Bell and wife, Jessie Fulford Bell, will take notice that an action entitled as above has been commenced in the Superior Court of Carteret County, North Carolina, against them by the plaintiffs to remove cloud on the title of the plaintiff in and to the hereinafter described premises; that a summons and complaint have been filed herein; said tract of land being described, as follows:

Beginning at N. P. Bell's north-east corner in Broad Creek, runs thence South 60.00 West, 333 feet along N. P. Bell's north line to N. P. Bell's northwest corner, it being also a corner in the line of T. S. Dixon; thence North 32.00 West, 1617 feet to a point; thence North 82.00 East to C. M. Sharpe's (now Tim Taylor) northwest corner; thence South 32.00 East, along C. M. Sharpe's (now Tim Taylor) line to N. P. Bell's northeast corner, the point of beginning; known as part of the Sol Bell land and containing 13 acres, more or less; being the same tract of land conveyed by Grady J. Bell to Aaron P. Bell by deed dated March 22, 1913, and recorded April 24, 1918, in Book 24, page 283, in the Office of the Register of Deeds of Carteret County, N. C., and by C. G. Holland, Sheriff of Carteret County, to T. S. Dixon by deed recorded November 28, 1944, in Book 82, page 492. Office of the Register of Deeds of Carteret County, N. C.; said deeds being made a part hereof in like manner as though set out herein. The basis of said action is that the plaintiff claims to be the owner of said land under deed from C. G. And let the defendants take notice that they are required to appear and plead to said summons and complaint in the Office of the Clerk Superior Court of Carteret County, in Beaufort, N. C., on or before the 17th day of November, 1948, or suffer the relief prayed for to be granted. This 24th day of September, 1948. ARNECIA V. WILEY, Asst. Clerk Superior Court 4t S28 05-12-19

ROCKFORD, ILL. — (AP) — Oscar Ekogsberg was driving a truck down Charles Street. A cat leaped up on his shoulder. The truck veered at the left side of the street, collided with an automobile and slanted off into a parked car. Skogsberg turned his eyes on the cat in a high velocity look of disgust. Sure enough. It was black.

Confusion Played The Lead Tuesday

Crowded Conditions Exist In Schools Throughout County
The confusion that reigned with the opening of school Tuesday had quieted somewhat by Wednesday. One word best describes the condition that exists in most of the schools in the county: crowded. Beaufort received an extra influx of pupils from Bettie, and several from other downeast communities while other schools received pupils that ordinarily would have attended White Oak school. Primary grades, especially, are crowded, with some teachers having more than 40 pupils. Members of the Beaufort and Morehead City school faculties appear below. Names of members of teaching staffs at other county schools will appear in a subsequent issue. Beaufort school — T. G. Leary, principal. Miss Lena Duncan, history and Latin; Miss Betty Hedrick, English, French; Mrs. Grace Podrie, math and science; Miss Gladys Chadwick, math and English; Mrs. David Beveridge, home economics; Thomas McQuaid, math, civics, coach; Mrs. Annie C.
