Johnny Ingram singled to lead off the bottom of the tenth for Smyrna. He scored on a sharp hit by Lambert Davis.

My Dog Blacky

My dog "Blacky" is a hunting dog. He plays with the cats. He jumps on me when I come home.

Once he showed Daddy a deer. Daddy's uncle gave him to us because he ran away to our house.

Blacky likes me to put a chain on him and walk him. Every day before we go for a walk, I have to clean up the yard because Blacky brings trash in.

The Princess on the Pea

There was once a Prince who wanted to be married, but no one quite suited him. You see he wanted a real Princess, not just one who was a King's daughter. He wished her to be a Princess through and through, and it was just as hard to find one then as it is now.

He went all over the world and he saw many, many a Princess, but there was something wrong about each one. At last he went home quite sad because he thought there were no more real Princesses.

One night when he and his father and mother sat in their castle a great storm came up. The wind blew, the rain fell in torrents and the old castle shook and swayed. All at once there was a loud knock on the door, and the old King went and opened it himself. And there upon the steps stood a Princess!
