#### COMMERCIAL PROPERTY

For Investment or Immediate Use

Idea! Location at Intersection of Heavily-Traveled Highways! The first thing that will impress you about Mitchell Village is its wonderfully commanding location. The land designated for a modern shopping center has 1465.7 feet of actual highway frontage and is very deep. Ingress and egress from two major highways is offered. Besides being only three miles of populous Morehead City and very near other bustling towns, it is only 13 miles of Cherry Point Marine Air Station and 30 miles of Camp Lejeune where thousands of service men are stationed and other thousands of civilians are em ployed. It is also on a favorite tourist route and would afford a welcome retreat for weary travelers.

Here, in the heart of Mitchell Village, is a rendy-made money maker for the man who can look ahead. Many homes have already been built here and many others are now being planned . . . and with the hundreds of families who will buy and build on these preferred homesites, you'll have a perfect set-up to reap a golden harvest of profits. Never has the opportunity for a wise investment been so great.

#### **WONDERFUL MOTEL & BUSINESS SITES**

Mitchell Village includes approximately one mile of highway frontage along U.S. 70 and N.C. 24, on the Morehead City-Swansboro Road. Here's prize highway frontage, and the ideal site for a motel. Terrific flow of traffic on both highways. No other motel in the area, so competition is no factor. There's not another spot where it would be so practical to build a modern motel. If you want to make money, get land like this on a main highway near a growing city and hold it for awhile. Here you will find every factor that will cause the land to increase in value. You will never make money out of lots you could have purchased and didn't.

#### DESIRABLE PLANT SITE

Industrial property on the north side of Railroad on Highway 70 offers an ideal plant site for a multitude of purposes. Three-quarters of a mile up the highway from the intersec tion and is on a R.R. right of way. Tremendous expansion has about seen desirable sites used up, and this is probably the finest tract so near the facilities offered by Morehead City. The Southern Railroad has recently taken over the A&EC, thus the port of Morehead City is provided with a through east-west trunk line by a major carrier. Investors! Buy this preferred plant site and hold it to make money.

#### GOOD PLACE TO PUT YOUR MONEY TO WORK

When you consider how real estate along North Carolina's east coast is going up because of commercial, industrial and population growth, you going up because of commercial, industrial and population growth, you see that it's a money-making hedge against inflation. Nothing gives a man more satisfaction and security than owning real estate. The value of the homesites and commercial property at Mitchell Village is obvious. You'll never make a profit out of land you could have bought. Don't let this opportunity slip by. It's going at auction and you set the price!

#### COME TO SALE EARLY AND LOOK

Take a careful and studied look at these lots. Bring your family and pick out the lot or lots of your choice. Every factor here for ideal homesites or husiness. For illustrated brochure or additional information, contact
