

Korean Marine Commander Visits Cherry Point Today

Major General Shin Hyan Zoon, commander of the Korean Marine corps, arrived at the Marine Corps Air station, Cherry Point, this morning, enroute to an inspection of Marine corps troops and facilities at Camp Lejeune.

Han of the ROK Marine corps, were greeted at the air station by Maj. Gen. Henry D. Linscott, commanding general of Marine barracks, Camp Lejeune, and Brig. Gen. William G. Manley, commanding general of Marine Corps Air station, upon their arrival.

Spaghetti is not made from flour but from a coarser grind of wheat.

County to Elect PMA Committee

An election to choose Production Marketing administration farmer committeemen will be held in Carteret county on Dec. 17.

Polls will be open from 9 a.m. to 6 p.m.

The announcement comes from B. J. May, secretary of the Carteret county PMA committee. He says that elections are being held in each of the 1400 farm communities in the state and that any farmer who is participating in any program administered by the county PMA committee is eligible to vote. This means that any owner, operator, tenant or sharecropper of a farm participating in the "agricultural conservation, price support, crop insurance, or sugar program" is eligible.

Farmers living in the various communities may vote at one of the following places: James Young store, Stella; Community building, Pelletier; Joe Taylor store, Bogue; Quinn store, Nine Foot road, Newport; Roy Garner's Feed store, Newport; Lee Murdoch store, Wildwood; Crab Point grocery, Crab Point; C. G. Gaskill's store, Beaufort; Lionel N. Conner's store, Harlowe; postoffice, Merrimon, and Cleve Gillikin's store, Bettie.

Persons who are in doubt as to whether they are eligible to vote should see a member of the county PMA committee or call at the county PMA office in the postoffice building in Beaufort.

The duties of the men who serve as county committeemen have been outlined by May. They include assisting the county committeemen in determining acreage allotments, goals, normal yields, and other agricultural facts required for farms in the county, inform farmers concerning the purposes and provisions of programs being administered in the county through the association, assist in arranging for and conducting the necessary community meetings of members of the association and perform such other duties as shall be assigned to them by the county committee or the Production and Marketing administration.

May stresses that this is a chance for farmers in this county to help select committeemen who have a great deal to do with defense production on the farm. He points out that the committeemen are in key positions in the defense effort in agriculture. He urges all farmers eligible to vote in order to insure that the best possible men be chosen.

Holiday Air Is Evident In Beaufort These Days

Christmas tree lights are twinkling merrily in the town of Beaufort these nights.

The lights and other decorations are paid for by the merchants committee of the Chamber of Commerce.

The work in putting up the lights and decorations was done by members of the fire department.

The Santa Claus appearance around the police department building is also very noticeable recently. A small Christmas tree, donated by Jim Rumley has been put up by police department members and brightly-colored lights are ablaze at night around the front of the little building. The lights were donated by the merchants.

Tanker to Arrive

The Esso tanker "Manhattan" from Baytown, Tex., is scheduled to arrive in Morehead City on Dec. 15 with a cargo of gasoline.
