CARTERET

COOL

Industry's

This aerial view shows the huge Morehead City Port nearing completion. Giant ocean vessels dock at this port, and cargo going to and from all parts of the world is brought here. Photo by Jerry Schumacher

As a Place to Live

CARTERET COUNTY CANNOT BE EXCELLED. COOL OCEAN BREEZES, BEAUTIFUL BEACHES, AND AN ABUNDANCE OF FISH AND GAME ATTRACT THOUSANDS OF SPORTS LOVERS AND VACATIONERS EACH YEAR. WINTERS ARE MILD, AND SNOW AND ICE ARE RARE.

FARMERS PROSPER IN CARTERET COUNTY, FOR THE SOIL PRODUCES A WIDE VARIETY OF CROPS AND IS SUITABLE FOR PRACTICALLY ALL TYPES OF FARMING.

Menhaden fishing is still Carteret's major industry. A nearby Fiver's island which is the site of the famed United States Biological Laboratory.

In season more than 60 large boats seine the seas for Menhaden in scores of products from soap to tungsten light bulbs. The United States.
