

Beaufort Cuts Down Morehead City 7-4 For First Win In Tidewater League Play

McIntosh Smacks Homer and Double; M. C. Takes Saturday's Contest, 8-0

Beaufort knocked Morehead City's baseball team out of the ranks of the undefeated Sunday, 7-4 with a vicious 11 hit attack including a double and a home-run by McIntosh, and a pay-off triple by Pasquale. The latter, one of the four new men signed by Beaufort and appearing for the first time Sunday, proved that the shot-in-the-arm was worth it by bouncing a two-run three bagger off the gym roof, and by doing a creditable job catching George Brooks, the winning pitcher.

Morehead City remained tied for the lead however, shutting out Beaufort at the school field Saturday, behind the three-hit pitching of James Webb, winning easily 8-0, while Marshallberg stopped Swansboro 3-2.

Pasquale's drive came after a long double by McIntosh in the eighth inning, breaking a 3-3 tie. McIntosh, who hit Morehead City pitcher Piner like he owned him, also clouted a homer his time up before and a single his first time up. The capacity crowd at Wade field responded to the circuit blow by dropping \$28 in bills, silver, copper, and bus transfers into the passed hat.

Other new faces in the line-up Sunday were Verbanic, at short, Brooks, on the mound, and Dobbs, at first base. Brooks gave up but two less hits for Beaufort, but kept them far enough apart to make them ineffective. He struck out 10, while Piner fanned five.

Beaufort got off to a good start by counting two in the first. They were tied briefly in the seventh, but sewed it up with two runs in each of the last two innings. Stoy and Gardner collected half of Morehead's hits off Brooks. Gardner also turned in the fielding gem of the day with a brilliant backhanded nab of Brooks' line drive after a hard run in deep left center. Two men were on.

Webb was invincible in goose-egging Beaufort Saturday, striking out ten. Langdale was the only Beaufort man to reach second, stealing safely after he had been hit by a pitched ball. Webb gave out no free passes.

Morehead City batted Taylor for 17 hits, with Sadler leading the parade with four or five. Stoy and Davis also got three apiece for the winners. Taylor walked two men for Beaufort.

Snakes Substitute for Cats
PENANG, Malaya — (AP) — Cats are being replaced as rat-catchers here — by pythons. A rice mill owners' association announced tests had shown the giant snakes, up to 25 feet in length, kill two to three times as many rats as cats. So they are installing a tame py-thon in each rice mill.

Auto Racing Isn't Worth The Risk, Says Big Money Winner Pete De Paolo

ARLINGTON, Tex.—Peter De Paolo, one-time kingpin of automobile racing, wonders if the sport today is worth the risk. De Paolo, first driver to average more than 100 miles per hour for the 500-mile Indianapolis Speedway classic, is happy because his active days behind the wheel came when they did. "The boys can't make any big money in these dirt-track races. When I was racing we had eight board tracks in the United States. They attracted tremendous crowds and the purses were big. A good man in a good machine could mop up them. Some of the tracks staged several races a year. Others had only one or two big ones, like Altoona, Pa., and Atlantic City, N. C.

"It took a lot of money to build and maintain those board tracks. Somehow, they all faded out. Today there isn't a single one in the United States. The bottom really fell out of racing in the late twenties. The game hasn't been built back up. Facilities aren't available. That's why the present drivers can't make the kind of money we used to rake in."

Opponents Find Hank Sauer Mighty Hard Man to Stop
Hank Sauer, Cincinnati's slug-ging left fielder, apparently is making a habit of breaking up ball games and opponents' fingers. His first two big league home runs this season beat the Pitts-burgh Pirates. In the first week of the young National League season Sauer, who hit 50 homers for Syracuse last year, put two infielders out of commission.

Frankie Gustine, Pirate third baseman, tried to stop a vicious smash to his left and sustained a dislocated finger. In St. Louis, Red Schoendienst, Cardinal second baseman, also got in the way of a Sauer smash and wound up with a busted digit.
