A STATEMENT ABOUT A

TRANSFORMATION

An unbelievable transformation has taken place at 904 Arendell Street. A once dilapidated building has become the bright spot in downtown Morehead City. To believe it possible, you must see for yourself.

Upstairs and down you'll find hundreds of beautiful items in home furnishings displayed for your convenience in attractive correlated groupings. You'll also find a first floor annex where additional budget priced pieces are shown.

The move from our former location prompted many to believe we would be giving up much floor space . . . NOT SO . . . under our new roof we are showing more than ever . . . and we look forward to sharing it with you.

To avoid confusion of the two Hamilton stores, Morehead City and Beaufort, we will operate under our new chosen name, Hamilton's FURNITURE CENTER. Before you buy, anywhere, come to see us; you'll be glad you did.
