

Fabulous Fishermen Meet, Approve New Fishing Rules

By BOB SIMPSON

The Fabulous Fishermen met Wednesday night in the Morehead City municipal building for consideration of the rules committee's recommendations for the 1958 season.

President T. T. "Tom" Potter presided over a large group that included Dick Magan, sports editor for the Cherry Point Windsock, and several new members.

The trophy list was increased to 26 and approved: sailfish, other billfish, amberjack, false albacore, tuna, tarpon, channel bass, grouper, red snapper, king mackerel, Spanish mackerel, bluefish.

Wahoo, cobia, dolphin, sea mullet, flounder, sheepshead, trout and pompano. A cash prize, at present totaling \$100 is being offered by the four ocean piers for the largest tarpon caught from an ocean pier.

The blue marlin cash prize to the skipper of a member boat of Fabulous Fishermen now stands at \$125, with a goal of \$300. Pledges will be accepted by Mr. Potter from any individual or firm wishing to encourage this type of fishing. Hardy Ray, Atlantic Beach, hopes to have a marlin tackle rental service available to marlin fishermen.

Membership Dues

Outboard membership is being offered at \$5 per season, individual membership at \$5 per season and private yachts at \$15 per season. This membership includes eligibility for all trophies and prizes and other club activities. Any operative member, (one who operates for gain or business) is restricted from receiving trophies.

The Fabulous Fishermen flag will be made, on order, locally at \$4.50 each, with two standard sizes available. All interested should contact Bob Simpson with cash in hand.

Oscar Allred offered \$75 worth of trophies towards the trophy list. Mr. Allred displayed plaques for prizes won by individual boats and prizes, orders to be placed with him.

Plans Trip

Mr. Potter plans a propaganda trip through the Skyline Drive the first week in June and will distribute literature for any members who will bring this information to his office.

Mr. Magan suggested a Fabulous

Fish Beginning to Bite At Inshore Fishing Piers

Capt. Otis Purifoy reported this week that Mrs. John Wagner of Hendersonville caught 12 silver perch off the pier behind his fish house.

These were the first fish caught off this pier this season and this is an indication, he says, that the fish are on the way in.

Fishermen weekly news bulletin to be distributed to subscribers and through tackle shops, restaurants and hotels.

Mr. Simpson was selected as official weighmaster for any fish caught in this area to be entered in the International Game Fish Association records.

During the meeting a phone call was received, asking that the club members work with Piedmont Airlines in setting up a package fishing-vacation plan. Anyone interested should contact Mr. Simpson immediately.

Baseball Teams Wind Up Season

County baseball teams are scheduled to wind up their schedules this weekend and players and coaches are glad the season is finally over.

Rain and cold weather wrecked the schedules and none of the boys got in good condition for playing ball. Newport got in only four games all year, losing two to Havelock and winning two from Atlantic. The Hawks had a game scheduled with Smyrna yesterday, weather permitting.

The Beaufort Seadogs will wind up their season tomorrow night at Camp Lejeune when they will meet the Devil Pups under the lights. Atlantic and Smyrna got in the most games by playing each other several times.

The state championship tournament is scheduled to begin today with the Carteret champion playing the Onslow County representative. A county champion has not been determined, so no county team will see action in the state tournament.

The show will close at 10 tomorrow night.

Boating Group Elects Officers

Members of COBRA, Carteret Outboard and Runabout Association, elected officers at a meeting at the National Guard armory Tuesday night. Clifford Fagle was elected president for the year beginning May 1.

Other officers are Lesta Willis, vice-president; Donald Chadwick, secretary; Bob Butler, treasurer; Bill Smith, membership committee chairman; Lester Hall Jr., planning and attendance committee chairman.

Publicity chairman Chuck Hall announces that membership dues are \$6 per year. Any persons joining before June 1 will not have to pay the initiation fee of \$5 which will apply after that time.

The next meeting of COBRA is scheduled for 7:30 p.m. Tuesday at the armory. All prospective members are invited. You do not have to own a boat to belong to the club.

Touchdown Club Is New Name For Boosters

At a meeting of the officers and directors Monday night, the name of the Morehead City football boosters organization was officially set as The Morehead City Touchdown Club.

Club president Bernard Leary made a motion that the membership goal for the organization be set at 500 members. "We got the first 100 members in less than two weeks and we haven't begun to en-joy the football fans in Morehead City," he pointed out.

The Touchdown Club is an organization dedicated to promoting high school football in Morehead City. The club has a two-fold purpose: to raise funds to give to the school for equipment and supplies and to see that the coaches and players get the publicity and credit they deserve.

Officers of the club, in addition to Mr. Leary, are Thomas Oglesby, John Baker, Nick Galantis and Bob Seymour. Any of these men have membership cards and will be glad to accept \$3 membership dues from fans interested in joining the club.

Coach Norman Clark says the Touchdown Club is potentially one of the best organizations in Morehead City. "If the boys know they have an organized group behind them they will have more incentive to play ball."

"Last year we won the state championship and got nearly no publicity except from THE NEWS-TIMES and the local radio stations. While these news sources cover the county, very few big-time college scouts visit here."

"The metropolitan papers expect some group such as the Touchdown Club to write stories and send them in. That is the only way the scouts will hear about some of our best and most deserving players," the coach declares.

Injures Foot

Walt Niemi, Morehead City, while golfing at the Morehead City Country Club course Wednesday afternoon, seriously injured his foot. He swung at a golf ball and the club hit a root, or some obstruction, glanced back, and whacked him on the foot. He was confined to bed yesterday.

Cherry Pointers Plan Tournament

Cherry Point Marine Base golf committee is honoring Robert Banks tomorrow on the Cherry Point course.

The tournament is named the Pop Banks Golf Tournament, Mr. Banks being known affectionately at Cherry Point as "Pop".

Several members of Morehead City Golf Club, friends of Mr. Banks, have been invited to play.

Mr. Banks operates a tourist motel at Quaker Bridge, N. Y., in the summer and will leave for Quaker Bridge May 12. During winter months he assists Dave Todd, Cherry Point golf pro, in an amateur golfer capacity.

For many winters prior to his

26 Harlowe Residents To Organize New Club

Twenty-six Harlowe residents met Tuesday night in the Methodist educational building, Harlowe, and decided to organize a community club.

The next meeting will be at 7:30 p.m. Tuesday, May 13, in the educational building. The following nominating committee was named to present a slate of officers: Mrs. Earl Creech, Mrs. S. D. Wilkinson, Mrs. Vernon Tolson, Luke Turner and W. K. Williams.

first winter season at Cherry Point in 1955-56, Mr. Banks was winter-time manager of the Morehead City-Beaufort Elks Lodge.

Mr. Banks frequently "shoots his age" on any golf course, including the perilous No. 2 course at Pinehurst. The score 68.

Basketball Coach Speaks To Newport Rotary Club

Basketball coach Bob King was guest speaker at the Newport Rotary Club meeting Monday night. Coach King discussed basketball at Newport High School and showed three movies of college games taken during the 1956-57 season.

Coach King was the guest of program chairman C. H. Lockey. Other guests and visitors included Rev. J. W. Linebarger of New Bern, guest of Rev. Ralph Fleming Jr., and Morehead City Rotarians George Dill, Buck Matthews Jr., and Tom D. Lewis.
