

Designs Bulletin Cover

Miss Phyllis Pake of Beaufort, a senior at Woman's College, designed the cover for the 1958-59 Women's College bulletin released recently.

Miss Pake's design was an assigned problem for the fifteen students enrolled in an advertising and display course of the Art Department and her winning entry was selected to appear on the bulletin by the college publications committee. The contemporary design features triangles and ovals in gray and blue on a white background.

A candidate for the bachelor of arts degree on Sunday, Miss Pake began painting with oils at nine. She lists biology as her second major interest and following graduation she plans to join the biology department at N. C.

I AM NOT A POLITICIAN but I am a citizen of Morehead City and I am interested in the growth and development of our port. Saturday is election day. My good friend, Judge Luther Hamilton, is a candidate for State Senator. The vote in this county will be light unless every one of us makes it a point to go to the polls in his respective precinct and vote.

Saturday you are faced with this question: Had you rather have a man for your Senator from Carteret County or someone from Lenoir, Craven or Onslow County? If we don't support our local men wholeheartedly, we can't expect to ever get anything in this county. If we don't help ourselves locally, we can't expect the counties up the State to help us!

Saturday is an important election for us, the people of Morehead City and Carteret County. We need Judge Hamilton in the Senate. It is a thankless job on his part. If he is willing to sacrifice five months of his time with the expense and necessary long trips to Raleigh and back, we should be willing to sacrifice a few minutes of our time. I am appealing to you, every citizen of Morehead City and Carteret County, to go to the polls Saturday and vote for Judge Hamilton. If you are interested in the future of your port, you will do so.

Lonnie L. Hyatt
