

Marshallberg Absorbs Loss In Salt Water Tilt

In a Salt Water League battle at Beaufort over the weekend, Beaufort, behind the six-hit hurling of Jimmy Piner, bounded back into the win column, defeating Marshallberg, 3-1. It was Marshallberg's first league loss.

Piner, going the route, was never in trouble and whiffed a total of 13 batters.

Beaufort won the ball game in the first inning, scoring three markers on hits by Lynch, Langdale, and L. Gillikin and a long fly ball by Fodrie.

Marshallberg picked up their lone tally in the sixth, when L. Davis doubled and coasted home on third baseman Gillikin's wild throw over first.

Lynch, Langdale and Gillikin, each with 1-for-3, led Beaufort, as J. Lewis, D. Arthur, and George topped Marshallberg, each with a single.

The score by innings:

	R.	H.	E.
Marsh'berg	000	001	000-1 6 2
Beaufort	300	000	00x-3 5 3

Wildwood Trips Havelock
Charles Stuart, pitching three-hit ball, led Wildwood to a 4-2 upset victory over the Havelock Wolves in a seven-inning tilt on the Wildwood diamond.

Stuart, coasting on a 2-1 first-inning advantage, bore down in the clutches, fanning 10 Havelock batters to gain his first victory of the season against one loss.

Carden's slants proved effective on the Wildwood batters, but his live gratis trips to first led to his downfall as three of them turned into runs.

Robinson, with 2-for-3, led Havelock, while A. Murdoch, Tom Dick, R. Davis, and Currier had singles for Wildwood.

The score by innings:

	R.	H.	E.
Havelock	100	100	0-2 3 2
Wildwood	200	011	x-4 5 3

Fourteen of the 62 touchdowns in Miami's 14-game Orange Bowl series have been scored on plays covering 50 yards or more.

Four Combines Tied for First In Softball League

The Carteret County Softball League was thrown into a jumble Wednesday afternoon after two of the teams which had been previously undefeated lost their games. Of the six teams entered in the league, four are tied with won 2, lost 1 records.

The Tide Water Power company topped the Morehead City Jaycees, 10-9, in Beaufort to ruin the Jaycees' perfect record. The game took nine innings to complete, which was overtime since regulation time for league games is seven frames.

John Bunn and Sam Guthrie pitched for the losers and Geer caught. The battery for Tide Water was Dugan and Burns. Webb homered and Leary tripped for the Jaycees, but all to no avail.

The Morehead City Lions Club, previously undefeated, lost a 10-9 decision to M. C. T. I. at Wade Brothers ball park.

The Morehead City Fire Department won its first game of the season by topping the Beaufort Oddfellows, 4-3, at the section base diamond. Hensen tossed for the firemen and Peterson did the hurling for the Oddfellows.

On Friday, the Tide Water Power company played off its 9-9 tied game with the Beaufort Oddfellows, Tide Water winning, 14-9, after playing an additional five innings by mutual agreement.

The Fire Department and the Oddfellows will meet in an exhibition game Monday at the Beaufort park.

inson declared, "and let China go down in the Soviet bloc, how long do you think, India, the Philip- pines, Malaya, and the rest of Asia will survive?"

He called the Jaycees' attention to the economic opportunities awaiting American capital in China - if Chiang Kai Shek continues in power.

Following Mr. Wilkinson's address, Claud Wheatly, president, appointed the following men to arrange for future programs: John Haynes, chairman, who will serve three months, Lawrence Rudder, who will serve two months, and Odell Merrill who will serve one month.

After discussing the suggestion to establish a Jaycee group to investigate solicitations, Osborne Davis was appointed chairman of a committee to further consider the move. On this committee are J. O. Barbour and James Potter.

union membership.
In part the papers on the file at the Plymouth court house allege:

"That in the course of perpetration of the aforesaid plans and conspiracy of the defendants, the following incidents and acts have taken place:

"A. That about 2 o'clock p.m. on Thursday, July 29, 1948, the defendant, Glenn Rose, approached the plaintiff on the job and said, 'Get your damn tools and get the hell out of here right now.' Upon the plaintiff's reply, 'What's the matter?' the defendant, Glenn Rose answered, 'You know what's the matter as well as I do. Now get the hell out of here. I've already got your check made out.' Then the plaintiff replied, 'Give me some explanation of why you are firing me.' Whereupon the defendant, Glenn Rose

said, 'You know well why I fired you. You've been trying to organize labor to my back every since you've been here.' Then the plaintiff went to the adjacent Southern Felt Corporation plant where he met the defendant, Ed Parker, who said to the plaintiff, 'Get your clothes and stools and get the hell out of here right now.' To which the plaintiff replied, 'What's the matter?' The defendant, Ed Parker, then said, 'You've been agitating union ever since you've been here.' The plaintiff then said, 'In other words, you are firing me for trying to organize labor.' The defendant, Ed Parker, answered, 'That's correct. Now get the hell out of here.' That Early Taylor, welder, James Cuthrell, machinist and Edward Earl Willis, machinist's helper, employees of the said defendant corporation were at or about the same time accessed in the same manner by defendants, Rose and Parker; defendant Parker telling James Cuthrell that there was a plan to tar and feather the plaintiff.

"B. That on the night of July 30 about 2:30 o'clock a man whose name is unknown to the plaintiff in the course of carrying out the aforesaid conspiracy and plan of the defendant, came to Holton's trailer camp adjoining Morehead City, Carteret County, and deliberately set fire to and destroyed the plaintiff's 1938 model Chevrolet automobile. Said fire almost destroyed the plaintiff's trailer home, said destruction being prevented only by cooperative efforts of the plaintiff, his wife and neighbors. That defendant C. G. Holland, sheriff, was requested by the plaintiff to investigate the matter and protect the plaintiff, his property and family but refused to do so and threatened to put the plaintiff in jail all for no good reason.

"C. (allegation) That defendants, Rose and Parker, came out to the trailer camp where the plaintiff lived on July 31 at 7:15 p. m. and gave the plaintiff an ultimatum to get out of Carteret County by 10 o'clock. They also told Early Taylor that if he did not get straightened out and leave unions alone they would see to it that his parole was revoked and that he would go to jail and that the sheriff is with us." They told James Cuthrell who was present that if he had a car and trailer he "had better get

out of town," and that the plaintiff would be tarred and feathered and there would be plenty of trouble.

"D. (allegation) 11:30 p.m. July 31, a cavalcade of cars containing a large number of men came to the trailer camp and inquired of a Mr. Harris who had a trailer adjacent to the plaintiff's trailer, asking him where the plaintiff could be found and he told them that the plaintiff was gone and then the said defendants knocked holes in the doors of the plaintiff's trailer home and created a disturbance until about 2:30 a.m."

Papers in the case were served on Sheriff Holland by Coroner Howard Lewis, the only official eligible to serve papers on a sheriff. Not all the defendants had been served up to midnight last night.

An attempt by THE NEWS-TIMES to secure a statement from an official of the Madix plant were unsuccessful. Office Manager J. A. Chalk stated that both Mr. Brewen and Mr. Carlton are out of town. George McNeill, attorney for the corporation, said he had no statement to make.

Grady Ward Price was said by Coroner Cahoon to be living now with his family in Plymouth, having fled Carteret County.

The football changed hands six times in eight plays in the fading moments of the 1944 Texas A&M F.S.U. Orange Bowl game.
