Busy Days Face County Demonstration Women

By FLOY G. GARNER
Home Agent

Busy days and months are ahead for our Home Demonstration Club women. This will be nothing new for them, however. They stay busy. Since Jan. 1, they have had two leader training meetings, two council meetings, a music workshop, two aluminum etching workshops, and this week a two-day slip-cover workshop.

At their Council meeting last week, they made plans for spring and early summer activities: District Council Meeting, April 2; Home Demonstration and 4-H Fashion Show, May 16; Flower Show, June 6; participation in state-wide UN-Citizenship Day program at Raleigh, May 9; attendance at Farm-Home Week in Raleigh, June 9-12.

Lunch will be served by the Jones County Home Demonstration Club women, at \$1.25 per plate. Carteret women are urged to attend this meeting, and join with the club women from Jones, Pamlico, Craven, Onslow counties in reviewing the accomplishments of the past year, and making plans for future activities.

Chairman Visits Here

Mrs. Jenkins attended the County Council meeting last week, and discussed the recommendations and resolutions of the state, organization, with special emphasis on each county's carrying out these recommendations. She encouraged increased attendance at Farm-Home Week, and reminded the group that the state executive board had recommended that each Home Demonstration Club president and the County Council president, particularly attend.

She suggested that each club strive to have two representatives at Farm-Home Week. Mrs. Jenkins also invited the Carteret women to her county for the district meeting.

Mrs. Simpson, council president, announced that two county women, Mrs. E. C. McLawhorn and Mrs. John Ives of Harlowe Club, had been chosen by the club women of the eastern district to attend the Woodcarving School in Brasstown, N. C., June 2-14. Mrs. McLawhorn and Mrs. Ives will serve as assistant instructors in woodcarving at the District Crafts Workshop at Manteo this summer.

Fashion Show May 16

Mrs. W. G. Simpson and Mrs. Charles Stanley, county Home Demonstration clothing leaders, will serve as chairmen of the committee to plan the 4-H and Home Demonstration fashion show May 16. They will appoint the club clothing leaders to assist them.

Mrs. Janet Ross of Wildwood Club, county foods and nutrition leader will be in charge of the planning and preparation of the commissioners' luncheon to be held the first Monday in May. This will be a part of our local observance of National Home Demonstration Club Week, May 4-10.

Other phases of this observance will be under the direction of Mrs. Douglass Merrill, county publicity chairman; Club publicity chairmen will assist Mrs. Merrill.

Mrs. Noah Avery, county home beautification leader, will head the committee for making plans and

arrangements for the annual Home Demonstration Flower Show June 6. This is a tentative date.

UN-Citizenship Day

Mrs. R. L. Searle, Mrs. G. T. Spivey, Mrs. D. R. Arnold and Mrs. Will Dail, past delegates on the UN Tour, sponsored by Home Demonstration Clubs, will attend UN-Citizenship Day in Raleigh May 9. Mrs. Will Dail will serve as chairman of the committee, making plans for county participation.

Different counties in the state are working on individual assignments for this program. Each county represented in the United Nations will be portrayed with its flag and native costume. These flags and costumes are being made by the Home Demonstration Club women of the various counties.

Carteret County's assignment is Honduras, and the committee will be responsible for making a miniature flag of this country, and a replica of the native costume. One of the women attending the program in May will wear this costume during part of the day's program.

Five chairs were slip-covered in the workshop conducted by Mrs. Catherine C. King, extension specialist in housing and house furnishings, in the home agent's office this week. Mrs. King taught the fifteen women attending the proper and practical method of making slip-covers at home.

Detailed instruction, with individual assistance was given by Mrs. King. Mrs. Garner, home agent, and Mrs. Milton Piner, county leader in housing and house furnishings, assisted with the workshop.

Other women attending were Mrs. Lee Garner and Mrs. Sue Miller, Russells Creek Club; Mrs. E. J. Dennis, Miss Alice Laughton, Mrs. Charles Stanley, Crab Point Club; Mrs. Cicero Taylor, Mrs. Luke Turner and Mrs. E. W. Temple, Harlowe Club; Mrs. Bessie Carraway and Mrs. Lois Stallings, Merrimon Club; Mrs. B. O. Kerner and Mrs. Janet Ross, Wildwood; Mrs. Elmo Smith and Mrs. Leslie Sanders, Broad Creek Club.

These women will on request assist other club women in their local communities with slip-covering problems. Home Demonstration Club women requested this workshop, feeling that they need to learn all they can to employ their skills and abilities in an effort to stretch the income dollar.

They realize and know from experience that the more home sewing and home decorating jobs they do, the more money they can have for other things for their families' comfort, health and happiness.

The major contribution of orange juice to a diet is vitamin C. And Purdue University nutrition specialists say frozen orange juice and fresh juice have about the same vitamin C content.

CP&L Pioneers To Meet April 11

George Stovall, manager of the Morehead City Carolina Power and Light Co. office, will attend the annual Pioneer Club meeting in Wilmington April 11. The Pioneer Club is made up of employees with 25 or more years service.

Mr. Stovall went to work for the Tidewater Power Co. in 1919 and has been a member of the Pioneers Club since that company sold out to Carolina Power and Light.

C. H. McAllister of Wilmington, area Pioneer chairman, reports that two Pioneers who have retired during the past year will be given special recognition. They are John W. Croom of the Wilmington office, and Jessie C. Inman of New Bern. A total of 34 Pioneers will attend the meeting.

Louis V. Sutton, CP&L president and himself a Pioneer, will be the featured speaker. The meeting will be held at the Edgewater Club.

AMERICA'S FAVORITE FAMILY WAGON...PLYMOUTH

Plymouth carries more... does more... provides more family fun than any other wagon in the low-price 3 because it's **BIGGEST IN THE LOW-PRICE 3**. You can't buy bigger at any price!

Maybe you're a station wagon family right now. More Americans are each day! But do you know all the really astonishing facts about the Plymouth wagon... how much more it gives you than other wagons, at a low budget price?

Size alone is only part of it! The Plymouth wagon is big as wagons in the high-price field that cost \$5500 and more... but, in addition to extra size, this glamorous beauty offers a wagonload of other features that are exclusively Plymouth in the low-price 3!

You simply can't get 'em anywhere else in the field. And once you try them... learn how little the years-ahead Plymouth wagon costs... you'll never settle for less! Why should you? Your Plymouth dealer has the money-saving story, and he's waiting for your visit.

- 5 big reasons why your wagon should be a Plymouth:
- BIGGEST OF THE LOW-PRICE THREE:** Big as wagons costing thousands of dollars more. You can't buy bigger at any price! 122" wheelbase.
 - HOLDS SO MUCH MORE THAN THE "OTHER TWO":** Over 7 cu. ft. more passenger and cargo space. Extra "secret luggage" compartment in 6-passenger models.
 - REAR-FACING 3rd SEAT:** Folds flush into the floor; you don't have to store it outside when it's not in use. Easy to enter.
 - DISAPPEARING REAR WINDOW:** Rolls down into tailgate. Doesn't get in the way. Only Plymouth has it in the low-price field.
 - TORSION-AIRE RIDE—AT NO EXTRA COST:** Only on Plymouth in the low-price 3. Big-car luxury. No sideways on turns or nose-dive on stops.

They don't come any bigger... *Plymouth* station wagons
