

Potato Association Meets At Washington Yesterday

By R.M. WILLIAMS
County Farm Agent

The annual meeting of the North Carolina Potato Association was held in Washington yesterday.

With the potato storage supply on the short side and the abnormal growing conditions in a good many of the production areas, it appears now that we will experience a favorable marketing season when potatoes are ready to harvest.

The peak of California movement of potatoes is expected to be the latter part of May and the first part of June. The peak of Hastings, Florida movement of potatoes will be the latter part of May. The movement of red potatoes in Alabama will be after the middle of May with the Sebago variety to be harvested the first part of June.

A number of the county potato growers have indicated that potato harvesting in the county would begin around the first of June for the Cobbler variety, the 10th to 15th of June for the Canso variety and the latter part of June for the Sebago variety.

John Broom, Executive Manager of the North Carolina Potato Association who has visited all the potato producing counties, indicates that the over-all crop conditions of the potatoes is better in this county than in other areas that he has observed.

I noticed a light infestation of the adult Colorado Potato Beetle and flea beetle in a number of potato fields last week. The rate of 25 to 30 pounds of 5 per cent DDT dust, is a good insecticide to control these insects. Weekly applications, from about the blooming period, of the DDT insecticide, will also control the European corn borer which could cause considerable damage to Irish potato plants.

Because there are lots of farm fish ponds in this area, I would like to emphasize the importance of applying fertilizer to these ponds for the purpose of increasing the amount of food for fish in the water.

Since the pond water is usually deficient in the same nutrients as the soil over which the water flows, it is suggested that you use the same mixture that you use for crops. An initial application of 100 pounds for each surface acre of water is most effective.

For those of you who are using the water in your farm ponds for livestock and want to keep the water clear, you may add gypsum or land plaster to the pond. The gypsum causes the clay particles suspended in the water to come together and settle in the pond leaving the water above clear.

This material is easy to obtain and is one that will not harm the fish that might be in your pond. The gypsum is applied at the rate of 13 pounds per 100 cubic feet of water.

Bank Appeals Verdict To State Supreme Court

Commercial National Bank has appealed to the supreme court a judgment issued by Judge Joseph Parker last week in superior court.

In a case arising out of question of ownership of a car, Atlantic Discount Corp., Elizabeth City, was judged the owner. The car was a Buick which, allegedly, was at one time in possession of H. Earle Mobley, former Buick dealer of Morehead City.

Disputing Atlantic Discount's ownership was Commercial National Bank. The bank was ordered to pay court costs. The bank has posted \$100 appeal bond.

Proving a Point
Cross Plains, Wis. (AP)—A portable television set on display in a local hardware store turned out to be just that. Thieves broke a hole in the plate glass show window and carted off the set valued at \$128.

Notes from
SEA LEVEL

May 7 — Mrs. Seibert Morris, Crab Point, spent the weekend with her father, William Lloyd and family.

Mr. and Mrs. Gardner Salter, Stella and Freddie Salter, ECC, Greenville, spent the weekend with their parents, Mr. and Mrs. Elvin and Mrs. Harry Simmons and boys left Sunday afternoon for their home in Windsor after spending the weekend with their relatives here.

Mr. and Mrs. Sonny Williamston, of Goldsboro were the guests of his parents, Mr. and Mrs. Tully Williamston, during the weekend. Mr. Williamston is in the Air Force.

Mr. and Mrs. Hildred Golden and daughter, Sheila, are spending several months here with their parents, Mr. and Mrs. George Golden.

Mr. and Mrs. Ed Willard and boys, Eddie and Kenny, are visiting Mrs. Willard's mother in Bryson City this week.

Mr. and Mrs. Weldon Willis and Mr. and Mrs. Carl Lewis and their children, Harkers Island, were the guests of their mother, Mrs. Annis Harvey, Sunday.

William Gaskill, Mrs. Robert Daniels and Mrs. Wardie Fulcher motored to Greenville Sunday to visit Stevie (Mr. Gaskill's son) who is a patient in the hospital there. William is planning to take him home this weekend.

Mr. and Mrs. Guy Hamilton, New Bern, spent the weekend at their summer home here.

Mrs. Lula Mason and Mrs. Nellie Williamston attended services at the Primitive Baptist Church in Atlantic Sunday.

Mr. and Mrs. Allen Taylor and family spent the weekend in Norfolk with relatives.

The Sea Level Missionary Baptist Church ordained three new deacons, Clarence Salter, Delmas Gaskill, and Garris Gaskill, Saturday night. The pastors and deacons from the Marshallburg, Davis, Smyrna and Atlantic churches participated in the ceremony.

School Teacher, Editor Meet in Teacher's Pet

Clark Gable and Doris Day share top billing in *Teacher's Pet*, a comedy that will play Sunday through Wednesday at the Morehead Theatre.

Gable "portrays a veteran city editor who falls for journalism teacher Day and has to pose as a student in her night school class to pursue her.

Of course, he's an excellent student, and Doris believes she has uncovered a perfect gem. She's interested in his mind, but he's interested in keeping her after class.

Bonjour Tristesse, starring David Niven and Deborah Kerr, will run Thursday, Friday and Saturday at the Morehead.

As in the book, the story is told in retrospect by teen-age Cecile. The Paris sequences are in black and white, while the flashback narrative, of an unconventional summer on the Riviera one year before, is in color.

A western will open the week at the City Theatre. Joel McCrea will star in *Fort Massacre*. This movie beats a new trail through western lore with a topnotch tale of a lost patrol of US cavalry in the wild Apache country of the southwest.

Joel McCrea stars in this off-beat story in what is probably his first delineation of a "villainous" role. As a sergeant in command of the cavalry detachment he per-

mits the authority suddenly thrust on him to become a means by which he seeks to massacre Indians in wild, reckless personal vengeance.

The action builds to a tremendous climax, offering one of the most exciting entertainments in months.

Rififi, starring John Servis, will play Wednesday and Thursday at the City. A double feature program is scheduled for Friday and Saturday. Alan Ladd and Virginia Mayo will star in *The Big Land* and Allen Freed will star in *Mister Rock and Roll*.

I am a candidate for Coroner of Carteret County, Primary May 31st, 1958. Your vote will be appreciated.

Signed
W. David Munden

Health Department Will Start TB Clinic in June

The County Health Department in June will start a new clinic to discover tuberculosis cases.

The clinic will be conducted at the county health center. Former B patients as well as persons who come in contact with known TB cases will be checked.

This "preventive" work in TB is expected to cut down the number of TB cases occurring in the county.
