

M.C. Drops Jacksonville Twice; H.I. Takes Two From Beaufort

Harkers Island-Straits climbed up to the 500 mark this week-end, driving Beaufort deeper into the cellar with a pair of wins, 3-2, and 6-4. They now have four won and four lost.

Wes Taylor, who has yet to win his first game although he has finished every game he started, gave up 8 hits in the 10 inning struggle Saturday. R. Hassell did the catching. Moe Willis was tagged for six safeties, with Gaskill doing the receiving. All the hits in the ball game were singles.

Moe Willis Scores
Moe Willis also scored the winning run, when he singled in the tenth and went to second on an error by center fielder Jefferson. D. Willis' blow drove him all the way around.

T. Hooper with two for four, and Hamilton, with three for four were batting leaders for Beaufort and H.I. Straits, respectively.

The action was almost identical in Sunday's game, with Harkers Island-Straits coming back from a 3-2 count, to win the ball game in the late innings. Gillikin went all the way for Beaufort as did Hamilton for H.I. Straits.

"Nothing" Balls Effective
Hawkins, tossing up a lot of slow stuff, had Beaufort batter-pounding them into the dirt or into the sky for easy flies. A left hander, he tossed up "nothing" balls which Beaufort batter, said had nothing on them, but that they did nothing with.

Harkers Island put the game or ice when Gaskill, catcher bounced a single over second base which got away form center fielder Stuart. The bases were loaded at the time.

Gillikin was struck for 9 blows while Hawkins gave up six. Hooper smashed a run scoring triple for Beaufort in the fourth for the longest extra base blow.

Swiss Will Send Bikers To International Races

ZURICH, Switzerland — (AP)—Switzerland plans to send a team of bicycle racers to the international races for the Colombo trophy in Milan June 20, which is listed as a pre-Olympic event. Meanwhile, in May ten Swiss bicyclists are to be selected as probable entries for the London Olympics, with further eliminations planned later. The ten "probables" will be required to compete in six forthcoming race meets in Switzerland in lieu of a routine training program.

ANNOUNCEMENT

I hereby announce my candidacy to succeed myself as Constable of Morehead Township, Carteret County, N. C., subject to the Democratic Primary on May 29, 1948.

For the past two years I have served the people of Morehead Township and Carteret County to the best of my ability and without discrimination and I feel that I am now better qualified to render better service to the Citizens of Morehead Township than I was two years ago. In view of that, I earnestly and conscientiously solicit your vote and support in aforementioned Primary.

My opponent is the Assistant Chief of Police of Morehead City, and as you know, the North Carolina Law forbids double office holding, and if He should be elected, He could not qualify for the office. Then the office would be let vacant.

I have nothing to say about my opponent and friend, Mr. Hubert Fulcher. If you should feel that you are unable to support me, then I ask you to vote the Democratic ticket and vote for my opponent.

Yours very truly,
C. M. KROUSE
