

To Preach Here

The Rev. Tommy Tyson, Goldsboro, will preach at Franklin Memorial Methodist Church Sunday, March 16, through Friday, March 21. Services will be at 7:30 p.m.

The Rev. S. S. Moore, pastor of the church, says that the Rev. Mr. Tyson has many friends in this county. This is the third consecutive year he has been guest minister at Franklin Memorial.

Rotary Club Gives Boy Scout Troop To Methodist Men

The Newport Rotary Club has agreed to surrender its sponsorship of the Newport Boy Scout Troop to the Methodist Men's Club. The men's club had expressed an interest in the troop prior to the Rotary Club meeting Monday night.

The Rotarians agreed that the men's club, which sponsors the Cub Scout pack, could do a good job with the Boy Scouts, too.

Rotarian Bob Montague reported that he had ordered scripts for the play to be sponsored by the club as a fund-raising project. The name of the play will be released later.

Guests at the meeting were H. L. Joslyn and T. D. Lewis of Morehead City and Tommy Howard, student representative.

The Pay Off

Farmville, Va. (AP) — Betty Bland Barnette of Longwood College wanted to attend the Tobacco Festival at Richmond. Associate Dean M. H. Bittinger said she would be charged with cutting classes — that is unless she were named festival queen, in which event he would forgive the cuts and buy her a lunch. Betty won, and Dr. Bittinger made good too.

President to Speak

W. Burkette Raper, president of Mount Olive Junior College, will preach in the First Free Will Baptist Church, Beaufort, at 11 Sunday morning and at the Davis Free Will Baptist Church at 7:30 p.m. Sunday.

He will also be the speaker at Beaufort High School's chapel program Monday morning.

District to Meet

Women of the First Presbyterian Church, Morehead City, will be host at a district conference Wednesday at the church. The group will have lunch at the Sanitary Fish Market Restaurant.

Newport to Proceed with Condemning Campbell Lot Next to Fire Station

The Newport town board authorized its attorney, George Ball, to proceed with condemnation of the Dennis Campbell lot located next to the fire station. The board met Tuesday night at the town hall.

Because the lot is owned by more than a hundred heirs, the attorney said that such procedure will be the only way to buy the lot, since other efforts to purchase have failed.

Commissioner Wilbur Garner reported that some of the persons who signed up for town water have not been tapped in. The contractor has left town and those persons say they are not going to pay the penalty for not being cut in when he was here.

Mayor Leon Mann said that the contractor is aware that there are yet some places to be cut in and the property owners will not be penalized.

Commissioners discussed the holes and other places left by the contractor after laying water lines. The mayor said that the contractor has told the state to put the streets back in condition and he will pay the state.

The board thought some places ought to be fixed temporarily. Commissioner Wilbur Garner

said he had received several complaints on the water.

Tie-in of the Lake Park subdivision with a street in West Newport was discussed. The place of tie-in, desired by Joe Hill, subdivision developer, and the town, cuts through a 110-foot lot owned by the town attorney.

Mr. Ball said that if the Cherry Point Mutual Veterans Housing Association does not care to swap him a housing association lot for the street entrance, he would swap for some land owned by the town.

He made this agreement at the request of the town board. He added that the lot in question had been cleared by Mr. Hill without his knowledge, but that he was not annoyed about it. The board said it was sorry the lot had been cleared before final agreement had been made.

Commissioner Wilbur Garner reported that the operator of a pool hall wanted to be relieved of paying tax on one pool table which has not been in operation in recent months. Mr. Ball said he would look into the legal requirements in such a case.

Commissioner Dick Loeky was given authority to hire a laborer

to clear out a ditch between his property and property of W. D. Heath Jr. Mr. Heath appeared before the board to request that the work be done.

Commissioner Loeky explained that the ditch does not drain their properties but carries run-off from a street drainage ditch.

The board authorized purchase of rolling doors for the fire station and a ladder extension for the fire department.

It was reported that J. L. Humphrey, road superintendent, said he would fix the road by the Methodist Church in Newport as soon as a leak under the road was fixed.

The board authorized transfer of \$1,000 from the general fund to the water department, the money to be put on certificate of deposit. Twenty per cent of town taxes go to the water department. The mayor explained that with the thousand dollars, a total of \$1,900 has been turned over to the water department, which is short of the budgeted 20 per cent.

After February bills were paid, the balance in the general fund, including the thousand dollars transferred later to the water department, was \$3,626.57.

AHS Pupils Proud of Boys Chosen for County Team

By EVELYN HARRIS

Hi folks, I'm back with more news for the Pirate's corner. We were very proud for some of our boys on the basketball team, as the NEWS-TIMES All-County winners were picked.

Stevie Mason and Roger Harris had the honor to be picked for

second team and Sammy Salter, Robert Nelson, and George Golden wound up with an honorable mention. Next year, boys, I hope you do better. Of course, we think you're the best but it's not for us to say.

Due to the cold weather, 4-H

meeting was postponed, but we met Feb. 25 to catch up on our meetings. The meeting was called to order by the president, Anita Brown. We said the 4-H pledge and the pledge to the American flag. Devotion was led by Jean Fulcher.

A skit "Diary of a stomach" was read by Yours Truly. The business was attended to and the minutes were read and approved. We discussed the coming of 4-H week and what we could do for our state.

The boys and girls then separated, the boys having Forestry and the girls having A Good Breakfast. We adjourned at 10:30.

The students of AHS now spend their 25-minute break at the Idle-Half an Hour. We enjoy the good taste of colas while relaxing from our studies.

The scores of the school tournament are as follows: 8th boys 17, 9th boys 29, 10th girls 39, 9th girls 29. Senior boys 13, Junior boys 63, Senior girls 26, Junior girls 34, 9th boys 20, 10th boys 64. The finals will be held Tuesday and Wednesday.

Mrs. Salter's biology class is now in the progress of drawing human skeletons and some look as if they were cavemen. Most of the species have four fingers and have no feet at all. We really are blessed with real art-talent in our school.

There's been a change in our classes, that's very clear, because there's been a change in teachers. Mr. Cockerham is now teaching economics and sociology. Look out students.

See you next week.

March 5—Mr. Jurney Connor returned home Sunday morning from the Sea Level Hospital.

Mrs. A. N. Bell, Mrs. Luke Turner and son, Mrs. Edsel Bell and daughter and Mrs. E. R. Bowlin visited Mrs. Doug Bridwell at Morehead City and Mrs. Selma Mason at Morehead City Hospital Tuesday morning.

Mr. and Mrs. Gordon Beeton and daughters spent the weekend at Goldsboro, N. C.

Mr. and Mrs. Kuch Williams and children spent Saturday at Vanceboro with Mr. and Mrs. Burney Wehrington.

Mr. and Mrs. Bonnie Byrsonde and children of Quantico, Va., have been visiting her mother, Mrs. Edri Jarman.

Mr. and Mrs. E. R. Bowlin and son and Mr. T. W. Fox visited at Newport Sunday afternoon.

Mr. and Mrs. Charles Vickers and children spent the weekend at Fayetteville.

Mrs. Mac McLawhorn, Mrs. Bill Motes, Mrs. Kuch Williams and Mrs. E. R. Bowlin attended the sewing class at Beaufort School Tuesday night.

Mr. and Mrs. Edsel Bell and daughter visited Mr. and Mrs. Rodman Taylor at Bachelor Sunday afternoon.
