Woman Recalls College Days As Pioneer

Cairo (AP)—The young Egyptian girl hesitated at the gates of the American University in Cairo. Then, overcoming her fears, she ran up the stairs and became Egypt's first coed.

Today, almost 30 years later, Eva El Masri recalls with a touch of pride how she blazed a trail which thousands of other young Egyptian girls have since followed.

In the Egypt of 23 years ago, it was almost unthinkable for a girl to venture far into the halls of knowledge. Her place was in the home, her purpose to prepare for marriage and children. Women were heavily veiled. Polygamy was commonplace. Seclusion of women in harems was more or less the rule.

But Eva — now Mrs. Yousef Sidhom — came from a family with an almost unquenchable thirst for knowledge. She cracked a barrier of prejudice against women and found a surprisingly small amount of hostility. She says: "I was very reserved. As the only girl, I had to be. As a rule I brought my lunch with me. Only on rare occasions would I go to the luncheon to eat with the rest of the students. I did join the orchestra and glee club, however."

Her grades were good enough to warrant a scholarship to Smith College in Massachusetts after her graduation from the university here. In one year at Smith, Eva obtained a master's degree in sociology.

When she returned from America, Eva worked for several years as editor of the magazine, "The Egyptian Woman." She represented Egypt at various women's conferences in foreign countries. Then came marriage in 1948 to Yousef Sidhom, a lawyer in Alexandria where they make their home.

Register of Deeds Records 33 Real Estate Transfers

(Editor's Note: In recording real estate transfers, the law does not require that the amount paid for the property be stated in the deed. A token amount, such as \$10 or \$100, may be stipulated. Attached to each deed, however, must be United States documentary stamps, the value of the stamps based on the price paid for the property.

Property which changes hands for less than \$101 requires no stamp, according to Irvin W. Davis, register of deeds. Property which brings a price between \$101 and \$500 must bear a stamp valued at 55 cents. From \$501 to \$1,000, the stamps affixed to the deed total \$1.10, and thereafter for each additional \$500 paid for the property the stamp value goes up 55 cents.

From the value of the stamps placed on a deed an estimation of the price paid for the property can be determined. In the transfers listed below, the seller is listed first, the buyer second, and finally, the value of the stamp affixed to the deed.

There were 33 real estate transfers recorded at the register of deeds office April 8-21. They follow:

Morehead City — Hendrix W. Wells and wife to John G. Whitehead and wife, \$2.20; George H. McNeill and wife to Lee H. Watson and wife, \$1.10; Hugh J. Porter and wife to Roy Merrill and wife, \$2.20; R. R. Barbour and wife to George D. Phillips and wife, \$17.60.

Hugh B. Mills and wife to William E. Flowers and others, \$1.10; H. Earle Mobley and wife to Hattie Jones Carrow, no stamps; Ernest J. Davis and wife to A. C. Edwards; Eva P. Humphrey to Robert E. Harris and wife, \$8.80; Archie C. Piner and wife to Eva P. Humphrey, \$2.20.

Daniel J. Matthews and wife to John J. Raz and wife, 55 cents; C. Van S. Roosevelt and others to James A. Maher adn wife, \$5.50; and C. Van S. Roosevelt and others to R. A. Deffenbaugh and others, \$1.65.

Beaufort—Charles L. Davis and wife to Ralph Leslie Davis, 55 cents; William T. McKay and wife to Charles E. McKay and wife, no stamps; and Ida L. Garner to Grace Smith, no stamps.

Student Rides, Still Obeys Law

East Lansing, Mich. (AP) — A Michigan State University student has a unique solution to the problem of getting from class to class on the sprawling MSU campus here.

Bob Johnson, a senior from Clawson, Mich., discovered his ability to balance a unicycle is a step-saver. What's more, Johnson says, a unicycle is the only means of transportation not under regulation. Although students are not permitted to ride bicycles on the sidewalks, he claims no law prohibits his one-wheeler.

Johnson says steering is all with the hips. He rides with hands free to carry books. "And I haven't hit anyone yet," he says.

Write-In Votes Will Elect Ralph Paul

Since Ralph Paul, constable of White Oak township, failed to make the filing deadline April 19, one write-in vote would return him to office as constable. No one else filed for the office.

Mr. Paul said yesterday, "I'd like to have more than one write-in though!"

He intended to file but said he did not realize that noon April 19 was the deadline. He arrived at the courthouse shortly after noon.

Mr. Paul has been serving as constable in White Oak township since appointed by the board of county commissioners some time ago.

Husband Goes to Jail, Says He Wants to Sleep

Tucson, Ariz. (AP) — A man walked into the Pima County sheriff's office and asked to be locked up.

"What have you done?" Lt. Frank Barros asked.

"Nothing," the man answered. "It's my wife. She won't let me sleep."
