

Camp Lejeune Wins 5-4 Decision over Beaufort

McCarvell Chokes Seadog Rally in Last Inning

Bucky McCarvell came off the bench in the seventh inning to stop a Beaufort rally and preserve a 5-4 victory for the Camp Lejeune Devil Pups Wednesday afternoon at Beaufort. He ended a rally that had already produced two runs for the Seadogs.

Lejeune, behind the steady pitching of Wensloff, had gone into the bottom of the last inning with a 5-2 lead. Wensloff tired and allowed two walks, which coupled with two errors gave the Seadogs their third and fourth runs.

The Seadogs struck first in the second inning when Kenneth Jones hit one over the center fielder's head. He got to second before the fielder could chase the ball down and get it back to the infield.

Raymond Gillikin singled to move Jones to third base. Joe Pake drove in Jones with a dribbler down the first base line. The Lejeune first sacker got Pake out but not before Jones had gone across with a run.

Lejeune Scores
Lejeune came back to score two runs in the third inning, one in the fifth and one in the sixth before the Seadogs managed to score again.

In the bottom of the sixth Gillikin was safe on an error and stole second base. Clayton Hunnings grounded to the shortstop who overthrew first base. Gillikin went to third on the hit ball and scored on the throwing error.

Lejeune tallied again in the seventh to go ahead 5-2 and set the stage for the Beaufort rally. Butch Hassell walked, Pud Hassell was

Jury Reverses Judge's Verdict In Bootleg Case

A superior court jury reversed a decision by county recorder's court judge Lambert Morris Monday and freed Alfred "Alf" Anderson, Beaufort. Anderson, who has a string of convictions running back to 1936, was charged with selling non-taxpaid whiskey.

Anderson was under a suspended sentence for transporting non-taxpaid whiskey when his case came up in recorder's court in December. Judge Morris found him guilty of selling the "white lightning" and invoked the suspended jail sentence. Anderson appealed the verdict to superior court.

County ABC officer M. M. Ayscue and Beola Peterson testified for the state in both trials. In lower court Anderson testified in his own behalf. In Monday's trial, however, he had four witnesses in his defense.

The state contended that Anderson had sold the Peterson woman some "bootleg" before she was picked up by officers and charged with being drunk on the streets. Anderson's lawyer, Claud Wheatly, pin-pointed the time when the woman would have had to buy the whiskey, then called on his four witnesses. One testified that she was at the Anderson house at that time and only Anderson's wife and children were home.

The other witnesses, all men, testified that they had been with Anderson during the stated times and there was "no way in the world" that he could have gone home and sold the whiskey at the time set by Mr. Wheatly.

Members of the jury that freed Anderson were Richard M. Braithwaite, Hugh Styron, Clay Chadwick, Clifford Merrill Jr., M. E. Bridgman, William Thomas McKay, Cecil Phelps, L. J. Corbett, D. B. Willis, Walter C. Williams and Robert Deland Taylor.

Atlantic Wins Extra-Inning Game from Smyrna Devils

A two-run uprising in the eighth inning gave the Atlantic Pirates a 4-2 victory over the Smyrna Blue Devils at Atlantic Tuesday afternoon. The seven-inning game ended with Rodney Pittman of Atlantic and Braston Piner of Smyrna hooked up in a 2-2 pitchers' duel.

Despite the fact that the game was played on the Atlantic field, Smyrna was the home team so the Atlantic nine batted first in each inning.

Pittman led off in the eighth inning and was safe on first following a Smyrna error. Van McIntosh and Aubrey Harvey followed Pittman with singles to load the bases.

Runners Advance

George Golden hit a long fly to right field and all three runners tagged up. Pittman scored and McIntosh and Harvey advanced to third and second respectively.

The Smyrna fielder heaved the ball to second in an effort to catch Harvey, and McIntosh streaked home with the second run of the inning.

Pittman held Smyrna in the bottom of the eighth to preserve his victory.

The game was a pitcher's battle all the way. Smyrna broke the scoring ice in the second inning. The Blue Devils scored two runs on a hit, one walk and two errors by Atlantic.

Smyrna Scores

Dale Lewis and Phillip Mason tallied the runs for Smyrna. Lewis was safe on an error and Mason got a hit to start the rally. After an error and a fielder's choice, both runners came in to score.

The Pirates scored once in the fourth inning and once in the fifth. Harvey scored in the fourth after getting to first base on an error. Three successive Atlantic batters singled to drive him around.

Myron Willis scored the second Atlantic run in the fifth inning. He singled and moved to second on a sacrifice by Pittman. Harvey hit a line drive to left field and when the fielder missed the ball, Willis moved around to score.

Both pitchers were tight in the clutch. There was not an earned run scored in the game. Piner gave up nine hits, walked three and struck out six. Pittman gave up seven hits, walked two and struck out seven.

Getting hits for Atlantic were McIntosh, Harvey, Styron, Morris, Salter and Willis.

Hitting safely for Smyrna were Nelson, Lewis, Mason, Hancock and Piner.

John Dawson May Not Seek State Senate Seat

John Dawson, Kinston, who represented the seventh district in the state senate in 1957, has informed Irvin W. Davis, chairman of the county Democratic committee, that probably will not seek re-election.

It is expected that more candidates will enter the race prior to the filing deadline at noon Saturday, April 19.

The two men running for senatorial posts are Judge Luther Hamilton, Morehead City, and J. O. Simpkins, New Bern. Two are elected from each district.

Carteret County Baseball League officials will meet at 7 tonight in the Morehead City municipal building. League president Bob Seymour has asked that representatives of all teams interested in playing in the league attend the meeting.

Teams in Atlantic, Smyrna-Harkers Island, Beaufort, Salter Path, and New Bern have expressed interest in playing this season. Two teams, the Coast Guard and Marines, both government-sponsored, were unable to get support this year.

After tonight's meeting a schedule will be drawn up for all the teams that join the league. There will be a discussion of rules and by-laws for the season.

Two groups of officials have expressed interest in working for the league this year. Team representatives will have the opportunity tonight to pick the officials they want.

The league lost money last year and Seymour says that plans for making the league operate at a profit—or at least break even—will be discussed.
