

# Morehead Sweeps Two, Leads League; Marshallberg Drops Two to Beaufort

## Morehead on Top 9-7, 9-8; 7-Run Ninth Inning Wins Sunday's Game

Morehead City took ends of a two-game series with Swansboro over the weekend to climb over their vanquished foes and claim undisputed title to first place in the Tidewater League. Morehead took Saturday's game at Swansboro by a 9-7 count, and then returned home to win, 9-8, in Sunday's encounter. In both cases the victors had to come from behind in the late innings to win.

In Saturday's game, Morehead City tallied three times in the ninth inning to eliminate a 7-6 disadvantage and to put the game on ice for the visitors.

Jim Piner started on the mound for Morehead, but was replaced by Morton and later Jim Webb, who got credit for the win. Jones went all the way for Swansboro and was charged with the loss.

Smith, Gardner, and Freeman led Morehead's offensive, each collecting two hits for five at bats. Cobb of Swansboro had a three-for-four record at the plate.

Sunday's game was something one sees in the movies only. For eight innings, pitcher Bob McNeill had the Morehead batters stymied. Going into the ninth frame, Swansboro was leading, 8-1.

Then, bingo! Morehead rallied and pushed seven runs across in the last half of the ninth inning. Webb then won his own ball game with a base knock into centerfield. Webb, in earning credit for the victory, came within one whiff of tying his own Tidewater League record of 17 strike outs.

For Swansboro, Holt was charged with the loss. Seven walks by

ing merrily along for eight innings, allowing but two hits and one run, which was unearned. It was scored on an infield error and a triple by Stoy. In the meantime, Swansboro, aided by a shakey Morehead defense, pecked away at pitcher Jim Webb for eight runs.

In the ninth, after Gardner grounded out, Beane struck out but reached first when the catcher dropped the ball. Sadler and Smith singled to bring in one run and to put runners on first and second. At this point, manager "Pappy" Diem took over the pitching chores.

Diem walked pinch-hitter Malfus, and Balazzo was sent in to run for Malfus. Cagle also walked, forcing in a run, and on a wild pick-off throw by catcher Stanley, Smith scored and the runners advanced.

Webb fanned for the second out of the inning, but before he did, Malfus scored and Cagle took third on a wild pitch by Diem.

With the score 8-5, Diem proceeded to give free passes to both Stillway and Stoy, loading the sacks. Diem then retired in favor of Bill Holt, who came in from his shortstop position to pitch.

Gardner greeted Holt with a long double into left-centerfield, clearing the bases and knotting the score at 8-8. Beane then hit back to the mound to end the inning.

A single by Tinney, sandwiched in between walks to Smith and Cagle, filled the bases for Morehead City in the tenth session. Webb then won his own ball game with a base knock into centerfield.

Webb, in earning credit for the victory, came within one whiff of tying his own Tidewater League record of 17 strike outs.

## Tenney Honored At Club Dinner

The Morehead City baseball team, now in first place in Tidewater League, sponsored a chicken dinner Saturday night at the Blue Ribbon Club to honor "Moose" Tenney, retiring manager of the club.

There were 17 present at the dinner, 14 of whom were players on the team. The other three were Leroy Guthrie, Wade Bell, president of the club, and Tenney.

Tenney stepped down in favor of a younger manager, Jack Gardner, who also plays in the outfield for Morehead City. Tenney will continue his present duties as keeper of the grounds and equipment and as coach of the team.

The three pitchers in the last three innings of the game plus eight Swansboro errors contributed in no small measure to Swansboro's downfall.

## Beaufort Smashes Out 14-5, 5-2 Victories Over Opponent

Beaufort won twice from Marshallberg over the weekend to take its second and third consecutive victories. Saturday's contest at Marshallberg was won by a one-sided 14-5 score and Sunday's tussle at Beaufort was a 5-2 affair.

Ricks started for Beaufort Sunday and went all the way for the win. He gave up just four hits, while the Beaufort offense pounded away for nine safeties. Three errors were made by Beaufort and one by Marshallberg.

Saturday's game was a wierd affair. Marshallberg started things off in the first inning with two runs. This was made possible on a single by Billy Davis, a sacrifice, a hit batsman, a single by John Harrell, and error by shortstop Jack Wallace.

Four consecutive singles by Ben Hester, Ray Hassell, Ben Hayes, and Tracy Hooper accounted for Beaufort's two runs in the top of the third.

Another Beaufort tally was added in the next inning on a hit batter, a sacrifice, and a base knock by pitcher West Taylor. This gave Beaufort a 3-2 edge.

Marshallberg managed to tie up the ball game again in the fifth. Successive singles by Myron Harris, John Willis, and Lester Babbit did the trick.

The sixth, seventh, and eighth frames saw Beaufort's bats boom for a total of 11 additional runs to put the game into a neat little package for Beaufort.

Bill Gillikin's single, a force out, and a base hit by Barney Dobbs put men on first and second for Beaufort in the sixth inning. Hooper then cleared the bases with a resounding double.

Three more Beaufort markers came in to count in the seventh. Ray Hassell reached second on an error by the second baseman and came in to score on a hit by Hayes, who took second when the left fielder bobbed the ball. Hayes scored on a single by Hooper, and Hooper himself came in when Gillikin and Dobbs came through with safeties.

The real crusher came in the eighth. Hooper's double, a force out, and a base hit by Barney Dobbs put men on first and second for Beaufort in the sixth inning. Hooper then cleared the bases with a resounding double.

## 12 Arrested For Dynamiting Fish

A crackdown on game and fish law violators has brought a total of 12 arrests for dynamiting fish, according to Clyde P. Patton, Executive Director of the N. C. Wildlife Resources Commission.

Nine Caldwell County residents were charged with dynamiting fish in the Johns River, and face prosecution in Caldwell County recorder's court. The Caldwell arrests followed an investigation by District Supervisor, H. L. Biggers, Morganton, and District Game Protector Clyde McClean, Raeford. Local farmers reported dead fish of various kinds and sizes floating down the stream.

Three Alleghany County residents were bound over to the September term of court on bonds of \$300 each for dynamiting fish, and five residents of that county paid \$97.00 in fines for hunting on Sunday after a crackdown by game protectors in that area. Officers participating in the Alleghany County roundup were Robert F. Logan, District Supervisor, and District Protectors, Dewitt Bryan, Walter Edmisten, and Roland Koontz.

## Couple In South Wales Loses Pioneering Spirit

SYDNEY, Australia (AP) — An abandoned hut in western New South Wales carried this unusual notice on its door for some years: "Twenty miles from a neighbor, 40 miles from a post office, 50 miles from a railway, 50 miles from a pub, 10 miles from wood and water, 1000 miles from a city. Whoever finds this farm can have it. We hope they will settle down and help pioneer the west. We could do it ourselves only the misus wants to see life. She has left for the city. So have I."

## Wrestling Matches Aren't Fixed, Merely Staged

NEWARK, N. J. — Here is a man who'll defend the manly art of wrestling to the end. He's Willie (The Beard) Gilzenberg, who divides his time between promoting wrestling and managing boxers.

"The public comes to see a show," avers Willie, "and we give it to them. The people in the audience don't take things seriously, so why should we?"

The Beard, who currently is guiding the destinies of former fighter Tony Galento in the wrestling business, claims the combatants never know who is to win any particular event.

Wait a second, now, and give Willie a chance to explain before you blow your top.

"The wrestlers are sent to various arenas by a central booking agency," he says. "They get post-cards with their week's work written in. The individual wrestler never knows his opponent until he meets him in the locker room, and then the pair is merely told to put on a good show by the equivalent of a stage director."

Willie says the wrestlers like to make the public happy because they work on a percentage of the gate. When they make repeat appearances the customers will return if their earlier shows have been up to snuff, says Willie.
