**Tuesday:** Mrs. Frances Davis, Beaufort; Wednesday, Mr. John Hopkins, Beaufort.

**Discharged:** Sunday, Mrs. Flossie Fisher, Merrimon.

## Carter-Dudley

Mrs. Sarah Bell of Morehead City announces the marriage of her niece, Guyula Dudley, Morehead City, to Bernard Carter of Beaufort. The couple was married Monday at the home of the Rev. N. H. Daniels in Beaufort.

## Obituary

**MRS. MARY L. BRANCH**  
The funeral service for Mrs. Mary L. Branch, 82, of 514 Pollock St., Beaufort, was conducted at 2 o'clock Monday afternoon at the Queen Street Baptist Church. The Rev. S. W. Crooms officiated.

Mrs. Branch, who made her home with her daughter, Mrs. Samuel Chadwick, died Sunday morning. She had been ill a long time.

A native of Beaufort, she lived there all her life. She was a member of the Queen Street Baptist Church.

Surviving, in addition to Mrs. Chadwick, are three other daughters, Miss Rose Gaskill, Brooklyn, N. Y., Mrs. Alice Davis, Mrs. Charlie Bell, all of Beaufort; a son, William Branch, of Texas; a sister, Mrs. Maude Wesley, Beaufort; 17 grandchildren and 32 great grandchildren.

Interment was in Ocean View Cemetery.

Out-of-town residents present for the funeral were Mrs. Gladys Armstead and Mrs. Mary Louise White, Hampton, Va., and Mr. and Mrs. Samuel Chadwick Jr., Biscoe, N. C.

## Contributions Still Accepted in TB Campaign

Persons who have not yet mailed their contributions to the County Tuberculosis Association may still do so.

By Monday, the total collected was \$2,476.33, according to R. M. Williams, chairman of the TB Christmas seal sale. This exceeded last year's \$2,313.12 collection by \$163.21.

Mr. Williams expresses his appreciation to all who contributed to the cause and to those who assisted in the campaign.

## March of Dimes Features Blue Crutch Day Tomorrow

### New Year Baby Arrives 5:50 A.M.

The county's New Year baby was a boy, born at 5:50 a. m. Wednesday, Jan. 1, in the Morehead City Hospital.

Little 1958 was Roy Perry Stalvey, 8 1/2-pound son of Mr. and Mrs. Leroy Stalvey, Atlantic Beach. Mrs. Stalvey is the former Lillian Harper of Florida.

The New Year baby at Sea Level Hospital was a little girl, born at 6:59 a. m. to Mr. and Mrs. Jerry Guthrie, Harkers Island. She had not been named by press time yesterday.

## Chamber Issues Report on 1957, Plans for 1958

J. A. DuBois, manager of the Morehead City chamber of commerce, has sent out a report on chamber activities during 1957, and plans proposed for 1958.

The report covers advertising, industry, transportation, the port, civic affairs and membership. For 1958, the chamber hopes to have 10,000 brochures published by February; under industry, a pictorial industrial survey is recommended for publication; a ferry is termed essential to close the all-sea route link from Ocracoke to Carteret County in 1958.

A two-day Coastal Festival is recommended, as well as a National Guard armory, landscaping of a municipal park and more funds for mosquito control.

Chamber membership in 1957 was 174. Total amount collected through membership dues was \$8,606.95. The budget set up was \$13,300. Expenses, however, during 1957 were held to \$8,524.95, leaving a balance at the end of the year of \$82.

An increase in membership, or an increase in the amount of 1958 dues from present members, is needed to meet the 1958 budget, Mr. DuBois points out.

1958 officers are Bud Dixon, president; Walter Morris, vice-president; J. R. Sanders, treasurer.

Tomorrow is Blue Crutch Day in the 1958 March of Dimes. In Beaufort, Morehead City and Newport blue plastic crutch pins will be given to each person who contributes to the March of Dimes.

March of Dimes volunteer workers on Front Street, Beaufort, will be Virginia Lewis and Sara Perry, members of the Future Homemakers of America chapter at Beaufort School.

Bill Wade, Morehead City, will assist with the March of Dimes Blue Crutch day in Morehead, and High school students will solicit contributions in Newport.

The schools will assist in the campaign at times most convenient to them throughout the month. The campaign in the Beaufort School will begin Monday and continue through Friday, Jan. 10. In each school, the classroom which collects the most money will receive a \$5 cash prize.

Children will take their contributions to school and place them in a coin collector in the classroom. Coin collectors will be delivered to the schools during the next few days.

Mrs. John Johnson, March of Dimes chairman, requests that principals plan now the dates they will conduct the campaign.

In addition to collecting funds, the March of Dimes campaign leaders also emphasize this year the importance of getting polio shots. If a polio shot prevents a person from being stricken with polio, that person has saved the National Foundation for Infantile Paralysis several thousand dollars.

Mrs. Johnson points out that treatment and rehabilitation of a polio patient costs at least that much.

Persons wishing to contribute to the March of Dimes by check may mail their contribution to Mrs. John Johnson, Beaufort, or to Mrs. Clem Johnson, Morehead City.

## Alarm System Breaks

A broken line in the Morehead City fire alarm system was responsible for the series of alarms that sounded late Wednesday afternoon.

Windows W. J. Ippock, Beaufort-Morehead causeway, reports that a window of her home was broken recently by a shot from an air rifle. Many windows have been damaged by air rifles since Christmas. Shooters apprehended will be fully prosecuted in the courts, officers warn.

# Swansboro Pirates, Newport Hawks to Continue Rivalry

## Smyrna Lassies Are Favorites In Game Tonight

The high-flying Smyrna girls team, defending county champions and winners of seven straight games, is favored to make it eight in a row tonight. They will play the Beaufort lassies in the first game of a doubleheader at Beaufort tonight.

Beaufort Coach Hugh Gordon says that he plans to continue his deliberate style of play. "I have instructed my forwards to hold on to that ball until they have a good shot at the basket," he declares.

### To Call Shots

"With my short guards and Smyrna's tall forwards, they are sure to score nearly every time they get the ball. We will have to do the same thing if we hope to win. That means we will work the ball until we get an open shot at the basket or a free throw."

In three games this year the Beaufort girls have scored 88 points for an average of 29 points per game. Their opponents have scored 109 for an average of 36 points per game. This doesn't tell the whole story, however.

In the one game when the Beaufort lassies opened up and tried to match their opponents, basket for basket, they got beat by 17 points. Swansboro handed them a 57-40 licking.

### Had Chance to Win

In the two games they tried to control the ball they lost by scores of 28-25 and 24-23. "We had a chance to win either one of those games," the coach points out, "while we didn't have a ghost of a chance in the Swansboro game."

Smyrna Coach H. T. Sanders may counter with a possession-type ball game or he may count on his tall forwards scoring every time they get the ball as Coach Gordon predicts.

It may be a slow ball game, but a close score and a hard fight for the victory is just as exciting as a race horse game where fans get rubber necks from watching the points mount up.

## Certain Sections Of Centennial Issue Available Free

During a year-end housecleaning spree, THE NEWS-TIMES uncovered some left-over sections of the Aug. 9, 1957 Centennial issue.

If anyone wants any of these sections, they are welcome to them free of charge. There are no complete papers. There are two papers lacking sections 3, 4, and 5.

The other left-overs are just one section. Most of the left-overs are sections 2, section 6, section 7. The paper is offering these sections because so many people, due to a sellout, were unable to get as many copies of the Centennial issue as they wanted. The sections may be picked up at THE NEWS-TIMES office, first come first served.

## Windows Damaged

Windows W. J. Ippock, Beaufort-Morehead causeway, reports that a window of her home was broken recently by a shot from an air rifle. Many windows have been damaged by air rifles since Christmas. Shooters apprehended will be fully prosecuted in the courts, officers warn.

Tomorrow night's game between the visiting Newport Hawks and the Swansboro Pirates should rate as one of the top games of the year for both teams.

It will mark the continuation of a red-hot rivalry that reached its peak in the district play-offs last winter. The Hawks had won two straight over the Pirates during the regular season, only to have the tables turned in the play-off tournament at Kenansville.

The Pirates have looked impressive in their early games, particularly in the second half of their game at Morehead City. They have a well-rounded attack with every man on the first team a deadly shot.

### Good Team Average

The Hawks can counter with some pretty good sharp-shooters, too. As a team they have averaged 69 points a game. Johnny Mason, Hawk forward, is third leading scorer in the county. He has an average of 19 points a game and is a constant threat to get hot and score 20 or more.

Center Larry Wallace and guard Reuben Lilly are averaging over 13 points a game each and can be counted on to make things tough on the opposition.

Says Coach Bob King, "Wallace will nearly always get his 10 or 15 points. On the nights when Lilly and Mason are hitting, it will really take a good team to hold us down." He hopes these boys will be "right" tomorrow night.

### Top Competitors

The other two starters, Alton Hardison and Larry Kirk, are good steady performers who are top competitors. "They get in there and fight for the ball, and that is what you have to do to win," says the coach.

Girls coach Tom Dickinson says that much of the success of his team will depend on the recovery of forward Betty Jo Whitaker. She

is the only starting forward held over from last year's team, but has been out all year with a bad leg.

She may be able to see action tonight. Coach Dickinson has been depending on freshmen and sophomores but hrs still run up a record of four victories against one loss. He figures that the Hawkettes are several points stronger when Whitaker is in the lineup.

## Eagles to Play Wallace Bulldogs

The Morehead City Eagles will meet their first AA competition tonight when they invade Wallace for a twin bill with the Bulldogs. The Eagles have compiled a record of three wins and two losses against some rugged Class A competition.

Coach Gannon Talbert says he plans to stick with his same starting line-up with Darden Eure and John Phillips at forwards, Llewellyn Phillips at center and Walter Morris and Jimmy Swann at guards.

Three of the Eagle starters will go into the game with scoring averages of better than 10 points a game. The big gun in the Eagle attack is Llewellyn Phillips, who is averaging 22.4 points per game. His brother, John, is hitting at an 11-point per game clip.

Sandwiched between the two brothers is Darden Eure, who is scoring at an 11.8 average. He is recognized as one of the best rebounders on the team.

The starting line-up for the girls will probably have Anna Faye Willis, Faye Jones and Jenny Lou Smithwick at forwards and Jessie White, Sally Morris, Patsy Robinson or Frances Gaskins.

## Top Scorers Will Meet In Beaufort-Smyrna Game

Two of the top scorers in the county will meet tonight when the Smyrna Blue Devils invade Beaufort. Glenn Willis, who has been the only Devil star in a poor season, will find himself pitted against Beaufort's ace scorer, Butch Hassell.

Willis has been scoring at a 14-point average, while Hassell has been hitting an average of 18.8 points per game. Neither team has another man who averages 10 points a game.

Beaufort fans are quick to point out why individual averages are rather low. They say that Coach T. H. McQuaid has so many good players he tries to use all of them.

There is no doubt that the Seadogs are loaded this year and will

give everyone plenty of trouble. Their only loss this season has been to New Bern, an AA school.

After they earned a nine-point victory over the defending champion Newport Hawks, many fans predict that they have the county title wrapped up.

(Morehead City, an AA school now, is not eligible for the county title since it would not be able to play in play-off competition. The Eagles will play in the county tournament and can be declared tournament champions).

Freshmen dominate the Blue Devil team, which shows lots of promise for next year. Lack of experience hurts the Devils but they play with all the spirit characteristic of young teams.

# Morehead City May Launch Program

The Morehead City Chamber of Commerce Monday night will meet with the Chamber to discuss the Morehead City program.

Several of the projects that they think are able to handle. They want to see the responsibility can take part in projects.

Charles Willis (Hills) and J. Willis (insurance agency) reported that no one had come in to redeem the unused portions of season football tickets. Persons holding season tickets have all this week to turn them in at either place.

Joe Beam was appointed chairman of the community survey project. All the members of the club will assist him. The survey will deal with schools, churches, business and industrial facilities and available labor.

The membership chairman will be required to check on the character and financial background of all prospective members. Vice-president Paul Corrova will preside at next Monday's meeting at the Hotel Fort Macon.

## Similar Names

Warren Thomas Willis, Beaufort, is not the Thomas Willis, Beaufort, who was fined \$10 plus costs in Morehead City Recorder's Court this week on the charge of setting fireworks in Morehead City.
