

The Camp Glenn Methodist church will serve barbecue and turkey dinners today and tomorrow, beginning at 12 noon and running through supper each day. Proceeds will go on the building fund of the church. The public is invited.

Town Board

(continued from page one)

Teacher association except to set up a recreation commission which could provide a recreation program for children, he explained. The board agreed that his proposal was a good one and decided to consider the plan for a month. At their next meeting a three-man recreation commission will be appointed, they said to set up a program for both the white and Negro schools.

Auditors Appear

Two auditors, Frank P. Wall and Albert Gaskill, were present to bid on auditing the city's books. Wall entered a bid of \$500 which includes both the city's books and those of the Morehead City hospital. Gaskill's bid was for work to be paid on a daily basis, not to exceed \$350 on the city's books and \$90 on the hospital's. Action on awarding the contract was withheld until a date closer to the time of the audit.

Space in Bayview cemetery is rapidly being sold and the group should begin considering another site for a future cemetery, Walter Lewis, who has charge of the burial grounds, reported. Lewis said very few lots were left and most of them were in low ground. Mr. Rhue who lives in the 1700 block of Fisher st. asked permission to connect with the city's sewer line which is being run in the 1800 block. He said two other residents in his block also wished to make connection. City Clerk Lashley was appointed to investigate and recommend connection, if feasible.

Eward Arendell, chairman of the fire department finance committee, asked reimbursement for money the department spent recently. Part of the reimbursement was to cover payments on the department's truck and for

Morehead Basketball Teams Whip Jacksonville, Vanceboro

Four victories, three of them by one-sided scores, were marked up to Morehead City's basketball teams Tuesday nights as the boys and girls teams combined to defeat teams from Jacksonville and Vanceboro.

Tuesday night the boys won 58-29 over Jacksonville and the girls staved off a last quarter rally to win 31-30. Things were easier Wednesday night as the boys won 53-37 and the girls won 42-31. Leslie Feagle starred in Tuesday's victory with 18 points, other scorers were Burge, Steed and Matthews, 8 each, Macy, 6, Bennett, 4, Willis' 3, and Woolard, 2. Warren was high for Jacksonville with 12.

The locals took an early lead and were never approached after the first minute. They led 15-2 at the first quarter, 29-8 at the half and 43-19 at the end of the third period.

Score by periods: Morehead City 15 14 14 15-58 Jacksonville 2 6 11 10-29 The girls game was much closer with each of them taking the lead and then losing it. Jacksonville had a 10-1 lead at the first quarter, led 16-11 at the half and led behind 29-23 at the end of the third period. The visitors made a final attempt in the final period but failed to tie the score into an overtime period by one point.

sending firemen to the school in Charlotte. The board agreed to make what money was needed available.

Hospital Request

A request was received from A. B. Roberts, chairman of the Morehead City hospital trustees, asking that the city set aside five percent of the money in its general fund for use by the hospital. Attorney McNeill stated that the law had already provided that this be done so there was no necessity for the board to take any action. New officers in the Morehead City Fire department were approved by the board. The officers are Vernon C. Guthrie, chief, Grady Bell, assistant chief, James Griffin, captain, John Parker, lieutenant, Vincent Lawrence, secretary, and Earl Freeman, treasurer.

Work on the board's new meeting room is near completion. Rubber tile has been laid, the walls, ceiling, woodwork and fixtures painted and plans have been approved to have venetian blinds and draperies made for the windows.

Before adjourning, the commissioners declared that the room should be reserved for the "exclusive use" of the board and not for any other purpose.

Students of MCTI Hear L. A. Tilley in Chapel

The Rev. L. A. Tilley, pastor of the First Methodist church, Morehead City, spoke at chapel, Morehead City Technical Institute, yesterday morning. His subject was "The Average Man". Mr. Tilley was introduced by James I. Mason, director of the institute.

Willis with 15, Bell with 12 and Leary with four did all of Morehead City's scoring. Forrest had 18 for Jacksonville and was high for both teams.

Score by periods: Morehead City 1 10 18 2-31 Jacksonville 10 6 7 7-30

Wednesday night saw the boys take an early lead and remain ahead for the rest of the game. Morehead City led 8-2 at the first quarter, 15-8 at the half and 33-23 when the third quarter ended.

Feagle again led the locals scoring with 16 and second high for the night went to Whitford of Vanceboro who made 14. Other local scorers were Burge, 10, Macy 9, Matthews, and Steed, 8 each, and Woolard 2.

Morehead City 8 7 18 20-53 Vanceboro 2 6 15 14-37

Patty Bell topped the girls in their scoring with 19 points and Forrest of Vanceboro came second with 18. Willis with 11, Leary with 10 and Webb with 3 completed Morehead City's scoring.

Score by periods: Morehead City 7 12 11 12-42 Vanceboro 10 5 9 7-31

Morehead City and Beaufort will meet tonight at 7:30 in the Beaufort gym. Usually games between these two intense rivals are always interesting to watch and a large crowd is expected to turn out for tonight's events.

Game of the Year Tonight As Twin-City Teams Meet

A basketball highlight of the new year will be spotlighted tonight at 7:30 in Beaufort high school gymnasium when Beaufort and Morehead City will meet in a double header basketball game.

The two teams split a previous twin bill Dec. 18 when Morehead City boys won, 38-16, and Beaufort girls won, 35-12. Pre-game predictions for tonight favor the same winners of December.

Gametime is 7:30 for the girls' game, with the boys' game immediately following. Admission is 25 cents for school children and 50 cents for adults.

All-Stars Stomp MCTI Tomcats

Morehead City's All-Star basketball team proved its mettle Monday night as it toyed with the Morehead City Technical Institute Tomcats to the score of 59-19.

The All-Stars took an early lead and coasted the rest of the way. Roma Styron, high scorer for the game, was also three points better than the entire MCTI aggregation, dropping 22 points for the evening. Kemp Guthrie and Arthur Lewis also starred for the All-Stars.

Captain Lawrence Brown led the MCTI Tomcats in their attempt at snatching victory from defeat. He was assisted by Bill Davis, Don Lowery and John Parker but their efforts were just not enough.

Modern pins made of fire were first produced in France and Germany.

She will remain on the air for reception for a few minutes in case any of the fishing boats want to call back for conformation or for further information.

A discussion of the work of the Albatross preceded and followed Mr. Buller's talk. Capt. Roland Styron of Oriental acted as chief spokesman for the fishing group in the Lookout-Hatteras area, and William Wells and Lewis Hardee acted as spokesmen for the fishermen of the Southport area. These three gentlemen assisted in laying out the critical territories which they felt would be to the fisherman's greatest interest for exploration. Random trawl hauls will be made in these areas and more extensive and systematic coverage will follow.

Fishermen

(Continued from page one)

their fishermen and coastal inhabitants to be on the look out for drift bottles and cards and send them in promptly when they find them. He requested that the trawler skippers and net operators be told that, if they found drift bottles floating or caught in surface nets, to get the number from the card, release the bottles for further drifting and report the location at which it had been sighted. A double reward in this case was promised.

On its cruise to North Carolina waters, the Albatross threw out about 700 drift bottles and drift cards. Mr. Bumpus explained that this was one of the most practical means of gaining knowledge on the currents of the sea. He also told his audience that on Saturday six of the drift bottles thrown over by the Albatross had been picked up in the Shackleford banks region. These bottles had traveled five miles in 24 hours.

Broadcast Scheduled

Mr. Buller informed the group that daily at 2 o'clock the Albatross will broadcast to the fishermen her location, the type of bottom worked in and the findings.

WE APPRECIATE WORDS OF PRAISE We like to serve people individually and in groups—serve them the best of food, the way they like it served. And, being very human, the following letter makes us want to do even better:

JUNIOR WOMAN'S CLUB OF MOREHEAD CITY January 12, 1950 DEAR FOLKS: Thanks a million for a wonderful party! Everything was perfect, just as I knew it would be. I'm always a satisfied customer, because the food is always delicious, but it was even better than usual last night. And everyone was so nice to us! I know all the girls enjoyed it as much as I did. Being hostess, I was awfully anxious for things to be just right, and they couldn't have been nicer. It was the best dinner meeting we've had, in my opinion. I want you all to know that I appreciate everything that each of you did to make our dinner the success that it was. Thanks again! Sincerely, Virginia Webb Puritoy. P. S. — Ray Cummings' wife said she'd be sure to tell "Uncle Ray" to give you a big boost on his radio program. I told her to be sure and tell him how extra-special nice you ALWAYS are to us.
