### **BHS Juniors Will Take Part** In Merit Scholarship Exams

put in an understandably apprehensive mood this week when Mr.

Tarkington annual and the standard of the stand Tarkington announced the new procedure for the National Merit Scholarship program.

In response to requests from many educators, the scholarship project has established that second semester juniors take the qualifying test on April 29, 1958. The reason for this change, (students usually take the examination in the fall of their senior year) is to enable administrators to detect what area of learning each student is weakest.

With this knowledge, the teachers could encourage students to

certain subjects to strengthen any deficiences. The new threewill, for that ment rather than the pre- 7 aptitude

Can you imagine in the future "Professor Bill Kirk, first man to reach Mars!"

Each year several of the teach ers of the high school exchange certain classes for seven days to enlighten the pupils of these classes in subjects they would otherwise not receive.

This year was no exception for Miss Beveridge made her annual invasion into Mr. McQuaid's all male class and Mr. McQuaid in turn made his pilgrimage to the feminine world of the home economics department.

Through this arrangement the boys learn something of the so-cial graces and the girls have a wonderful week of physical ed. in the gym under the directions of our famous coach.
