NOTICE Notice is hereby given that the Commissioner of Customs Treasury Department, has issued an order on August 17, 1948 authorizing that the name of the gas screw "SFA YARN" official number 253458, owned by Otis Purifoy of which Beaufort, N. C. is the home port, to be changed to "DOLPHIN." OLIVE LONGEST, 41 A31 S3-7-10 Deputy Collector

RESOLUTION Captain Henry Davis Goodwin, at the age of seventy-six, died at the Morehead City Hospital about 7:30 Saturday evening, July 24, 1948.

Coming to live in Morehead City in 1911 he shortly thereafter united with The First Methodist Church, with which he continued his membership uninterruptedly until the time of his death. His interest in the church was made manifest from the very beginning of his association, and while his official duties in the capacity of

"Keeper of the Station" (he was boatswain in the U. S. Coast Guard Service) kept him away from home most of the time, he never lost contact with or interest in his church. After his retirement from the Coast Guard in 1931 he was made a member of the Board of Stewards, on which board he continued to serve until removed by death.

Captain Henry (he was affectionately so known to all of his friends) served for many years as Sunday School Treasurer, also as treasurer and dispenser of the so-called Poor Fund of the church, was a member of the Board of Trustees for a long time, and headed several important church committees. He was the third to receive the Sunday School award for outstanding and distinguished service in the school after the practice was adopted by the school nine years ago on the occasion of the founding of Chas. S. Wallace Day. There was no task given him in the interest of his church and Sunday School that he did not perform with efficiency and cheerfulness, so much so that "Captain Henry will take care of that" became almost a byword in the official family. While he loved and was loyal to his church and all of its departments, he liked to feel over and above all things else, that he was a lover of the Lord and that in promoting the interest of the church he was advancing the cause of God's Kingdom on earth.

Moreover, Captain Henry was a public-spirited citizen, always interested in the community welfare, and ever ready to do his part in every worth-while undertaking. Whether as a private citizen or acting in some official capacity (and he served in several for both city and county) he is known always to have placed duty above every other consideration. And now, therefore, be it

Resolved: that the Board of Stewards of The First Methodist Church of Morehead City record with profoundest sorrow the death of the late Henry Davis Goodwin; that it is the sense of the board that in his passing, both this board and the church have lost one of their most valuable and faithful members, whose faith and works ever will be a comfort and inspiration to those who were privileged to know and labor with him; that the sympathies of the church as a whole, expressed through this official body, be extended the widow and children of our deceased Brother; and be it further

Resolved: that these resolutions be made of permanent record in the Minutes of the Board, that a copy be furnished the family of deceased, and that copies be furnished the local paper and North Carolina Christian Advocate for publication.

Unanimously adopted at this regular meeting of the board on this 2nd day of August, 1948, at the board's regular meeting place.

Geo. R. Wallace, Chmn. C. N. Bennett, Sect'y.

RESOLUTION On the 21st day of April, 1948 at 4:15 in the afternoon Brother Ennis Richard Swindell died. He was a loyal and devoted member of The First Methodist Church serving as local preacher and a faithful and influential member of its Board of Stewards. He was an outstanding citizen of the community, always giving his influence to the side of moral worth and rectitude, and delighting in the growth and development of every righteous cause. Wherefore be it Resolved: That it is the sense of the Board of Stewards of The First Methodist Church of Morehead City that in the passing of Brother Swindell the board has lost a valued member and the Church one of its most loyal sons; that the memory of his life among us will be an inspiration for more consecrated service. And be it further:

Resolved: That the sympathies of this board be extended the widow and children of our departed brother, and that a copy of these resolutions be furnished them for their information.

And be it further: Resolved: That a copy of these resolutions be furnished the North Carolina Christian Advocate for publication, and that a copy be made a part of permanent record in the minutes of this board.

The foregoing resolutions were unanimously adopted by the Board of Stewards, Monday night, August 2nd, 1948.

C. N. Bennett, Secretary of Board

Recreational Center Opens Again to Adults

Mrs. Harold Sampson, director of the Carteret County Recreational center, Shepard street, announced today that the center is open again for adult civic organization meetings, parties, and other similar events. Mrs. Sampson returned Monday night with her family from a three-week vacation in Maine.

Morehead City Lions club will meet there tonight and the officers of Morehead City Chamber of Commerce will lunch at the center Tuesday noon. Rotarians held their meeting there last night.

Teen-Age activities will be resumed again as soon as school opens, Mrs. Sampson said, and will continue all winter.

Auto Dealer Urges Safety On Roads Over Labor Day

Motorists who are planning trips in their cars over the forthcoming Labor Day week-end are urged to observe safe driving practices by H. D. Paul, owner of Paul Motor Co., Dodge dealership of Beaufort. Mr. Paul is co-operating with Dodge dealers nationally to help reduce the tremendous toll of highway fatalities and prevent a recurrence of the alarming number of deaths and accidents such as occurred during the Fourth of July week-end.

"A recent survey conducted by the International Association of Police Chiefs in the United States and Canada revealed that one car in every three that were examined had one or more mechanical de-

fects that were hazardous to safety," Mr. Paul said. "A large percentage of our highway accidents are caused by mechanical defects and by lack of observance of traffic regulations and safe driving habits."
