#### German Horses, Greyhounds Laugh at Housing Shortage

MUNICH, Germany-(AP) - A peddler's horse as tenant in a villa here was discovered during a recent census of available housing and mother, Mrs. Charles Willis, of Marshallberg, visited relatives here

City housing officials, checking through the records, found that a 10 horse-owner had registered his mare as tenant of one room in a bomb-damaged villa. A spot check confirmed that the horse occupied one large room, next door to that of his holder, on the first floor of the damaged house. The room, however, had been converted into

Another registration showed an elderly woman shared her smail room and kitchenette with 15 big
