

Mill Creek and Wildwood Win With Late Rallies

Mill Creek came from behind an eight-run deficit in its slugfest with Beaufort Sunday at Mill Creek to salvage an 11-10 victory out of what at one time appeared to be a certain loss. Mill Creek stayed in second place as the league leader, Havelock, had its game with Marshallberg postponed.

G. Newkirk started for Mill Creek and was relieved by I. Culpepper and Calvin Hodges, who was ultimately credited with the victory. Frank Langdale started for Beaufort and went all the way to get charred with the loss.

L. Mann was the starting receiver for Mill Creek, but following Newkirk's abdication from the mound, Newkirk finished the game behind the plate. The catcher for Beaufort was J. Peters.

Beaufort outhit Mill Creek, 12 to 10, Icky Peterson and Langdale, both of Beaufort, were outstanding with 3-for-5 and 2-for-3 records, respectively.

Win Game in Ninth
 Wildwood, pushing a run across in the last half of the ninth inning to break a 4-4 tie, dumped Bogue for its fourth defeat of the season, in Salt Water League play, 5-4.

George Murdock started for the Wildwooders, but had to be relieved in the sixth inning after allowing four runs and five hits. Hal McCabe relieved Murdock and held Bogue to one hit, while his teammates went on to score four runs in the last three frames off Sewell.

McCabe won his own game by bunting out a lone double in the ninth, stealing third and coasting home on S. Bell's infield hit. E. Long added two singles in three trips to the plate to pace the Wildwood batters. LaCroix and Meadows were top men for Bogue.

Catching for Bogue was Redfern, while Tom Dick did Wildwood's receiving.

Harkers Island-Straits Is Defeated by Newport, 5-1, in League Tilt Saturday

In Saturday's Tidewater League tussle at Harkers Island, Newport defeated Harkers Island-Straits, 5-1.

W. Hill started for Newport and went all the way to earn credit for the victory. Moe Willis was the losers' starter, but gave way to Anderson in the third. Willis was charged with the loss. Goskill, relieved by Davis in the third, did the catching for the home team, while Joe Lashley did Newport's receiving.

Newport scored three of its five runs in the third frame. The visitors blasted the two opposing moundsmen for a total of 14 hits, while Hill kept Harkers Island-Straits at bay with only four safeties.

Joe Hill, batting in the cleanup spot for Newport, had three hits in five times at bat. Neil Garner had 2-for-2. Gerry Merrill batted 2-for-4, and Harry Lockett and June Haskett each had 2-for-5.

Dave Yeomans, with 2 bingles in four trips to the plate, accounted for half of the losers' hits.

Time Marches On... High School Footballers of 1931

Here they are, the boys of 17 years ago who made a record as a football team that still stands today unexcelled by any other team of Morehead City High school.

Under the coaching of Andy Hewlett, a former coach of Davidson college, this football team established a record in 1931 of winning all of the ten games played that season. This is a record that had never been attained up to that time nor has it since been equalled by a team of the local school.

Only 37 points were made by the opponents of this team over the entire season. Starting the season with a lot of new recruits, Coach Hewlett whipped them into shape as a record-breaking team. These boys, many of whom are upright citizens of the city, cherish the memory of the sportsmanship instilled in them by Coach Hewlett.

SPORT SLANTS

An interesting letter was received from a regular reader of the News-Times by the editor this week, but because of the contents of the communication it was turned over to the sports department. The writer of the letter is Rex Bruton, agent of the Seaboard Air-Line Railroad company, writing from Colon, N. C. Mr. Bruton has expressed enough interest in the sports page to send us, enclosed with his letter, a clipping of an article by Kyle Cox in the Sanford Herald of June 17. The enclosed article, which is about Clarence Salter, we will quote later. His letter reads:

"My friend Lewis Icenhour, general manager of the Sanford Brick and Tile Company with plants here in Colon, owns the Sanford Spinners of the Tobacco League and recently bought a young lefty named Morton from Morehead, but am sorry to say his last two starts ended in disaster although he was credited with a win on his first assignment but was relieved in the fifth on account of wildness. Your new manager, Jack Gard-

MC Sailing Club Will Hold 91st Annual Regatta

Sponsored by the Morehead City Sailing Club, the 91st annual Fourth of July races held in this area will be presented on Sunday, July 4. At least five and possibly six classes will compete for the prizes to be offered by the sailing club.

Commodore D. G. Bell, in charge of the race events, has stated that the classes to compete will include comets, dead rise skiffs, 16-foot class, a handicap, small 12 to 14 footers entered by Pat Crawford's Camp Morehead, and possibly a fleet of lightnings from Cherry Point.

Following the Fourth of July races there will be regular Sunday races each week throughout the summer with a grand finale on Labor Day.

Two outstanding racers of former years who will not enter the Fourth of July classes this year will be Virginia (Sammy) Pou, Raleigh, and Sandy McClamrock, Chapel Hill. Both of these young sailboat enthusiasts have summer work away from the coast this season.

Veteran sailboat racer, Capt. Gibbie Willis, plans to enter the event and he claims that it will be his 55th Fourth of July race in local waters. Captain Willis says that he has won so many races that he failed to keep account of them all. He has a number of trophies. "But I have lost far more races than I have won," says the veteran of small craft racing here.

Fourth of July races have been held in Morehead City area since 1857. That was the year that John M. Morehead founded the land development on Sheppard's Place in Carteret county which was to become a city bearing his name. Each Fourth of July since 1857 races have been held here and this year will be the 91st event held on that date.

WASHINGTON—(AP)—Since the U. S. Bureau of reclamation was established in 1902 it has constructed more than 100 dams. The Tennessee Valley Authority has constructed 26 dams across the Tennessee River and its tributaries.

One of Burgundy's most famous vineyards dates back to and is named after the Emperor Charlemagne who lived toward the end of the seventh century.

The newspaper clipping that Mr. Bruton sends us is an article on Clarence Salter, of Morehead City, who is now going great guns with the Sanford Spinners as a pitcher. "20-year-old Salter, through Tuesday night (June 15), has contributed eight victories to the cause while suffering only three defeats which places him third among Sanford's pitchers and high among the league's best. In 78 innings of pitching, Clarence has given up 67 hits for an average of 7.7 bingles per game which is the best percentage of any Spinner twirler. He has yielded 42 runs thus far."

After receiving his education at Smyrna high school, Salter joined the Merchant Marine and later the U. S. Navy. Following his return to Morehead City, he was signed up by the class D Spinners, where he has since made his mark as a right-handed star. Cox describes Salter as the "rookie surprise" of the league. Clarence says he enjoys playing ball for the Spinners and likes the town and its people very much. All we can say is "good luck!"
