## Teen Topics

By Imogene Long, Morehead City High School

Hi folks, Guess everybody heard about the Lions club's "Talent Show Finds" but I'll tell you just in case. In addition to the eleven contestants they had eight extra attractions which were, in some cases, as good as the contestants. The Morehead City Baptist church choir sang two very good selections, "I Found Him in My Heart" and "Dust on the Prairie." Another good extra was little Curtis Guthrie from Broad Creek who sang, accompanied by Earl Lewis on the piano. Believe me, this boy will be another Eddie Arnold when he grows up! Captain Joe Rose was very much enjoyed as he played on his accordion, "Springtime in the Rockies," "I Shall Not Be Moved" and as an encore, "The Carnival Song." If anyone ever needs a good master of ceremonies just call on Mr. Joe Devonchik of WMBL. (Now for the contestants. I really believe the judges had a hard time deciding on the three winners but here are their decisions: 1st prize—Guy Smith, Jr., of Beaufort, who sang "Old Man River," just like Frankie too; 2nd prize—Ruth Webb Bailey of Morehead, who sang "Indian Love Call" and "Morning"; 3rd prize, Morehead City Girls Glee Club which sang "Will You Remember" and "O Divine Redeemer". In my opinion though, the Beaufort Glee Club was among the best talent there. For their first number they chose a song which, thanks to Frankie, has become a great hit, "You'll Never Walk Alone." In it Guy, Jr. sang a solo and, gracious land, can't that boy sing. For their second number they sang "Begin the Beguine" and a couple dressed in Spanish costume danced. This was about the best amateur talent I've ever seen. I certainly hope the Lions club can sponsor another contest next year.

This is, as you all expect, a very busy time around the high school. Senior exams were yesterday and today and underclassmen will have theirs tomorrow and Thursday.

Thursday at 11:00 the eighth grade students will have their commencement exercises and at 8:00 the seniors will graduate. Friday at 1:00 everyone must return to school for their report card and to be told the good or bad news (as the case might be) about passing your grade.

## Chauffeurs Must Renew Licenses By June 30

The Motor Vehicle department announced today that all chauffeurs' licenses, and the law states that these licenses must be renewed by midnight of June 30.

The 100 drivers license examiners stationed throughout North Carolina have already been mailed the 1948-49 chauffeurs' application blanks, and can begin issuing chauffeur renewals anytime.

The department urges chauffeurs to get their renewals as early as possible, preferably during the remainder of May. June 30 is also the deadline for persons with surnames beginning with C and D to have their regular driving licenses renewed, and an unprecedented rush is expected to ensue near the end of June. It is estimated there are around 150,000 C and D drivers in the state, and so far only around 46,000 have obtained new licenses.

## Chamber of Commerce Project Aids 4-H Boys

COLLEGE STATION, Raleigh—A 4-H Club sweet potato project sponsored by the Henderson Chamber of Commerce in Vance county last year is proving beneficial for the 4-H boys and adult farmers alike, reports Hugh D. Barden, assistant county agent for the State College Extension service.

Boys cooperating in the project grew a potato crop from certified plants furnished by the Chamber of Commerce. This spring they bedded 135 bushels of potatoes, and they are now distributing plants to farmers of the county through the supply merchants of Henderson.

Boys who are selling plants are receiving a return of about \$7 per bushel on their potatoes. Farmers are glad to get plants which have been treated properly for disease and they don't object to a little higher price for a superior product.

The seed potatoes from which the plants were grown were graded for size and condition, and treated for disease.
