# Eastern, Western Nations Help **Build Military Strength of Ethiopia**

Addis Ababa (AP)—Technicians from West, East and neutral Swe den are helping build the military strength of Ethiopia. Western know-how comes from the United States, Eastern from satelite Cze-choslovakia.
64.08
64.08
Charling in the Cze-choslovakia.

cludes 8 officers and 15 enlisted men from the U.S. Army who train the Ethiopians in the use and mainment—artillery, machineguns, ri-fles, ordnance repair equipment, motor vehicles, light tanks, arneuvers. mored cars and ammunition-is a

gift from the U.S. government. Czechs Help But future ammunition for the guns is being made in an Ethopian government factory, recently op ened. Technicians in the factory are supplied from the Skoda works by the present Czechoslovak gov ernment. Czechoslovakia supplied much of the Ethopian ammunition

during its war with Italy. The U.S. Army personnel has only one contact with the new am-

munition factory—to supply mea-surements of ammunition for the American guns.
