Register of Deeds Records 35 Real Estate Transfers

(Editor's Note: In recording real estate transfers, the law does not require that the amount paid for the property be stated in the deed. A token amount, such as \$10 or \$100, may be stipulated.)

Attached to each deed, however, must be United States documentary stamps, the value of the stamps based on the price paid for the property.

Property which changes hands for less than \$101 requires no stamp, according to Irvin W. Davis, register of deeds. Property which brings a price between \$101 and \$500 must bear a stamp valued at 55 cents. From \$501 to \$1,000, the stamps affixed to the deed total \$1.10, and thereafter for each additional \$500 paid for the property the stamp value goes up 55 cents.

From the value of the stamps placed on a deed an estimation of the price paid for the property can be determined. In the transfers listed below, the seller is listed first, the buyer second, and finally, the value of the stamp affixed to the deed.

Thirty-five real estate transfers were recorded in the county Feb. 25 through March 10. They follow:

Morehead City — Roberson Freeman and wife to John C. Cobb, \$3.30; Ely J. Perry and others to Doran Kilpatrick, \$1.10; Randolph T. Willis to Robert Bruce Willis,

M-G-M's Raintree County Slated for Week-Long Run

Raintree County, most ambitious and costliest production in the history of M-G-M, will be at the Morehead Theatre all next week. The movie stars Elizabeth Taylor, Montgomery Clift and Eva Marie Saint.

Against a surging backdrop of America during the Civil War is told the story of young Johnny Shawsnessy, Montgomery Clift, and what happens to him and the two girls in his life.

The story ranges from the farmlands of Indiana to the ante bellum plantations of the South; from the French Quarter of New Orleans to war-torn Indianapolis.

Its historic events begin with the celebration of Abraham Lincoln's election to the presidency in 1860 and reach their climax with the Battle of Chickamauga and Sherman's devastating March to the Sea.

Playing Sunday through Wednesday at the City Theatre will be Cowboy, starring Glenn Ford and Jack Lemmon.

Cowboy is said to be the real-life

story of Frank Harris, adventurer and would-be cowboy, a tenderfoot who bluffs a tough rancher into taking him on a cattle drive along the trail to Mexico and back.

The relationship between these two men, the girls they meet, the gunnings and rip-roaring gusto that mark their drive, all these are said to make Cowboy the best, because it's really the West.

Two double feature programs wind up the week's offerings at the City. She Demon and The Giant from the Unknown will play Thursday and Friday.

On Saturday Gun Glory and Bop Girl will be the featured movies.

Rabbit Hunters Kill Five Horses in Two Months

Casper, Wyo. (AP) — Wyoming rabbit-hunters have been urged to be a little more careful with their aim.
