Che ed-looking of peanut butter bread.
