

School Daze

86 Students Enroll This Year At Atlantic High

By ELMO GASKILL

Hi, people! School Daze is finally back after a three-month layoff. We will miss last year's reporter, Freddy Salter, but we trust he is happily enrolled in East Carolina (Little Carteret County) College. Now for a hi-lite of the happenings at AHS.

This year, we have 86 students in high school, six of whom have entered for the first time. They are Jane and Keith Moon, Guy Taylor Jr., Julian and Marshall Saunders, and Stevie Mason. Guy Taylor and Keith Moon are in the senior class.

We also have a new coach, Mr. Roy Cockerham. He is a graduate of High Point College and hopes to put a pair of winning teams on the court this year. He teaches health, U.S. history, typing and physical education. We are very glad to have these new additions to our high school and hope they will enjoy all the time they spend with us.

The Senior 4-H Club met Thursday in the auditorium. Mrs. Garner talked to us about Achievement Day and led us in the Watermelon Song. We elected our officers. They are president, Guy Taylor Jr.; vice-president, Phyllis Morris; secretary, Sandra Salter; and song leader, Elmo Gaskill. We also discussed the possibility of

putting on an exhibit in the county fair. We hope to have the best year yet in 4-H.

The senior class has held two important elections since school started. They were the election of the senior class officers and the annual staff. We selected Dora Willis, president; Sammy Mason, vice-president; Betty Bell, secretary; and Sandra Salter, treasurer.

The annual staff this year is composed of an editor-in-chief, Wanda Brown; and three assistant editors, Dora Willis, Michael Smith, and Phillip Morris. Our business manager is Elmo Gaskill Jr.

We are going to have the best annual ever, this year. I would like to express the thanks of the senior class to the business men of this county who are making our annual possible.

Miss Elsie Salter is our senior class advisor this year. We hope to prove in the months following that we, the seniors of '57, with the guidance of Miss Salter, will prove that we are the best seniors yet.

Mr. and Mrs. Needham Simpson left Saturday to visit their daughter, Mrs. Ed Pronobis and family, of Richmond. From there they will travel west by automobile with their son, Archie Simpson and his wife, with plans to spend a good part of the winter in Tucson, Arizona.

Miss Susan Barksdale left on Sunday for Greensboro. Mr. and Mrs. George Woodwell left for Durham. Claud Howell, who has been spending several days at Sound Front Inn left for Wilmington, N. C.

Mrs. Marie Womac and daughter, Juanita, have been hospitalized at Sea Level Hospital recently.

Mrs. Hugh B. Payne has returned home from the hospital at Newport News, Va.

Mr. J. N. Edwards of Belhaven, who is visiting his daughter, Mrs. R. S. Wahab, celebrated his 89th birthday on Sunday.

Dr. and Mrs. Gwynn Nicholson of Charlestown, W. Va., who are spending the week at Wahab Village Hotel, say that they are surprised at the many changes which have taken place here since their last visit, which was about 15 years ago. At that time the Nicholsons stayed at the Gary Bragg Place.

Mr. and Mrs. Milan Williams are back from a visit to Norfolk.

Connie Sue Styron, daughter of Mr. and Mrs. Norman Styron, is ill at her home here.

Mr. and Mrs. Thurston Gaskill have returned from a visit with her mother in Buxton.

Mrs. Brittie Williams is hospitalized at Morehead City.

Jule Garrish is home on a 12-day leave from Coast Guard duty at Kill Devil Hill.

The senior class has held two important elections since school started. They were the election of the senior class officers and the annual staff. We selected Dora Willis, president; Sammy Mason, vice-president; Betty Bell, secretary; and Sandra Salter, treasurer.

Weather Bureau Will Place Wind Gauge at WMBL

R. L. Frost, meteorologist in charge of the Wilmington Weather Bureau, visited Morehead City and Beaufort Friday to complete plans for installing a surface wind anemometer at radio station WMBL.

Thirty-eight such instruments will measure wind velocity at vital points along the Gulf and Atlantic coasts from Texas to Maine. The one at Morehead City has a top priority rating and should be ready for use this season, Mr. Frost said.

Employees of WMBL will telephone reports to Wilmington every six hours in ordinary weather and every hour during hurricanes.

The anemometers will serve a double purpose. They will guide the Miami weather bureau as they put-out storm advisories. In addition, they will serve as a permanent service for forecasting high water during northeast and other high winds, the meteorologist explained.

Mr. and Mrs. Milan Williams are back from a visit to Norfolk.

Connie Sue Styron, daughter of Mr. and Mrs. Norman Styron, is ill at her home here.

Mr. and Mrs. Thurston Gaskill have returned from a visit with her mother in Buxton.

Mrs. Brittie Williams is hospitalized at Morehead City.

Jule Garrish is home on a 12-day leave from Coast Guard duty at Kill Devil Hill.
