

### Dixon Quintet Beats Atlantic

Dixon rolled to an easy 62-42 win over Atlantic Tuesday night in a Seashore conference game at Dixon. The Dixon girls won 47-42. Skip Smith scored 28 points to lead Dixon to its victory over the Pirates, and Don Willis, with 20 points, was leading scorer for Atlantic. Atlantic's Buddy Willis, who scored 18 points, was second high for the Pirates. McCree scored 13 for Dixon and James scored 11.

Dixon showed signs of running away with the game right from the beginning. The home team outscored Atlantic 12-5 in the opening quarter. The Pirates came back in the second period to draw within four points of a tie, but Dixon increased its lead in the last two periods.

Dixon's Sandlin scored 24 points to take scoring honors in the girls' game. Helen Williamson, with 19 points, was high scorer for Atlantic.

Atlantic outscored Dixon during the second half but could not overcome the lead which the home team had picked up during the first half.

Atlantic will play at Smyrna tonight in a Seashore conference game.

### Willis' Last-Second Basket Gives Eagles 70-69 Victory

Center Jerry T. Willis hit for a field goal with 33 seconds left in the game to give the Morehead City Eagles a 70-69 win over Richlands Tuesday night at the high school gym. Willis' basket came seconds after his foul shot had brought the Eagles to within one point of a tie.

After Willis put Morehead City ahead, the team held on to the ball long enough to insure the victory.

Willis scored 25 points during the game to take scoring honors for the night. Morehead City's Dave Freshwater scored 21 points before he fouled out in the fourth period.

Charles Rhodes scored 19 points to pace the Richlands scorers and Billy Smith was second with 15 points. Two other visitors, Johnny Reid and Don Gurganus with 11 each, reached double figures. Denny Lawrence of Morehead City and William Humphrey of Richlands, each with eight points, were on their way to more when they fouled out in the third quarter.

With the exception of the first period, the game was close all the way. Richlands outscored Morehead City 20-11 in the opening

quarter, but the Eagles came back to knot the count 33-33 at half-time.

Richlands drew ahead again and led 49-45 at the end of the third period. The visitors hung on to their lead and were ahead 69-67 when Willis took over in the closing minutes of the final period.

Mary Foster scored 33 points to lead the Richlands girls to their 65-53 win over Morehead City. Ann Sylvester was second high scorer with 23 points. One other girl, Libby Thompson, scored the remaining nine points for the visitors.

Ann Long paced the Morehead City girls with 22 points. Carolyn Guthrie was second with 12 points and Polly Steed scored 11.

There was never any doubt about the outcome of the game. Richlands outscored Morehead City 21-9 in the first period and led all the way.

The Eagles will face their strongest opposition of the season tonight when they meet Newport. Newport, believed to have its best team in recent years, is a heavy favorite to take the Seashore conference title and will give the Eagles plenty of trouble tonight.

### New Invention Makes Peat Practical Industrial Fuel

New York (AP)—Scottish peat, long considered an uneconomical type of commercial fuel, may now be used industrially, thanks to a new British gas-turbine engine, reports the British Information service here.

The invention is an open-cycle internal combustion turbine of 750-kilowatt capacity and operates in conjunction with a special press that removes two-thirds of the water from the peat — which is originally about 90 per cent water. Heat from the machine's exhaust gases completes the drying process.

By this method the raw turf, which formerly had to be dried in open air, can be used independently of weather or season.
