

Eagle Boosters Elect Officers At Meeting Tuesday Night

Bernard Leary was elected president of the Morehead City Football Boosters Club Tuesday night. Club elections were conducted at the dining room of the Hotel Fort Macon.

Other elected officers were Thomas Oglesby, vice-president; John Baker, secretary; Nick Galantis, treasurer; and Bob Seymour, public relations director.

Six men were elected to the board of directors. They were George R. Wallace, Dom Femia, James Smith, Frank Cheek, Skip Willis and Dr. Russell Outlaw.

Dr. Outlaw presided at the meeting. He traced the accomplishments of the club since it was organized during the past football season. "Most of the credit is due to one man, Nick Galantis, who has done most of the work so far," Dr. Outlaw said.

Booster Projects
Mr. Galantis was recognized as president of the boosters even though the group was not formally organized. The club raised over \$300 for a gift for Coach Norman Clark, sponsored a steak supper and co-sponsored, with the Jaycees, the annual football banquet.

The boosters sponsored a dance at the Morehead Biltmore Hotel which netted about \$165. A basketball game also turned in some profit for the club.

The boosters are currently working on two projects. One is the membership drive which has brought in 112 members at \$3 per year. The second project is the large sign at the junction of Bridges and Arendell Streets west of Morehead City.

The sign was erected by the town of Morehead City for the Centennial Committee and given by that group to the boosters. Through the cooperation of the Morehead City street commissioner, G. E. Sanderson, the sign has been painted white.

Sign Welcomes Visitors
Red letters welcoming visitors to Morehead City, home of state football champions, will be printed on the sign as soon as the weather permits.

After the business was completed, Mr. Leary thanked the group for honoring him and said that he would do his best to see that the club gave solid support to the football program and to the coach.

"The boosters are not interested in forming a 'pressure group' to dictate policy or create ill will between the school and the fans. We merely want to give money to the school to promote football and to give the team the publicity it deserves," Mr. Leary said.

Coach Clark said that the boosters could become a very important group in town if they were able to give boys the incentive to play football.

"If the fellows know that they will be well-equipped, get good publicity and have the support of fans like you, they will be that much more anxious to play ball," he pointed out.

Eagles Hold 39-5 Record
"The Eagles have won 39 games and lost five in the four years that I have been here," the coach continued. "This does not mean that we will keep on winning at that rate. Morehead City is now one of the smaller AA schools rather than a large A school."

"That means we will be playing many schools that are larger than we are. Some of the toughest teams we will play next year are New Bern, Wallace-Rose Hill and Cary," the coach concluded.

Mrs. M. D. Lasitter, a member of the boosters and an acquaintance of Jim Tatum, got movies of the UNC games with Miami, Duke and Navy. She did not attend the meeting but sent the movies, which were shown by John Parsons.

Coach Norman Clark congratulates the new officers of the Morehead City Football Boosters Club. The officers are, left to right, Bernard Leary, president, Thomas Oglesby, vice-president, and John Baker, secretary. Treasurer Nick Galantis was out of town when the picture was made.

Moonlight Bay Offers 'Fun Without Beer' for Families

A. B. Cooper, left, and contractor Ty Frost inspect one of the picnic tables that will be in the new park at Moonlight Bay. In the background is a combination shower house-refreshment stand.

Carteret's newest recreation area will open at Moonlight Bay, Atlantic Beach, about the middle of May. The area is the idea of A. B. Cooper, who says he wants to give this section a recreation area without beer.

The new development is just off the Atlantic Beach causeway on the right going toward the beach. A sound "beach pool" will be the center of attraction.

There will be a shallow section of the pool going to a depth of about three feet. The deep part of the pool will drop to 12 feet. High and low diving boards and high and low slides for the children will be placed on piers in the water.

Except for one board at the

Morehead City Country Club, these will be the only diving boards in the county. Lifeguards will be on duty at all times the pool is open to see that safe swimming and diving rules are observed.

Floodlights will be installed around the pool, making night swimming safe and fun. The swimming area is separated from a 40-acre lake by lifelines.

The lake will be devoted to motorboats and water skiers. A ski jump will be erected in the middle of the lake so the "experts" can show how it's done.

A channel will be cut from the lake to a clubhouse near the swimming area. Boaters can beach their boats along the channel and walk

to the house for refreshments and free showers.

Also in the free category is a parking area designed to hold about 150 cars. There will be an admission charge to the swimming area. Grass will grow around the park and lawn chairs, umbrellas and picnic tables will be put in convenient locations. The picnic area will be open to reservation by church, civic and fraternal groups.

Volley ball nets and knuckle ball courts will be constructed for the enjoyment of folks who want to play without getting in the water.

Mr. Cooper says the recreation area is designed primarily for the year-round residents of the county who want a place to take the family for a day of good, clean fun.

Eagles Announce Grid Schedule

The Morehead City Eagles will run up against their toughest schedule in recent years next season. School principal Lenwood Lee points out that five of the eight scheduled games will be against AA schools of equal or greater enrollment than that of Morehead City.

The three A schools on the schedule are natural rivals — Beaufort, Havelock and Swansboro. These three schools field strong teams every year and draw more fans than some of the larger schools.

The season will open Sept. 5 when the Eagles travel to New Bern to play the Bears. The complete schedule follows:

- Sept. 5, New Bern—Away
- Sept. 12, Cary—Away
- Sept. 19, Swansboro—Home
- Sept. 26, Jones Central—Home
- Oct. 3, Havelock—Home
- Oct. 10, Wallace—Away
- Oct. 17, Pamlico—Away
- Oct. 24, open date
- Oct. 31, Beaufort—Home

Pamlico Central Beats Morehead

The Pamlico Central Hurricanes dumped the Morehead City nine by a 13-2 count Monday afternoon on the Morehead City field. The Eagles managed to get only four hits off the Pamlico hurler.

Bobby McIntosh lined a homerun over the right field fence in the fourth inning for the Eagles. James Guthrie got the other three hits for Morehead City, two singles and a triple that drove in the second and last Eagle run.

John Glancy was the starting pitcher for the Eagles and got tagged with the loss. McIntosh relieved him in the fifth inning but developed a sore arm and gave way to Jim Lawrence, who finished the game.

The victory clinched third place in the Coastal Plains Conference for Pamlico. Jones Central and Wallace-Rose Hill are fighting for the championship. The Eagles have not won a game in the conference this spring.

Beaufort Seadogs Blast Atlantic Pirates, 25-5

The Beaufort Seadogs blasted six Atlantic pitchers for 23 runs Wednesday afternoon as they coasted to a 25-5 victory over the visiting Pirates. Pud Hassell was the winning pitcher for the Seadogs.

Butch Hassell was the leading batter for both teams with four hits in five trips to the plate.

Smyrna Blue Devils Score 18-6 Victory over Beaufort

The Smyrna Blue Devils overcame a four-run first inning lead by the Beaufort Seadogs Monday and handed the visitors an 18-6 defeat. The winners pushed 11 runs across the plate in the bottom of the sixth inning.

The Seadogs jumped on Smyrna moundsman Carroll Hill for four runs in the first inning and scored two more in the third inning before Murphy went in to pitch the rest of the game.

Score Two
The Blue Devils scored two runs in the bottom of the first inning and tied the score at six all with four more runs in their half of the third inning.

The Smyrna nine pushed around the winning run in the fourth inning and held a 7-6 advantage going into the sixth. It was then that the roof caved in on the Seadogs. Eleven big runs came across for the Blue Devils before the third out was made.

Batting Hero
John Ingram was the batting hero of the game for Smyrna. He poled two doubles and three singles in five times at bat for a perfect day at the plate. Lewis and Murphy were the only other Blue Devils to get hits.

Butch Hassell and H. D. Paul collected two hits each for the Seadogs. Gordon Becton and Raymond Gillikin got one hit each, with Gillikin's hit a double in the first inning.

Other players in the game for Smyrna were Lambert Davis, Wayne Davis, Braxton Piner, Curtis Nelson, Woody Hancock and David Yeomans.

Other players for Beaufort were John Smith, Kenneth Jones, Bill Morgan, Joe Pake and Pud Hassell.

Reuben Lilly Hurls In Newport Victory

Reuben Lilly pitched and batted the Newport Hawks to an 8-1 decision over the Atlantic Pirates Tuesday afternoon. The game was played at Newport.

Lilly struck out 11 Atlantic batters and gave up only four hits as he went the distance. He clouted a home run to aid his own cause. The Hawks got eight hits.

Donald Styron was the only Pirate to solve the slants tossed up by Lilly. He hit safely twice in four trips to the plate.

Morehead City fireman Mac Edwards was responsible for the short blasts on the fire alarm system yesterday afternoon. He was trimming branches from trees growing near the alarm lines.

The New York office of the North Carolina State Ports Authority is now located at 32 Broadway, room 1607, New York 4, N. Y.

1,000 Tickets Out On Color TV

At noon yesterday only 1,000 tickets on the color television set to be given away by the Centennial deficit committee had been distributed. There was no report as to how many of these had been sold.

Committee chairman T/Sgt. Paul D. Bray said that the people who are selling the tickets are doing a good job but there weren't enough people working at it.

The following businesses in Morehead City are selling tickets: Early Jewelers, Sanitary Restaurant, Leary's, Sanitary Barber Shop, Capt. Bill's Waterfront Restaurant, Economy Appliance Store, Beachview Ezzo Station, Bullock's Shoe Shop and the Rex Restaurant. The Idle Hour at Atlantic Beach also has a supply of tickets.

The Morehead City Rebekah Lodge is the only organization that has gone all-out for the committee. The Rebekahs are trying to canvass the entire town, selling chances from door to door.

There are still a few Centennial books left and each person making a contribution will get a book in addition to his ticket. The books sold for \$2 each during the Centennial.

The drawing for the tv set and other free prizes will be at 2 p.m. Tuesday in front of the Morehead City municipal building. You do not have to be present to win.

Rotarians Hear William Skarren

William Hubert Skarren, Beaufort, was guest speaker at the Beaufort Rotary Club meeting Tuesday night at the Scout building. He was the guest of program chairman Halsey Paul.

Mr. Skarren spent five years in Japan as a teacher in a school for children of the military occupation forces. He discussed the Japanese culture and told the general attitude of Japanese toward Americans.

The club is still working toward reactivating a Boy Scout troop. Scout leaders are taking a course each Wednesday night at the Episcopal parish house.

Charles Davis was welcomed as a new member of the Rotary Club at the meeting. Visitors were Truman Kemp and Frank Cassiano of Morehead City.

Camp Glenn Pre-School Clinic Will be Tuesday

The pre-school clinic at Camp Glenn will start at 12:30 p.m. Tuesday at the school.

Children who will be entering school for the first time are to be present with their birth certificates, announces R. W. Davis, principal.

A physical examination will be given but no shots will be administered. The shots required by state law may be gotten from the family doctor or at the County Health Department.

Licenses Reinstated

The state driver license division has reinstated the licenses of Riley Lee Felton, Beaufort, and Heaton Willis, Salter Path, effective this month.

Morehead City Blues To Play Kinston Sunday

One of the top semi-pro teams of North Carolina, the Kinston Greys, will be the opening day opponents for the Morehead City Blues. The game will begin at 2 p.m. Sunday at the Morehead City park.

Manager Roy L. (Capie) Stiles, who will begin his twelfth year with the local ball teams says this is potentially our best team. Although the team is dominated by young players, several veterans will be expected to supply the punch that the manager hopes will bring a victory over the talented Kinston club.

James Henry, a curve balling left-hander, and Whip Collins, the fast ball right-hander, are the probable starting pitchers. Bill Adams will do the catching.

Other probable starters are first base, Curt Davis; second base, Al Anderson; third base, Bill Becton; shortstop, Eddie Gibbs; right field, Tom Jones; center field, Bert Walker; and left field, Skin Jones.

Seadogs Lose To Havelock

The Beaufort Seadogs dropped their second game of the week Tuesday afternoon at Beaufort. The visiting Havelock Rams scored a 5-2 victory. Dallas Willis, losing pitcher, held the Rams to six hits but loose fielding by the Seadogs cost him a possible victory.

Bob Denton of the Rams held the Seadogs to four hits and single runs in the fourth and fifth innings. The Rams scored three runs in the third, one in the fifth and one in the sixth.

H. D. Paul of Beaufort and Tom Hill of Havelock were the only players in the contest to get more than one hit. Each got two singles in four trips to the plate.

Lupton and Pud Hassell collected the other two Seadog hits off Denton.
